425. For laws of
capital punishment.
Capital punishment

has not been
practiced by the
Sanhedrin the
Supreme Jewish
Court since 205 BCE
40 years before the
Second Temple was
destroyed. The
Temple was

destroyed 165 years
before the birth of
Jesus. I have written 5
books of Chronology
of Jewish history
Creation to the
destruction of the
Second Temple. I
prove that the libel

that Jews were in any way connected with the crucifixion is a libel. At the time of the crucifixion the year 30 or 31 Rome forbade any Jews from Jerusalem at the pain of death. Jesus

was crucified by the Romans. There was no Jew present not the least a mob of Jews who threatened that they would riot if Jesus was not executed. No historian at the time

that Jesus is
supposed to have
lived mentions Jesus.
The whole story of a
trial and crucifixion is
fiction the invention
of the Church to
blame Jews and make
them worthy of being

robbed raped
expelled and killed .

IGNORANCE OF THE LAW

There exists no
excuse of ignorance
of the law that one
did not know that it is
a crime to murder.

One should have
learned. These are
universal laws of
civilization. Rambam
Laws of Kings
Rambam laws
Safeguard human life
and murder. Judaism
does not proselyte No

non Jew is forced to accept Jewish rituals . However any human not observing humanitarian laws is subject to punishment. Otherwise no society can function. Anyone

who incites to murder
should be killed. Any
one who supports
murder should be
expelled or
imprisoned. To
mandate equal rights
for Palestinians that
would ultimately see

the end of a Jewish
state in Israel is
stupidity and suicide.
It is one trillion %
forbidden. Pekuach

Preservation of life
trumps all laws even

being a democracy.
Israel should annex all
of Judea Shomron as
it has Golan Heights
and East Jerusalem
Palestinians can have
all rights except to
vote for the Knesset
and legally abuse

democracy to destroy
Jews' right to a Jewish
state. Israel should
not be lured and slide
down the slippery
slope of suicide. Life
belonges only to God
no man/woman can
commit suicide .

Rambam

preservation of life
and murder 1:2 .

There exists a new
insanity. Freedom of
choice to die with
dignity . Many
European countries
and several USA

States have legalized
suicide assistance .
Just like the Supreme
Court legalized
murder of unborn
babies this new crime
is slowly becoming
normal. Same sex
marriages are legal in

Tobacco companies
are suing in Supreme
Court to stop... The
regulations
mandating them to
portray on the
package of cigarretts
that smoking is
addictive and causes

cancer and heart
disease.

An Appeal Court for
the District of
Washington DC held
with the Tobacco
Companies that the
regulations were an
invasion of their 1st

Amendment rights.
Now the case is
before the Supreme
Court if they can be
forced at all-
regardless of the size
and content of the
warning -to expose
on their packages the

consequences of
smoking.

At this writing it is
illegal in all states of
the USA to sell drugs
other than marijanna
for medical purposes
and in some states
for recreational

purposes. It is also
illegal to have
gambling and
prostitution again
other in some state
or states where it is
legal. Is someone in a
state where abortions
gambling and

prostitution are illegal
permitted to
advertise in a
newspaper radio or
TV the name and
address of clinics of
abortion houses of
gambling and
prostitution ? All

these issues have
not been decided by
the Supreme Court.
With a new Court
under trump we can
expect some more
conservative
decisions throwing
these cases to the

States for decision
rather than forcing
everyone to one
view.

Can someone argue
that their first
amendment rights
are being curtailed?
Can TV stations and

public libraries air X
rated films that have
raw sexual
intercourse ? This
latest issue has been
decided by the
Supreme Court
making it illegal to air
the shows during

hours that minors
under 18 are awake.
Libraries must install
filters for all under
18.

Jewish law is very
clear forbidding all
these activities.

European countries
with being
accessories to the
crime of felony
murder of all Jews
murdered and injured
by the Palestinians.
These countries that
