MOSHE SISESENDER

1:1 Praised be the man who has not followed the counsel of the wicked ;who has followed the path of sinners; and does not frequent the hangout of jokers.[he consistently avoids not only those who actively engage in evil; but also does not keep company with people

1:2 For only with the Torah of God is his desire that he [she studies day and night .

1:3 And[ he/she is to be compared]like a tree with a solid foundation on a bank of a river [will always have water ] that will

produce its fruit on time ;it's leaves will not dry up ; and he/she will succeed in their endeavors .

1:4 The wicked however will not experience this good fortune . They can be likened like dried straw that will be dispersed by the wind.

1:5 Therefore, the wicked can not have a chance of passing muster at a trial regarding their deeds; and the sinners when their adversaries are righteous.

1:6 For God knows the path of the righteous and the path of the wicked will He destroy.

2:1 Why did the nations get excited?  
And people of these states belittle as a  
none entity a none event[ a temporary  
nuisance that will disappear] ?

when they went to battle. However

morally what David did was an unforgivable moral breach.]

David experienced many narrow escapes and faced death numerous times. God punished David because even a spiritual giant like David behaved immorally and narrowly escaped being killed as a result of Divine retribution.

David is an example of the complete repentance of a sinner. God will take the sinner back. No one who sincerely repents will be denied God's favor.

T'hilim shows what true repentance can accomplish. T'hilim is the power house for prayer. The verses of T'hilim were

recited at the Temple at the time of Services. The verse of T'ehilim form the back bone of all prayer sessions weekdays holidays and

Rosh Hashana and Yom Kippur. T'hilim is the book of prayers to beseech the mercy and grace of God to heal the sick and comfort those individuals who have little or no control over events.

Man will then be able to slumber confident that no terrorist will jump over the fence and stab his

5:1 “Lamnetzech el hanicholt mizmor

follows:

David composed a special Psalm that  
was played on a special musical  
instrument during those times when  
Jews are in danger - attacked by enemy  
forces or terrorists.

5:2 I prayed I beseeched –God hearken

thoroughly my Psalm my song.

5:3 Pay close attention to my anguished supplication- my King my God for to You do I pray

5:4 God hear my prayers in the morning. In the morning do I beseech you. And I look to you for salvation.

5:5 For God does not desire to visit punishment on those individuals who disobey God.[God wants them to repent so they will not deserve to be punished and die. ] Evil does not reside with You. Evil is not part of your nature. [this is an answer to the philosophy and religions that believe that there exists a good God and an evil god . The good

God favors and blesses all men the pious and the wicked. The evil god punishes all men/women the pious the saints and the wicked. Every thing is fore known and controlled by God. There exists no free will . That is why you see wicked men enjoining a wonderful happy life. While the good men/women have a miserable life. That is why good people are destroyed .While evil people prosper and succeed.

5:6 The ancient pagans and all anti Semites and most Europeans for the last 1700 years believe that God is made in their image. What ever corruption they practice the gods do the same. If they kill

a Jew they say that it was the will of God to have the Jew die. This is the situation today in Israel July 03,2016 . The Palestinians are indoctrinated from cradle to grave that they come from the ancient Cannanites.

The Jews are occupiers 3400 years ago and are occupiers today.

Palestine stretches from the Mediteranian to the Jordan.

It also includes Jordan.

There exists no intent for two states one for Jews and one for Palestinians .

Therefore it is a holy duty to kill the Jews. The Palestinian authority spread

these unfounded lies. They spread this incitement and poison the minds of all Palestinians to murder Jews.

Israel is debating and wringing its hands in agony about expelling any Palestinians because the world will brand the Jewish state as committing collective punishment. So in the interim more Jewish lives are lost.

This is what King David is referring. Such is the interpretation of Malbam .

I have brought Malbim's interpretation up to date with current events today in the world vi a-vis Israel and the Jews.

David says God is not made in the image of the ancient pagans or modern Anti Semite and most Europeans for the last 1700 years.

God distance Himself from such animals. God hates such doers and inciters of evil.

5:7 Let such evil lies fabrications and revised history be destroyed. The incarnation of murder and evil are hated by God.

5:8 But I by your grace and mercy come to your house of worship and I prostrate myself with trepidation before your holy presence .

