

# BOOK 100

Moshe SISELENDER

I The essence of Torah is life . In this book we will present the basis -  
-God Life Jewish Israel  
We will present articles that support the Jewish claim for Israel. We will

counter the anti-  
Semitism that glorifies  
and vindicates the  
grand larceny of the  
“Palestinian” myth to  
steal Israel from the  
JEWS. The first level  
order of this poison is  
to create a legal

justification an  
unquestionable given  
a gospel. This gospel is  
repeated a million  
times in every  
communication until  
this gospel becomes  
reality. Thus falsehood  
if repeated a million

times metamorphoses  
into “truth” . And  
TRUTH metamorphoses  
into “fatsehood”.

Thus historical  
IsraelyEHUDAH  
Shomron Golan Old and  
New City of Jerusalem  
are renamed the “West

Bank and occupied territory by the Jewish crusaders” This lie is repeated a million times in every communication. This lie gains traction as others repeat it a million times

until it becomes the  
gospel truth.

This fabrication and  
distortion of the truth  
this myth is supported  
by the spiritual heirs of  
the 2000 year old Anti-  
Semitism that is

directly responsible in  
the holocaust murder  
of 6 million Jews and  
1 million Jewish  
children 1939-1945  
who also first created a  
foundation of lies and  
fabrications to justify  
the rape grand larceny

and finally the final  
solution the murder of  
6 million Jews and 1  
million Jewish children.  
The whole world  
including the Vatican  
and the USA under  
Roosevelt and his state  
department and

advisors stood silently  
by and did every thing  
in their power not to  
interfere with the  
Nazi's grand master  
plan of the master race  
to exterminate every  
Jewish man woman  
and child. Anti Semites

for the last 2000 years  
and charge Jews that  
they claim that they are  
the “chosen people.”

Claiming to be the  
“chosen people” is a  
dirty word. However  
these same

**Anti-Semites**  
conveniently leave out  
omit that Christianity  
for the last 1700 years  
consider themselves to  
be the “chosen  
people”. They invented  
the “replacement  
theology” Christianity

replaced Judaism. Since  
Jews refused to accept  
Jesus they were  
replaced by Christians  
as the favorite and  
“Chosen” people . They  
likewise omit and fail to  
disclose that the  
ancient pagans the

Romans and Greeks  
Budhists Egyptians  
Babylonians also  
believed in the same  
theology as the  
Christians. They also  
believed that one of  
their gods is half  
human half god or else

totally human and  
totally god born from a  
virgin who got pregnant  
from a god. This son  
like Jesus also enrages  
those people in power  
is then tried and  
condemned to be  
crucified or buried

alive . He dies to forgive  
the sin of Adam and  
Eve. He then is  
resurrected and flies to  
heaven and is part of  
the pantheon of gods.  
Also all who believe in  
him are part of the  
“chosen people”.

Christians believe in  
the replacement  
theology for the last  
1700 years since the  
Roman Emperor  
Constantine elected  
Christianity as the legal  
religion of the Roman  
empire .

Let us see how the  
new “chosen people”  
behaved once they  
stole  
the title-  
“chosen people”  
from the Jews?  
For the last 1700 years  
the Europeans

Christians plundered  
raped and murdered  
billions. Most of the  
victims were Christians  
murdered by Christians.

If you can rape steal  
and murder the  
Christians who believed  
that Jesus is the son of

God and also God  
alotgh the othe r  
Christians have a  
slightly different  
theology or differ in  
some technical way but  
still faithfully believe in  
the core Trinity ; then  
it certainly is ok to

rape steal and murder  
those individuals who do  
not believe in the  
Trinity.

The following people  
are legitimate targets :  
Jews Muslims Africans  
Asians inhabitants of  
the Indian peninsula

Chinese American  
Indians Eskimos  
Australian indigenous  
natives.

Wherever Europeans  
went they created  
cemeteries. The Nazis  
took over the  
replacement theology

with their theology of  
being the  
“master race.”

This is the true face of  
Christian “replacement  
theology”.

Contrast it with the  
Jewish concept of the  
“chosen people.”

The “chosen people”  
means Jews are  
mandated to observe  
the Jewish rituals of  
Kosher food family  
purity laws not to have  
sexual relationships  
with one’s wife during  
her menstrual period

until 12 days pass and she dips in a ritual bath.

[See Book 38 39] Jews

are mandated to be circumcised observe the Sabbath and Jewish holidays.

Jews as well as non

Jews must are

mandated to observe  
all civil and criminal  
laws of the country  
where they live  
–be good citizens.

Judaism preaches the  
theology of life - life  
trumps all laws .

