Chronolgy *1st Temple*

Temple 2928-

3838 = 410 years

---

After 40 years after the death of all the men over 20 years who departed Egypt and the deaths of Moses Aaron and Miriam the Jews under the leadership of Joshua entered The land of Israel . That was the year 2488 after creation. The Jews fought for 7 years until they vanquished all the inhabitants. And 7 years they divided the territory they won among the tribes.

The Jews gave the inhabitants the choice to remain providing they agree to obey the moral ethical humane laws.

They are called the Seven Nohadite laws .

Not to worship idols -Avodah Zora when one creates molds from wood metal an image of an animal insect reptile or human and believes that

this image possesses magical or mystical powers. One worships this image performs rituals in order to please this image. In that manner he/she believes that the image possesses power to avoid harming him or to bestow a blessing on him/her. However, the deeper meaning of paganism exists when one believes that he/she can control future events and ensure their happening because they have the power to force others to comply. WHEN ONE IS POWERFUL HE CAN FORCE OTHERS TO DO HIS WILL ON THE PAIN OF BEING KILLED, IF THEY DISOBEY. ONE THEN COVERS THEIR TRACKS BY SAYING THAT SUCH IS THE WILL OF GOD . ONE SHIFTS THEIR MACHINATIONS ANS ENLISTS GOD TO THEIR AGENDA. Thus the Crusaders when they killed Jews stated that it was God's will. This was classical paganism.

The opposite of Paganism of the above is to believe in God -that all laws come from God ; not to steal another's *life wife/husband and possessions.*

It is only the insistence of the Christian Church who want to skew history and negate 166 years of Jewish history that causes the problem. The Church inserts another 166 years to the existence of the 2<sup>nd</sup> Temple in order to have the Jesus story unfold at the situs of the Temple with the Jews being blamed for his crucifixion. Also according To the Bible Daniel 9:27 at the end of 490 years the chosen one that can be interpreted as the Messiah will be killed. The Christians, of course , want to apply this verse to Jesus. The period of 490 years applies to the time the 2<sup>nd</sup> Temple lasted plus the 70 years that elapsed from the destruction of the first Temple.  $70 + 420 = 490$  years . The Christians added another 166 years for the existence of the 2<sup>nd</sup> Temple in order to have its destruction coincide with the year 70 after Jesus was crucified. Thus they can claim that the prophesy of Daniel applied to Jesus. However such a calculation mandated the addition of 166 years - the difference between the Jewish and non Jewish calculation.

However history is not a Hollywood movie that can be crafted to a predetermined script.

For the last 2000 years Europeans have  
**CRAFTED SCRIPTS AND NARRATIVES  
THAT SUPPORT THEIR GRAND LARCENY  
AND MURDER OF BILLIONS OF PEOPLE.**

The only arbiter of the truth is having control.

That is why it is the greatest crime to give up control of historical Israel to the NON EXISTENT Palestinians . We are creating the dagger that will go straight into the hearts of every Jew.

Following is a chronological list of Jewish judges and kings that ruled Israel from the time of Joshua who entered Israel in the year from creation 2488

end of kingdom of Israel defeated by taglis plasar Shalmenasar and Srnaherev the kings of Assyria - Ashur in the years 3187-3210 from Creation. Most of inhabitants the 10 Tribes were exiled to different land and are presently lost. Some members remained in the Kingdom of Israel and intermarried with the Samaritans . These Samaritans ,in turn, were exiled by the Asyrians from their native land and settled in the Kingdom of Israel . These Samaritans wanted to unite with the Jews returning with Ezra and Nechemia. They wanted to participate in the building of the Second Temple. Since they persisted in maintaining their worship of birds Ezra and Nechemia turned their request down. The Samaritans in the year 3448 solicited and received permission from Alexander the Great to build their own Temple at Mount Gerizim. That was the time that Shimon Hatzadik negotiated a compromise to have all boys born in the family of Kohanim named Alexander.

Also many Jewish heretics who questioned the authenticity of the Oral law and the belief of Olom Habo that the soul of man after death goes to heaven or hell joined the Samaritans.

Some members of the 10 lost Tribes are today to be found in Ethiopia India and Burma . Many of these individuals have immigrated to Israel.

and Azrye. . The punishment was to be thrown into a fiery oven. All three were thrown in. However an angel from God protected all three. When Nebuchadnezer was informed of the miracle he ordered that the three Jews be rescued. The non Jewish plotters were thrown into the fiery oven and perished instantly. This story is reminiscent of the miracle that likewise saved Abraham when he was thrown into the fiery oven by Nimrod.