5:9 God guide me straight forward to

your path. Help me withstand temptation lest my enemies revel in my weakness and downfall.- Rashi Redak

5:10 For none of my enemies are honest. They all spew lies. They say one thing and mean another. Their throats can be compared to an open grave. Their goal is to murder ; to cause grief and destruction. They cause death by the pronouncements of their mouth –the lies fabrications and incitement that they spew.

5:11 Condemn them God. Let them fall from their prominence . Punish them commensurate with their multitude of

sins and wrong doing. For they all have rebelled against you .[God]

5:12 And in that way you will gladden the hearts and minds of all who trust and believe in you. Those individuals who love God will eternally sing praise to your name and continue to believe and trust you.

[ When God does elect to help the good people- that creates an incentive to continue praying for prayers are answered. It is difficult for people to believe in God when God elects not to answer one's prayers.

AS A RESULT OF THE HOLOCAUST MANY  
PEOPLE CEASED BELIEVING IN God .

They were wrong.

The same God saved 12 million Jews.

The Nazis lost the war. The State of  
Israel was resurrected in 1948 and  
survives remains strong against all the  
enemies for the last 67 years. Not only  
the Palestinians but the millions of Arabs  
and billions of the other Anti-Semites .

THIS IS ONLY BECAUSE OF THE GRACE  
AND PROVIDENCE  
of God.

God helps those who help themselves .]

5:13 For you God bless the Righteous.  
Have your grace envelop and refresh me  
like a cool breeze .

6:1 Lamnayzeach al hashminit

Mizmor leDovid. David prepared this  
Psalm to be recited by the Levites during  
Temple Services using a musical  
instruments that emitted eight different  
notes or melodies similar to a piano.  
Each Psalm needed a special musical  
instrument.

Each Psalm was characterized not  
only by a different unique message but  
was also accompanied by a different  
musical instrument.

6:2 God please do not judge me when you are angry . Please do not punish me when you are displeased with me.

6:3 Have mercy on me . [forgive my inequities] for I have remorse for my straying. Heal me for I am ill. My bones are aching [and I am a broken person for my disloyalty to God.]

6:4 My whole body and life is shattered in grief. How long more will it take until you comfort me?

6:5 God Return your Providence and help me. [Do not depart your presence and cast me as prey to my enemies] Help

me God for the sake of your goodness  
and grace.

6:6 For the dead can not remember  
you . Who will praise the Lord from the  
grave? [ It is better to be a living coward  
than a dead hero. Judaism always taught  
that life trumps all laws.

Our enemies in Israel today

JULY 03,2016 know that Judaism  
preaches this principle. They exploit our  
idealism as a weakness. They preach the

Therefore we are at war with the

7:1 Shigoyin leDovid Al kushi ben Yemini

The verse 7:1 of this Psalm is interpreted differently . Rashi sites Menachem that it refers to Shigoyin refers to a musical instrument used by the Leviites at the Temple Services when

reciting this Psalm. Rashi is of the opinion that Shigoyin refers to the about face of David's prayer to God. First David implored that God should punish him for his sins by falling into the hands of his enemies, as long as his children would escape any harm. Then David changed his tune and requested that God punish him rather than fall into the hands of his enemies because God is merciful. Jews recite the second prayer daily during the daily weekday prayer of Tachnun . sigoyin thus means that David changed his mind.

Al divrei Kush ben Yemini is also open to dispute. Rashi claims this refers to king Shaul who wanted to eliminate David as his rival for the throne . Shaul schemed to have David killed. Shaul's hatred and fear of David made him paranoid. David succeeded in narrowly escaping from the plots of Shaul to murder him. David was aided by Jonathan his brother in law the son of Shaul . he also was aided by his wife Michel the daughter of Shaul. Michel was passionately in love with David. Michel is a unique woman who defied not only her father; but a group of Jewish sages . Michel insisted on

wearing Talis and Tefilin . There exists a dispute between the Babylonian Talmud and the Jerusalem Talmud if it is ok for a woman

To wear Talis and Tefilin since they both represent Mitzvot with a time limitation. . Women are exempt from performing all Mitzvot that are time oriented that must be performed only at designated times. The ruling of Rabbenu Tam in Orech Chaim chapter 17 is that women voluntarily can perform these Mitzvot , as long as they do not claim that they are mandated to perform them. A woman can also recite

the blessings over the Mitzvoh once they perform the Mitzvah.