Christian replacement

theology is theology of  
death.

Christians not only  
stole the title of Israel  
and the chosen people  
from Jews ; but they  
also stole the Jewish  
Bible that they  
renamed the

## Old Testament.

All the ethical moral rules found in the New Testament come from the Jewish Talmud See Book 50 51 52 53 .

The theology of Jesus being the Son of God and God and the virgin

birth the crucifixion  
dying to forgive the sins  
of Adam and Eve are  
borrowed from the  
Eastern and Mid  
Eastern mystery  
religions from  
Buddhism from India  
and China from Egypt

from Rome Greece  
Babylonia.

† The only difference is  
that the Europeans  
who adopted  
Christianity are  
inhuman beasts.  
Christianity was

misused as a  
justification the  
fundamental  
philosophy to commit  
mass murder and  
genocide of millions of  
human beings. The  
European Kings  
emperors nobles

partnered with the church . The Church put the masses to sleep to accept all the abuse rape theft and murder of the kinks by the promise of heaven as reward or hell for disobedience. Any one

who questioned this  
propaganda was  
burned at the stake.  
Thus the Church and  
the kings ushered in  
the 1000 years of the  
dark ages.

They succeeded to  
enslave and put to

sleep the masses whom  
they abused raped  
stole and murdered.  
Go read world history  
for the last 1700 years  
and you will see what I  
write is a drop in the  
ocean of the criminal  
behavior of Europeans.

It is this criminal theology that gave birth to its legitimate son the theology of the Nazi “master race”.

This behavior is part of the behavior of Europeans for the last 1700 years. They are

responsible for the  
rape enslavement and  
murder of billions of  
people. They are  
responsible for the  
enslavement grand  
larceny and murder of  
billions of Jews ,non  
Jews ,Muslims,

American Indians  
Asians ,Africans and  
other people wherever  
in the world the  
Europeans stepped  
they created  
cemeteries.

This monster has  
been resurrected and is

metamorphosed in the  
guise of supporters of  
anti Zionism anti Israel  
–in the United Nations  
the European Union  
and all Europeans and  
other nations who  
support anti Israel  
resolutions boycotts

and consider Yehudah  
Shomron Golan and old  
city of Jerusalem as not  
belonging to Jews. Thus  
these anti-Semites are  
the creators of the  
foundation the  
justification for the  
murder of Jews in Israel

by the so called  
“Palestinians” whose  
name is first created in  
1967. After the Arabs  
Egypt Syria Jordan  
were soundly defeated  
by Israel in the six day  
war in June 1967. It was  
then that the Arabs

Bank and the Jews  
were occupiers  
crusaders .”

all the way back to  
Dovid Hamelech King  
David .

King David comes from  
Yehudah the son of the  
Patriarch Jacob.

Every Jew alive today traces their family tree back to Jacob Isaac and Abraham.

No one alive today has the legal right to agree to give away to Palestinians a centimeter of Israel.

Israel belongs to every Jew alive today even if they do not live in Israel. As a Jew speaking for the Jewish people we vehemently opposes giving away any part of Israel that includes

Old and New City of  
Jerusalem

to Palestinians or to  
any other entity such as  
the United Nations.

The third Temple  
should be rebuilt on  
the Temple Mount  
where the first and

Second Temples stood  
2500 and 3000 years  
ago.

The Temple Mount  
should be shared by  
Jews and Muslims.

There exists sufficient  
room according to

Halacha Jewish law for both to co-exist.

It is not necessary to destroy the Mosque.

The Muslims want to destroy the right of Jews to pray and build the Third Temple.

Question

A pregnant woman spots. She is very ill and can not go to the Mikvah. Is the husband allowed to have sexual relations with her? If not is he permitted to kiss her hug her

everything short of  
having sex?

Reply

Rav Moshe Feinstein  
requested his son in  
law Rav Moshe Tendler  
to inform him of the  
medical diagnosis of  
spotting. What halachic

contingencies exist.  
Rav Tendler who is a  
scientist checked with  
physicians. He  
discovered that  
spotting creates a  
situation that the  
woman can lose the  
baby. In that case she

is a Niddah. S a Niddah she must first wait a period of time before immersing in a Mikvah. Then immerse before resumming realtions. Or perhaps she will not miscarry. Nevertheless since she spotted blood

she must first immerse  
in the Mikvah before  
resuming normal  
relations with her  
husband. This situation  
creates one doubt.

