Control and Power

What is the meaning of having control over ones own destiny? What is the meaning of independence.

WILL Durant in his voluminous writings about civilization for the past 5000 years paints a picture that describes the nations like wild animals in the jungle. If there was any humanity in the relationship of individuals, such humanity and morals was

entirely missing in the
relationship of ^{the}
nations to each other.

On the contrary, man
used his intellect
and superior thinking
to create the ~~most~~
cruellest forms of torture,
pain and destruction for
other humans. The
greater the suffering
caused, the more was
did society reward the
perpetrators and
shower them with honors.

2 millions
Murder of thousands
was glorified by a change
of terminology - it was

called war ² to enhance
the fatherland or the
motherland. The
citizens of the nation
attacked were deprived
of ~~all~~ human rights
and legitimately
converted to
another form of
chattel property.

while the sword
and the gun
achieved the first;
the philosophy and
propaganda lowered
and the victims to
the depths of an
animal. It stripped

all rights and roles
of equal human
being from him.

Animals and humans
were the same.

The theory of evolution
that man comes
from apes, dove-

with such a set up.

Thus from the earliest
stages of recorded history

6
until today. In one
form or another, such
is the drama
unfolding itself
before ones eyes on
the stage of the
world.

Once a nation
becomes independent
and gains power, it
abuses and enslaves
all weaker groups.

This is true with
certain exceptions in
the Western democracies,
and the State of Israel.

All propaganda
devices are used to
deceive the culpable.

imprisonment,

are used to quieten the

It is under
such circumstances
that the Jew who
has always been
considered an outsider,
and at best a

decided to gain independence and have a nation of his own, in order not to be at the mercy of this

The ¹²ligots feared that
the Jew would

of the world population,
then a free Jew
in Israel could
definitely accomplish
this. This is ^{one of} the
real reasons that
there exists such

no wonder that they

all of mankind.

In this world
of snakes what
is a moral nation
to do? Is it to
practice absolute morality
in face of all
provocations - turn

The other cheek?

This is a formula for suicide. This is the prescriptions our enemies advise us, to make it easier to destroy us.

The Torah advises: When one ~~arises~~ comes to kill you, arise earlier and destroy him using all means and weapons

at your disposal. There
exist no moral
impediments to
destroy as many of
those who plan to
kill you or as
many of those who
help the murderers.

When society fails
to curb the murderers
or to help the
victims of the butchers,
then such a

20
society forfeits its
rights as humans.

The victims are
justified to protect
themselves using all
means necessary to
protect their lives,
regardless of the
consequences to
the society who
perpetrates the
murder or the ones
who permit such outrages.

 ones who disagree with
 his interpretation of

* we must conduct a public relations ~~work~~ ^{campaign} to demonstrate the lies and distortions of the anti-Semites. We must always present a positive image of the Jewish Community Jew ever not at the expense of making Jews die!

In fact, if Jews do not organize and lobby for their rights they are responsible for

any debacle that befalls them. Antisemitism counts on Jewish paralysis to spread their venom. Freedom of speech is an inherent right. Let Jews use this right to defend themselves and outpunch all the haters and outmaneuver and outsmart those who intend to defeat democracy and their rights.