However , Talis and Tefilin according to Targum Yoneson are considered akin to arms only to be worn by men. These mitzvot symbolize the arms of a Jewish man. They also emphasize the different roles of a man and a woman. It would be considered the same as a woman wearing the clothes of a man, that is forbidden.

Michel the daughter of Shaul did not, however , pay any heed to such a teaching.

King Shaul once he had David on the run, as a fugitive, had his Rabbinical Court annul the marriage of Michel his daughter to David. Bible Samuel book I Chapter 25 :44[ Interpretation Malbim] Shaul forced Michel his daughter to marry an other man. - Paltiel ben Lish Michel remained with Paltiel ben Lish until David became King over the tribe of Judah. David petition the Ish Boses to have Michel returned to him. Ish Boses was the son of shaul who was installed King of the other 11 Tribes after Shaul was killed fighting the Philistines. Samuel II 3:14 Michel returned

accompanied by her husband who was crying as she left . Samuel II :15,16

Michel , however, refused her father's interference in her marriage to David.

Michel refused to have intimate relations with the new husband her father chose for her. Michele's new husband respected her wishes and did not even touch her. Commentaries Talmud response my book 10 11 E 11H

Since the annulment of Michel's marriage was coerced and the marriage to her new husband was coerced, both are considered null and void.

My books 10 11E 11H .

When David regained power after the death of Shaul Michal returned to her true love, David.

David fortunately managed to survive all the attempts on his life by Shaul.

David succeeded in defeating the Philistines and was acclaimed by the tribe of Judah to reign as king in Hebron for 13 years.

After King Shaul was killed in a war against the Philistines Shaul's son Ish Boshai became the new king. However his reign was cut short and he was assassinated.

All tribes of Israel voted then to proclaimed David as the King. David moved to Jerusalem and ruled for 33 years.

After becoming King in Hevron David had his Rabbinical Court annul the marriage of Michel . As I stated earlier since the annulment was coerced and the marriage to the new husband selected by King Shaul was coerced , both are null and void. I have written at length regarding annulments in my books # 10 and 11 E in English and 11H in Hebrew.

See Malbim Biblel Samuel book I – Chapter 25:44 discusses the Halachic

theory underpinnings why David was permitted to take Michele back- because the annulment on part of Shaul was error . Michele even if she did have relations with Paltiel ben Lish- the new husband- was permitted to return to David because she had followed the instructions of the rabbinical Court of Shaul. Therefore Michele was blameless.

This is similar to the case when a Rabbinica Court rules that a married woman's husband died. She proceeds and marries and has relations with her new husband. Later the first husband returns. The Rabbinical Court made an error in assuming that he had died. The

woman is permitted to return to  
husband number one.

It was the fault of the Rabbinical Court.

The woman is not to be penalized.

Michele the daughter a princess the  
daughter of a King considered herself as  
the prime wife since she was David's first  
love and wife. David had several wives  
and concubines. Michel was a woman  
with her own mind who possessed self  
confidence in her decisions even if she  
went over board and was wrong.

Michel had the temerity of rebuking and  
verbally lashing David .

David to her mind was not acting presidential as a king should behave. -

This was the occasion when David brought to Jerusalem the ark containing the Ten Commandments and the Sefet Torah the scroll of the Pentateuch written by Moses literally word for word what God dictated at Sinai and during the 40 years in the Sinai desert.

David brought them to the new tabernacle he constructed in Jerusalem .

Upon bringing the Ark to Jerusalem David threw a very large party . He invited hundreds of thousands Jewish men and women. David joined the dancing. David danced in a manner that

was not considered regal behavior . For this Michel privately rebuked him.

David replied that he was willing to humiliate himself for the glory and honor of God.

Michel was punished by God.[1]

Some commentaries claim that she had no children .[2] Other claim that she had at least one child as written Samuel Book II chapter 3:6 and David's sixth son was Yisrom to Eglon the wife of David. Malbim cites Shucht Tehilim 59 that Eglon is another name for Michele.

