THAT IS WHY THERE WAS**

A HOLOCAUST.

What ever the motives of President Obama and Secretary State Kerry one thing is one trillion % certain. Both want the Jews to surrender control of their destiny and agree to give up 4000 year Jewish Israel. Let the USA give up the Capital Washington DC and the State of New Jersey and declare a Palestinian State there. Let

**England surrender London Let
the French surrender Paris.
Let the Norwegians surrender
Oslo. Let the Russians
surrender Moscow.**

**It is about time to tell the
truth.**

**All Palestinians in Israel
should return to their countries
of Origin Egypt Syria Lebanon
Iraq.**

Judea Samaria Gaza are not

occupied land. There exists no occupation. One can not be an occupier when he / she lives and settles one's own land.

Let Israel and the Jews not be afraid.

LET US REMEMBER

“DO NOT TRUST ANY ONE ”

“DO NOT TRUST ANY THING”

“ NOTHING IS A GIVEN ”

Let us not make any decisions out of fear of what will happen. Tomorrow . Let us welcome tomorrow. Tomorrow Tomorrow will be happier than today. Let us not be scared from the likes of Obama Kerry the Europeans or anyone who tries to intimidate us with boycotts divestments and sanctions. Let

us put all those who threaten us out of business.

Let us put the Palestinian authority out of business by stopping all money transfers to them . Let Israel take over area A B and throw out all the Arabs.

The “innocent” Arabs are the problem.

There does not exist an “innocent” Arab.

“It is not the mouse that is the villain ; but the hole in the wall

that enables  he mouse to enter.”

It is the “innocent” Arabs that is the root problem of the conflict between Jews and Arabs.

Get rid of the “innocent” Arabs and there will be no problem .

**Norway Sweden
Switzerland and Poland all of
them European countries
forbid Kosher slaughtering .**

They insist that the animals be stunned before slaughter. Stunning before slaughter is forbidden according to Jewish religious law. Muslim religious law likewise agrees.

The Europeans state that unless the animal is stunned tremendous cruelty is perpetrated on the animal. They insist that animal rights trump religious rights.

Why don't these Europeans become vegetarians? If they are honestly concerned about animal rights, why kill the poor beast?

Certainly animal rights trump their selfish appetite for an animal diet? Horse meat is forbidden in most if not all States of the USA. Why not forbid all meat in these European countries that trample on the religious rights of Jews and Muslims to slaughter animals with out

stunning?

**Why not forbid all hunting?
Animals are wounded and left
to an agonizing death.**

**Why not forbid fishing? Fish
are caught by their tongue.
Fishing causes agonizing pain
to the poor fish as they are
hauled up. Then they are
stumped to death. This is the
ultimate of cruelty.**

Shrimp and oysters and other seafood are tossed alive in boiling water and cooked alive for the waiting cruel European to consume. Where is their compassion for the innocent shrimp oyster and other sea fish?

Are the Europeans only concerned with animal rights when Jewish and Muslim religious rights are trampled and trumped?

The effect of such laws is that Jews and Muslims move out of the country. This is the real underlying motivation for the enactment of these discriminatory laws.

Likewise, the European Union forbid circumcision of male children by their parents. The European Union insist that the child become an adult and make his own decision if he wants to be circumcised.

They state that Circumcision is a form of crippling the child.

This law effects Jews and Muslims. Again the effect is to motivate and intimidate Jews and Muslims to move out of the country. That is the real motivation of this discriminatory law. Europeans want Europe to become Judein rein and Muslim rein. The Europeans are reverting back in time to 1492 when Spanish

King Ferdinand and his Queen Isabella proclaimed the edict of eviction of all Jews and Moors -Muslims . Either all convert and become Catholics or they must leave . 250,000 Jews left.

250,000 Jews remained and converted and became Catholics.

Once they became Catholics all higher professions were now opened. These former Jews

called Moranos competed with born Christians and won the highest offices in the army the Church and in business. They won the hearts of the most beautiful Spanish women and got into the most influential Spanish families .

Two former Jews made it to Pope .

The Spanish authorities panicked. They then passed new laws forbidding anyone from getting a high office in the

army or in Church unless he could prove five generation of pure Christian blood. These laws were the fore runners to Hitler's Nurenburgh racial purity laws .