Then there exists a  
dispute between  
Rambam and Raavad

what is the violation if  
one kisses a woman  
who is a Niddah . Is the  
violation meduraisah  
Biblical or  
Medarabonen  
Rabbinical. If we rule  
like the Raavad that the  
kissing and hugging a

Nidah is Rabbinical  
then in the case of  
Spotting where there  
exists a sofek a doubt  
perhaps the pregnant  
woman who spotted  
really did not see  
“ blood of Nidah” since  
a pregnant woman

during her pregnancy  
does not have her  
period. Thus we have a  
double doubt [1]  
perhaps the spotting is  
nothing [2] according  
to which authority is  
the halacha the  
practical ruling

according to Rambam  
or Raavad. Since it is  
ashas hadhak a  
situation that causes  
great stress and is akin  
to an emergency [1]  
the woman is ill can not  
go to the Mikvah and  
[2]requiring the couple

to have no physical contact until the baby is born and then wait until she passes the period of time a woman who gives birth must wait until she goes to the Mikvah

and then go to the  
Mikvah –

Rav Moshe Feinstein  
ruled that the couple  
not have relations but  
permitted them to hug  
and kiss.

not have relations but permitted them to hug and kiss.

[2] circumcision  
premie

Question

Premie male was born to six months.

Physicians warn that

circumcision a 8<sup>th</sup> day  
can place the infant in  
danger since he is  
enimic and he may  
bleed excessively.

Response by Rav

Moshe Feinstein

No circumcision.

Even if there exists 1  
fraction of 1 percent  
that endanger the  
health of the infant we  
will violate all laws of  
the Torah. “Pekuach  
nefesh doche kol  
hatorah kulo. Saving of  
life trumps all laws”

[3] Question Entebbe  
rescuers were Israeli  
soldiers not religious.

Rav Moshe Feinstein

When it comes to  
saving life we only look  
to see that the soldiers  
be competent and  
experts and

experienced in this assignment. We do not examine the if they are wearing tzitis. They are exempt from all religious observances when they are engaged in their operation.  
Hoesek bemitzvoh

potur memitzvoh  
acheret . One who is  
performing a mitzvah is  
excused from  
performing any other  
mitzvoh. Plus the over  
riding law “saving of life  
trumps when you  
engage a physician you

should only be  
concerned that the  
doctor is competent.  
Not if he is religious or  
not if we do not inquire  
about his religion race  
color gender or  
national religion.

[4] The Chazan Ish permitted a surgeon who was operationg on Shabbot Yom Kippor to smoke if smoking was necessary to quiten his nerves so he could focus on the operation.

[5] The Cazan Ish

permitted a mother to cook on Sabbot for her sick child when she negligently forgot to prepare the mael before Shabbot.

[6] Rav Moshe Feinstein mandates that everyone be

armed in Eretz Yisroel  
in order to be able to  
defend oneself from  
terrorists. Everone  
includes women as  
well as men children as  
well as adults. One is  
not permitted to  
remain and be present

in a place that is dangerous without weapons to defend oneself. If one is killed because he/she fails to heed to this ruling God will not save them. God helps those who help themselves. No one is

permitted to rely on miracles.

[7] The land of Israel is a refuge against an Anti-Semitic world. It is totally irrelevant if we are living at the dawn of the Messianic era or not. Israel is a refuge

for all Jews. The laws  
of the Torah” pikuach  
nefesh doche kol  
hatorah kulo  
preservation  
safeguarding of life  
trumps all laws” apply.  
We can violate all laws

to save and safeguard  
Jewish life.

[8] We will give the  
Palestinians nothing.

We will offer nothing to  
all the nations of the  
world who use the  
“morality card” to  
accommodate the

Arabs at the expense  
of Jewish lives and  
relinquishing our  
sovereignty from parts  
of Israel.

We will not offer one  
centimeter of Israel  
which really means

placing Jewish lives in jeopardy .

Even if there exists a fraction of one percent of placing Jewish lives in jeopardy we will not agree. That is the cardinal principle of

Judaism. “Life trumps  
all laws. ”

[9] Rav Moshe  
Feinstein supports my  
annulments He  
explicitly told me that.

[10 ]Rav Moshe  
Feinstein supports the  
ruling of Rav Shlome

Goren when he supported the annulment of the marriage of a woman and thereby saved the offspring from a new marriage from the taint of mamzarut illegitimacy. This was d

based on the ruling of the Meharsham. Rav Moshe Feinstein agreed 100 % with the ruling.

[11] Once I questioned the decision of fact that Rav Moshe Feinstein made.

Rav Moshe Feinstein  
exclaimed. “What I  
have done I possess the  
authority of God .”

[12] He was so certain  
in his rulings and  
personal decisions that  
he was guided by God  
Himself.

His personal  
confidence  
overpowered all  
opposition .