Likewise the non Jewish plotters discovered some Babylonian criminal law that they charged Daniel had violated. The punishment was to be thrown into a den of starved lions. Daniel was tossed in. However the lions ignored Daniel . When Nebuchadnezer was informed of the miracle, he ordered Daniel to be rescued from the den. In his place the non Jewish plotters were tossed in. The instant the plotters were on the ground they were devoured by the lions.

at the end of his days Nebuchadnezzar turned mad. He ran into the forest and spent several years mingling with wild animals and eating the same food as wild animals eat.

Evil Merodoch

3363-3386

Evil Merodoch was very good to the Jews. He freed the Judean King –Jechiachim. And treated him royally. He expanded the autonomy for the Jewish community in Babylon and permitted the Jews to govern themselves in accordance with Jewish law.

Belshacher

3389-3390

Belshacher was the last Babylonian King. He was very haughty . He was engaged in a great war with Persia. . The Babylonian army defeated the Persian troops. Balshacher threw a banquet in celebration. He ordered that the holy vessals employed in the services at the FIRST temple be

used during his victory banquet. During the feast Balsh noticed a man's hand-without the person - writing some strange letters on the wall.

Bal Shacher was frightened. None of his wise men could interpret the writing. Finally Daniel was summoned. He informed Balshacher that because he employed the holy vassals used in the Temple for his victory banquet, his victory would be converted to his downfall.

The same night the Persians rallied their forces and attacked. Balshacher was murdered by one of his officers. Darius the Median conquered Babylon.

Malbim writing in 1854 in his commentary on the Biblical book of Daniel 12:11, and 12:12- that Daniel prophesized that in the Jewish date 5674-5628 This corresponds to the secular years 1913-1927 ACE there would be the beginning of the Messianic era. It would be preceded by the wars of Gog and Mogug . At the end a Jewish state would be resurrected.

The First World war started in 1914 . The Russian Communist revolution 1917 the Balfor declaration and the League of Nations declaration of the establishment of a Jewish homeland in Eretz Israel were made in 1920.

In 1927 the great depression hit Europe and the USA.

As a result Hitler came to Germany in 1933. The Nazis started II World War 1939-1945 and killing 6 million Jews and 1 million Jewish children. Israel established in 1948.

Thus the prophesy of Daniel was realized.

335 years after 1913 or 1927 all the dead will be resurrected according to Malbim's interpretation of Daniel 12:2: 1:11 :12:12.

Malbim hedges himself that there might be additional years after 1927ACE. Thus we can fit in the years 1927-1948. See the epilogue of Malbim in his commentary to Daniel.

According To Malbim's interpretation of Daniel the angel Gavriel revealed to Daniel what would happen to the Babylonian Empire. That the Persians would destroy them and become a world power.

**FST** a period of 52 years enumerating

those Persian emperors relevant and of interest to the Jews Cyrus Achavarush and Darius Persian influence would wane.

Greece would now become the dominant world power for 180 years. Greece would be split into 4 parts ruled by 4 different emperors. They would continuously fight and war with each other.

The wars could possibly continue and invade the 103 year era of Jewish independence of the Maccabees. and 103 year rule of Herod and his offspring.

The Romans would enter the picture and become the world dominating power slowly after the 180 year era of the Greeks .

The Persians Greeks and Romans could slide into the eras outlined for the other groups with out disturbing our basic concepts that the first Temple lasted 410 years and the second Temple lasted 420

years . The second Temple was destroyed in the year 96 BCE.

Malbum reads into the prophesy of Daniel the breakup of the Roman empire. The emergence of the Roman Catholic Church as a dominant force in the year 325ACE by appointment by Constantine as the dominant religion of the Roman Empire.

Malbum reads into Daniel's prophesy the splitting of the Western and Eastern parts of the Roman empire . The spitting of the Roman Catholic Church based in Rome and the Eastern Catholics based in Constantinople. He reads into the prophesies the rise of Islam under Mohammad.

He further reads into Daniel's prophesy the schism with the Protestants.

The Malbum writing in 1853 was a Monday morning quarter back regarding history that occurred prior to 1853. However his predictions regarding the State of Israel are prophetic.
