JEWES FROM DAY ONE HAVE BEEN
HATED. ANTISEMITES STEAL JEWISH

IDEAS INVENTIONS CREATIVITY AND THEIR BOOKS.

JEWS Christians Muslims believe that the Bible is Divinely given by God at Mt. Sinai 3400 years ago.

However , Christians for the last 1700 years have used the Bible as a launching pad for an assault and justification for the murder of not millions , but billions of people.

Never in all the centuries of pagan worship was religion converted into an instrument of mass genocide.

The Church and corrupt rulers conspired to the truth of the words of

Marx and Engel that religion is the opium of the masses -the instrument that puts people to sleep and accept the corruption and status quo of the Church and Monarchs.

The truth is that religion per se Christianity Islim are all good. It is the people who represent religion who are giving and gave religion a black eye.

The religion that they preach is not what God spoke.

The honest independent thinker can place himself in the shoes of God what would he or she do –if they were God?

When they see the difference in behavior they know what the “VICARS” of Christ or Mohammad represent can not be the word of God. It is the opium of the masses.

The Deists of the 1600s 1700s 1800s and renaissance thinkers and philosophers and Bible critics correctly challenged the legitimacy of the Church and Mosque.

Prior to the Renaissance any one daring to challenge the Church would be burned to death. The year 1600 was ushered in by burning at the stake a great philosopher. Spinoza learned his lesson and refused to publish his Bible

criticism and philosophy of Pantheism while he was alive. He feared he would be burned at the stake.

However the Renaissance spelled the death blow to the tyranny of the Church. It took 300 years for this monster to fall. However today we witness a different Church mentality regarding those individuals who differ and possess other traditions.

The church has a long way to go. It is still playing politics. It still fails to recognize the Jew's connection and birth right to Israel. It still fails to support the Jew's right to Yehud Shomron Golan Gaza Old City of Jerusalem historical

Israel. . The Church has failed to atone for it's 1700 years of sins of blood libels grand larceny rape and murder of millions of Jews. The Church is directly responsible in the killing of 6 million Jews and 1 million Jewish children. There exists straight line from Hitler to the Vatican as well as Martin Luther.

1700 years of "Jews killed Christ" WAS THE OPIUM THAT ANETHESIZED EUROPEAN TO KILL OR BE COMPLICIT IN THE MURDER OF 6 MILLION JEWS AND 1 MILLION JEWISH CHILDREN.

THE TRAGEDY IS THAT THE SAME HATRED FOR THE JEW EXISTS TODAY

Judaism mandates critical analysis of every aspect of the religion. The Torah is humane. There exists to every law a humane layer. The Equitable Principle.

It is impossible for one to do the will of God if they wear blinders that drowns the Equitable Principle.

EVERY QUESTION PRESENTED TO THE RABBIS IS FIRST DECIDED ON THE BASIS OF WHAT DOES EQUITY DICTATE . THEN THE RABBIS ATTEMPT TO FIND PRECEDENT IN THE TALMUD 2000 YEAR RESPONSA AND 4 PARTS OF JEWISH LAW.

Today every rabbi who is versed in the Talmud 2000 year Response and Code of 4 parts of Jewish law and also observes the same is qualified to rule. No two rabbis rule the same. Thus equity is always given prominence .

All men women regardless of their religion gender national origin shade and color of their skin are treated equally.

All religions are respected . Non Jews can believe in the Trinity. Judaism believes all men of all religions will go to heaven, as long as, they obey the Seven Nohadite laws.

[1] To belief in God

[2] not to kill

[3] not to rob

[4] not to commit adultery

[5]legislate laws to protect society

[6]enforce these laws

[7] not be cruel to animals.

Judaism mandates people to study the Bible with an open mind.

No one can possibly understand who what

God is.

God is a different dimension as we reported in Book 71.

Therefore it is mandatory that Revelation occurred .

God told man/woman in the Bible and

Ten Commandments that comprise

the Written Torah
and the Talmud
the 2000 year Resposa
and the 4 Codes of Jewish Law
that comprise The Oral Torah
how to practice the Law of God.
God instructed men to be equitable .
Equity trumps all Common law.
Thus Judaism is not fazed by Bible
criticism.
There are there exist
Boundaries
that human understanding can not
fathom.

When man accepts these limitations there exists no conflict between Bible and Bible criticism.

There exists a principle that when a question is on point

and we do not know the answer then we must admit that we are at fault, not the Bible.

Because we have no answer does not mean that the Bible has many authors or that God does not exist.

It is us man -at the present who have no answer.

Just like we do not at present have an answer and cure to cancer.

Tomorrow a cure to cancer will be found .

Tomorrow an answer will be found to a question posed by Bible critics.

In the interim let us be honest and admit our own limitations and shortcomings.

Let us not destroy the legitimate question of the Bible critic .

Let us not throw out the baby with the bath.

Let us not throw out the Bible and God as the sole author of the Bible.

Let us not throw out God when God elects not to answer our prayers.

Prayers do help.

However God does not always intervene and perform miracles.

All created must acknowledge that they are only the Created,
not the Creator.

Let us not try to mold God in our image

Let us not set criteria or order God
mandate God to behave what we want.

God elects to behave as God wants. God
can not be predicted.

God is Merciful and Forgiving

when He wants ;

not when we want.

I give all readers a blessing

that

God

SHOULD ANSWER

THEIR *PRAYERS*

AS LONG AS

THEY DO NOT HURT OTHERS.