That was a nick name David called Michele Eglon means a young calf a love name . [3] Other authorities claim

she bore to David five children [4] Other authorities claim she did not conceive again until she died in child birth.

[5]Other authorities claim she had no children of her own. She raised five children of her sister when her sister died. When one raises an orphan she/he is considered as she /he gives birth to the child.

## commentaries on Bible

Books Samuel I and II are a history of the during the Jews the lives of Shaul

and David . The private antagonism of these two men. The trials and tribulations of their experience in this era of history.

It is a good idea to study this book of Scriptures and the index of Soncino English translation of Babylonian Talmud researching the words Michel King David, King Shaul- at the time one reads my book on Tehilim.

Those who are able to comprehend the TALMUD WRITTEN IN ARAMAIC SHOULD REFER TO THE BOOK TOAH SHEL BAL PEH on Samuel Book I and book II . All these sources will provide the historical

background and one will have the larger picture the insight -in the study of Tehilim that I am preparing .

One will have greater appreciation of the deeper meaning and motivation of the Psalms authored by King David and the other individuals who authored many Psalms in Tehilim:

[1] David

[2] Moses- Moshe Rabenu

Psalms 90-100

[3] other contributors.

[4] In addition even Psalms that King David supposedly is credited are considered written by rabbis of later generations. An example is Psalm 14 credited to David as a thanksgiving to God for rescuing him from death at the hands of King Shaul and all his other enemies

However ,Psalm 53 is almost word for word a copy. This Psalm 53 is credited to other rabbis after the destruction of the First and Second temples. Malbun on Psalm 14 and 53 .

An other example is Psalm 37. “I have been young and I have grown very old . I have not seen a righteous man or his

children go hungry”. Rashi on the spot declares that David is not the author of this passage. The reason David died at age 70. That according to Rashi is not very old. Therefore David could not have authored this passage. No one can mistaken Rashi as a Bible critic.

We therefore are justified in thinking that Tehilim is a compendium of many authors in addition to those listed by the commentators.

That is not the case of the five books of Moses the Chumosh -the Pentateuch.

What Bible critics and Christian theologians read into ambiguous

passages the tenets of their religion or atheism have been zillion times proven wrong by rabbis for the past 3400 years. The findings of the Christian theologians that support the tenets of their religion can be applied to all the pagan religions. However , Christian theologians, as well as ,Bible critics - try to invent the wheel.

What they do not realize is what they present is a distortion .

None of these individuals was present at the time the Bible was written by Moses from what God dictated. Therefore they at most can be skeptics. They can not state with certainty their narrative since they physically were not present.

Examples are the following;

The use in the Bible of plurals when referring to God “Let

US

create man ”

. “Let

US

descend and find out what the builders of the tower of Babel are up to.”

The plural tense does not refer to the plural persons in the God head as Christians maintain

Rather, it refers to the fact that God consulted with God's Court composed of His Angels.

Another misunderstanding is the use of future events that describe the kings the offspring of Esau the brother of Jacob in the Bible – Genesis. The passages read “these kings existed before there were any Jewish kings.” The Bible critics among them Spinoza seize upon this passage to indicate that the passages was inserted years later by an other author , not Moses. What these Bible critics assume is that Moses on his own wrote the Bible -not transcribing what God dictated.

Spinoza denies prophecy. With such a premise one would be justified in stating any thing. However, one who accepts that God dictated the Bible then there exists no difficulty about the passage.

“ the kings of Essau existed before there were any Jewish Kings.”

God certainly knows the future. Moses transcribed what God told him about the future.

Answers to all the questions of Christian theologians and Bible critics are present in the thousands of books written over the last 3400 years. There also exists millions of additional

answers to questions these individual  
did not think of raising .

A common sense answer to all Bible  
critics is the following:

Assuming for arguments sake that the  
Bible is written by a multitude of  
authors.

Wouldn't the last author have deleted  
all the passages that raise suspicion ?

If the authors fabricated the real source  
and wanted people to believe that the  
Bible is Divine ,when in reality they  
themselves wrote it,  
or at best

edited it and inserted interpolated  
certain passages;

why be stupid and keep a smoking gun?

Delete the incriminating evidence.