Portugal became Judenrein in 1497.

England became Judenrein in 1290. France and Germany followed in the 1300s.

The Eastern Roman Empire was Judenrein since the late

1100s .

**Thus Europe was Judenrein
until 1650.**

**Now in 2014 the Europeans
again are passing laws to again
make Europe Juden rein.**

**An Episcopelian college in
the USA insisted that anyone
applying for a master's degree
renounce that the Jews are the**

chosen people. In other words only one who accepts Jesus as the son of God and God is chosen. Again, the purpose was to discourage Jews from attending .

In 1915 in the USA Leon Frank was falsely indicted and convicted in one of the Southern states in the USA of killing one of his black female employees. Even though the governor commuted his sentence the Ku Klux Klan

dragged him out of prison and lynched him by hanging .

Again the lesson was to intimidate and discourage Jews to live in the South.

In 1907 a Jew named Beilin was indicted in Russia for killing a gentile child to use his blood for baking matzos for Passover. This was a repeat of a similar trial held in Damascus Syria in 1850.

These blood libel trials were a re enactment of the similar blood libel trials during the Middle ages . Hundreds of thousand Jews were murdered as a result of these accusations. The motivation was to intimidate the Jews to move out and make Europe Juden rein.

The Russians in 1880 killed tens of thousands of Jews.

In France a Jewish officer Dreyfus was convicted of passing secrets to the Germans during the 1970 Franco German war. After many years it was revealed that a non Jewish French officer was the guilty party. The French higher command of officers covered up and blamed Dreyfus.

The motivation was to intimidate Jews to leave and make Europe Judenrein.

Now in 2014 the same anti-Semitic laws are enacted to make Europe Judenrein.

These laws are just one part of the anti-Semitic symphony. Jews are physically assaulted in many European cities . Jews are killed. Jews are afraid to walk the streets with any religious symbol like a skull cap or a star of David.

The Europeans are not satisfied in driving the Jews

out. They agitate and give billions of Euros to terrorist organizations the Hamas and the Palestinian authority to teach the students to hate Jews and kill Jews. Thus the Europeans fund tthe Palestinians to insure a new generation of Palestinians will hate and kill Jews.

Now the Europeans are threatening Israel that they will impose divestment and sanctions unless Israel agrees

**to commit suicide and
surrender historical Judea
Samaria and Jerusalem to the
Palestinians. In that way - to
give birth to a never once
existent Palestinian State . This
state will endanger the lives of
every Jew in the 1967
indefensible borders.**

**This is the state of affairs at
February 27, 2014.**

It is a mortal error to argue that Jews can not go back to indefensible borders. Otherwise, Jews would agree to the creation of a Palestinian State.

Israel is Jewish from day one. Read the Bible. Israel belongs to the Jewish people; not to the Palestinians. All the Palestinians are Syrian Lebanese Saudi Arabian Egyptians and Iraquis. They all came in 1880 when Jews

started to build the Jewish State. They came because Jews provided employment for them in the new businesses Jews created and the settlements Jews built. . Let all the PALESTINIANS RETURN TO THEIR NATIVE COUNTRIES.

Until 1967 Palestinians called themselves Syrians or Lebanese or Saudis or Egyptians.

The Palestinians are not prepared to make any concessions. They want to try thier luck battling Israel in the the international political field. They want to try their luck having European divestments and sanctions. They want to try their luck with all the Anti-Semites thirsty for Jewish blood. They want to bring Isreal to its knees. Diplomacy

only if they get their goal of rolling back the Jew's wins of 1967 war . Then they will agree to a temporary halt until the next stage. Otherwise they will try going to international Court to accuse Israel of war crimes. They will use the UN bodies to bring Israel to its knees.

Israel should not be intimidated. Let Israel stop all moneys to the palestinians and cause the Pal estinian authority to fall. Let Israel take over area

A and B . Let Israel put a stop to the education of Palestinians for Israel's destruction.

Let Israel put a stop to Palestinian agitation and incitement. Israel can weather a European sanction and divestment. Most Europeans will not go along. Europeans want Israel technology . They will not cut their own throats even though they hate Jews with a passion.