Delete those passages that the Bible  
critics site as evidence for the theory of  
multiple authors.

SINCE THAT HAS NOT BEEN DONE IT IS  
EVIDENCE THAT THE Bible is DIVINE.

Ben Bag Bag said : “Hafoch bo hafoch  
bo dekulo bo Go out and study and you  
will find in the Torah all the wisdom ever  
created.” - Ethics of the fathers- Perke

Ovos 5:26“Ben Bag Bag said” .Ben  
BagBag was descendant

from both a father and mother who  
converted to Judaism . Bag stands for  
son of a Ger His father was a Ger the  
second bag stands for his mother was a  
Geyoros. He was the son of a convertee.

Ben Bag Bag received both a Torah  
education, as well as , a secular one. He  
was learned in all the ancient sciences  
and philosophies. He was able to  
compare both. He therefore claimed  
that the wisdom inherent in all  
civilization also was contained in the  
Torah.

That does not mean that one is forbidden to study secular wisdom. On the contrary, when one has developed his own critical mind, he/she will discover that there exist others Jewish and non Jewish who also travel on the same road. There exists a legend that King Solomon refined his wisdom by studying the books of the votaries of Satan. Torah Shel Baal peh Melochi I beginning.

Solomon gleaned insights from Satanic practices.

Wisdom exists in Satanic theory; but it is converted for evil and murder. That is a reflection of the state of affairs at

July 4,2016 in our world. Wisdom is used to murder innocent women children the old the new born the weak.

We first study the Torah The Bible Taanach with Commentaries Talmud Shulchan aruch Responsa Codes of Jewish Law with Commentaries we can not then study secular wisdom.

What has been accepted is to study Torah through one's schooling. Starting with elementary school then high school college graduate school and professional school -for medicine dentistry accounting computer science oriental medicine acupuncture shoe maker tailor baker plumber social

sciences social worker teacher  
psychologist psychiatrist etc

The study of Jewish wisdom Torah – takes a life time. One should spring bak to study Torah like a door springs back automatically. One should interrupt his /her tasks and study Torah. One should “steal time from his /her work tasks and duties and study torah.”

When men think logically they will discover many others who are traveling on the same path road. Preface to Responsa Tirosh Veyitzhor-a dsitant cousin of mine . His genealogy traces to the same ancestors as I have. They are the following:

Provincial king of Poland for a few  
nights in the 1600 until the Poles were

a law that Poland can not be left with

Now let us return to Psalm

7:2 God my God I trust only you. Help  
me from all who pursue me and save  
me.

7:3 Lest he pounce and devour me like a  
lion and extinguish my life. Lest he  
deprive my life and there exists no  
recourse.

7:4 God my God ,if I have transgressed, if I have wronged anyone with my hands.

7:5 if I have repaid with evil for good done to me [then I deserve to die.

However I have never done such evil deeds] Have I not spared the life of King Shaul when I ambushed him?Have I not cut a piece of his garment rather than kill him? [ King Shaul rested alone in a dark cave where David was hiding. David quietly moved toward him . He cut a piece of his garment. Later David moved to a different location within screaming distance from Shaul. David screamed “King King .” Shaul turned around in the

direction of the screaming. He recognized that it was David. At that instant David held up the piece of the garment he had cut from the robe of Shaul. David cried out “you see this piece of garment it is from your robe. I surprised you. You were in my hands. I could have killed you. Why are you pursuing me? What evil have I ever caused you? ”

Bible Samuel Book I

Chapter 24

Shaul apologized .

However when Shaul's paranoia returned he continued to pursue David.

Bible Samuel Book I Chapter 26

Here in this Psalm David addresses God and points out his innocence .

7:6 My enemy is pursuing me. If he catches me He will crush me to the ground. My life and my reputation will be destroyed and placed in the earth . I will be buried. [Shaul will not extend to me the same mercy I showed him. ]

Sello this is conclusive . The hatred of Shaul is perhaps pathological but it is lethal.

7:7 stand up God with your sense of outrage[ for such warping of Justice by Shaul and perform a miracle ] save me from my enemies ones who cause me pain . Deliver your verdict your decree of justice for my salvation.

7:8 [As a result of this miracle -this open display of Providential interference in the face of brute power that you God save me from the power of a paranoid mad dictator Shaul] All the nations of the earth will testify to the truth of your existence. Rashi offers another interpretation. If my enemies pray to you pointing out all my sins that I deserve to die do not listen to them. [For

in the future words of Solomon in his prayers to God upon dedication of the temple after its completion “forgive all men there exists no man who has not sinned”. Kings Book I 8:46 ]

7:9 : God judges nations. Judge me equitably commensurate with my deeds and my honesty.

7:10 Decree evil punishment to the wicked evil . Reward the righteous . For god is able to discern the true intentions of the wicked and the righteous . God is just.

7:11 shield me God . Help the ones who go straight[ and are not crooked in their

deeds . Who are not hypocrites. They do  
what they say.]

7:12 God is a Judge of righteousness.  
And He is a God who is outraged every  
day.[ Since God is a God of justice when  
God sees injustice and depravity God  
becomes enraged]. This is a daily  
experience ]

7:13 if the wicked will not repent then  
God will crush his sword and destroy his  
bow . vechonenahu -God will set things  
in order. [Targum ]

7:14 The weapons of the wicked will be  
turned on themselves. They will die at  
the hands of their own deadly weapons.

Their own weapons will explode They will die as a result of a work accident. [ Hamas fires rockets from Gaza that fail to take off; but rather explode and kill the terrorists who fired them.]

7:15 The punishment for evil is more evil . Evil gives birth to greater evil and misfortune. The fruit of sin is suffering.

[Aids is the consequence of homosexuality. The supreme Court can vote that every one is free to select their own sexual preference. However homosexuality gives birth to aids. Aids gives birth to death.]

WHICH ACTUALLY HAPPENED.

7:17 his intention to kill an other person will be visited oh his own head . And on his neck will his malice land.

7:17 I will laud God commensurate with His righteousness. And I will sing His praise for His omnipotence and

FOR MY PARENTS DO NOT LIE. THEIR  
PARENTS DID NOT LIE. AND THE  
PARENTS PARENTS ALL THE WAY BACK  
TO SINAI DID NOT LIE.

OUR PARENTS STOOD AT

MOUNT SINAI . There EXISTED  
MILLIONS OF Jews at Mount Sinai .  
Every one- individually witnessed the  
Revelation.

Therefore, there exists  
millions of witnesses  
of the authenticity  
of this event.

Each parent  
passed on  
this evidence  
to his /her children .

No parent lies to his children.

There were millions of parents who transmitted this information.

Each of them witnessed REVELATION.

THE PARENTS OF ALL THE OTHER RELIGIONS WHO PASS ON THE TRUTH OF THEIR RELIGION CAN NOT STATE THAT THE ORIGINAL PARENT WHO HEARS ABOUT THE RELIGION WAS AN EYE WITNESS.

ALL THE OTHER FAITHS HAVE ONE OR TWO OR A HANDFUL OF THE VOTARIES WHO TESTIFY THAT THEY ARE EYEWITNESSES .

They can not compare to the millions of Jews who witnessed Revelation at

Mount Sinai ; not a handful as is the case regarding other faiths.

OVER THE CENTURIES THEIR NARRATIVE UNDERGOES MANY CHANGES.

I have written extensively regarding this matter especially regarding Christianity in my other books.

I have shown that I discovered the original writings of the New Testament.

All the moral ethical passages are borrowed from the pages of the Talmud. However the narrative of the Trinity has all the trade marks of all the Middle Eastern and Eastern mystery religions.

Many of the rituals such as

transubstantiation is a carbon copy of  
the mystery religions.

Judaism states that one born non Jewish  
who practices the dogmas of  
Christianity - the trinity- and also  
practices the moral ethical laws  
the seven Nohadite laws obeys the civil  
criminal laws of his /her country will go  
to heaven.

HOWEVER, THE BASIC CORE OF JEWISH  
THEOLOGY HAS BEEN THE SAME FOR  
3400 YEARS SINCE ITS INCEPTION.

WOMEN ARE THE MAIN CARRIERS OF  
JUDAISM. THE MEN ARE BUSY AT WORK.

**WOMEN ARE THE TRANSMITTERS OF  
JUDAISM FOR THE LAST 3400 YEARS.**
