vis a vis

MidEastern Mystery Religions

All MidEastern Mystery Religions have the following generic framework.

[1] There exist a father god.

[2] The father god get a mortal married virgin pregnant.

[3] After 9 months in the womb a half man half god I born.

[4] The birth occurs last week of December .

[5] The birth is heralded by wise men who predict or prophesize.

that the Messiah will
be born.

[6] In celebration an
evergreen tree is used .
gifts are distributed.

And a feast is
proclaimed.

[7] This half man half
god grows up.He

preaches morality and exposes all corruption of the ruling class.

[8] The elite fearful of the challenge to their hegemony of power bring the half man half god up on criminal charges.

[9] He is found guilty.

[10] He is crucified or buried alive or tied between two trees.

When the trees are let loose, the half man half god is torn apart.

[11] He is dead for three days. During this

period he is in
purgatory .

[12] after 3 days he is
resurrected .

[13] He flies to heaven
to join a pantheon of
gods and goddesses.

[14] All who accept
this half man half god

the son as god together
with the father and
the holy ghost will
achieve eternity in the
world to come.

[15] To become part of
the son father and
holy ghost one must
partake of their body

and blood. This is accomplished by eating a piece of bread or a cracker and sipping wine that has been blessed with a special formula that magically transforms them to the body and blood of the

son. Some special verses are also recited by the recipient in the ceremony of communion.

Christians who have a similar ceremony call communion Eucharist or Transubstantiation.

Problems

[1] If there exists three separate gods each one has his own mind.

What one thinks and decides could very well be in conflict with the other .

[2] If that is the case there would exist many conflicting laws governing the Universe.

[3] There would be wars of the gods.

[4] The universe would explode.

[5] Since that has
never occurred

[6] Scientists have
concluded that there
exists a unified system.

[7] Then it follows that
there is but

One God
not multiples gods

who guide the universe.

[8] All mystery religions celebrate the death of the son . The crucifixion is portrayed as a form of atonement for man kind to forgive the sin of Adam and

Eve eating from the tree of wisdom.

Problem

In my book 129

I already described the problems. I am not going to repeat.

[9] As long as a religion does not attempt to

merge their faith with
Judaism one does not
have to

SQUARE

their new faith

AND NOT STUMBLE

with objections from
Judaism.

Once Christianity merges and claims to be a successor to Judaism it fails when the main critical tenets of the Trinity collide with critical foundations of Judaism.

[10]The most critical problem is the very concept of the Trinity.

[11]A fundamental pillar in Judaism is the first Commandment

“You shall have no other gods ”

At Mount Sinai God
exhorted

God can not be seen
God can not be
experienced with any
other of the senses
other than be heard.

God is a pure entity;
not a compound.

[12] This point is the dividing line between Judaism and all other religions that have the generic ingredients of a Father Son and Holy Ghost.

[13] Judaism teaches that each person is

responsible for his/her deeds or inactions.

[13] If Adam and Eve sinned God should have stricken them dead .

God should have created another Adam and Eve.

[14] Why does god
have to wait centuries
and have his son be
crucified for the sins of
Adam and Eve?

[15] Furthermore,
Adam and Eve were not
given a trial. The Angels

should have been
involved.

One of the Angels
should have served as a
defense attorney
another as the
prosecutor. Other
Angels should have
served as the jury. God

should have been the
judge. There was no
trial. What kind of
justice is displayed?
This is the best defense
for Adam and Eve.
Since their Fifth and
Fourteenth
Amendment rights of

the USA Constitution
were violated they can
not be prosecuted.
Therefore they can not
be found guilty.
Therefore there exits
no need for Jesus to be
crucified since Adam
and Eve are not guilty.

The truth is that God is an honest judge. What is evil is the way God has been painted by all the Trinitarian religions. It is not God who is at fault ;but the stubbornness of all who profess to talk in the

name of Trinitarian
religions to oppose
changing their
narrative.

**GOD EXISTS AS A PURE
UNITY
NOT A COMPOUND
OF
FATHER**

SON

HOLY GHOST.

[15] At the great deluge
all of mankind were
drowned with the
exception of Noah and
his family. They were
deemed righteous.

If that is the case then
it was not necessary for
the Son to be crucified.
All the wicked and their
offspring were
drowned.

[16] Judaism when it
discusses atonement

for sins always presents
a sinner who is alive.

When Abraham wanted
to save the inhabitants
of Sedom and Gemarah
they were alive. They
had sinned.

[17] Jonah was
dispatched by God to

warn the inhabitants of Ninveh that they all would be destroyed after 40 days if they did not repent of their sins. They repented and were saved.

[18] In contrast all the Trinitarian religions

have a son god become
the scapegoat for sins
of Adam and Eve who
lived thousands of
years earlier.

**THIS NEGATES
COMMON SENSE.**

**GOD GAVE MAN
COMMON SENSE TO**

JUDGE IF WHAT OTHER
MEN PORTRAY GOD
MAKES SENSE.

IF NOT IT IS

MAN WHO IS WRONG .

MAN THEN IS

MANDATED TO

RETURN TO THE

DRAWING BOARD AND

PRODUCE A NARRATIVE
THAT MAKES SENSE.

IT IS TRUE THAT MAN
CAN NOT FATHOM
GOD.

NEITHER CAN THOSE
MEN WHO PURPORT
TO KNOW EVERY
THING ABOUT GOD.

THE TEST IS DOES THE
NARRATIVE MAKE
SENSE???

IF NOT

THIS IS NOT

WHAT GOD IS ALL
ABOUT.

[19] All these points
divide and are a badge

of the fundamental differences between Judaism and Trinitarian religions.

Judaism believes that by definition God can never be born or die. Otherwise He is not God. God can never be

seen . This is an other
dividing line between
Judaism and the
Trinitarian religions.

[19] The Bible detests
human sacrifices. God
does not let Abraham
sacrifice Isaac. Yes, he
orders him to bring

Isaac as a sacrifice.

However at the last moment God forbids

Abraham to sacrifice Isaac .

Why would then God have the Son offer himself as a human sacrifice?

[20] Judaism
substitutes prayer for
sacrifice. God could
have had the Son
pray. No need to be
crucified.

It is the opinion of
many Bible critics of
the New Testament

that the real reason
that Christianity
adopted all the generic
tenets of the Mystery
Religions is because
Christianity was hungry
and thirsty for new
votaries . Therefore
they made it easy for a

pagan to become a
Christian. Christianity
only substituted the
name of the son to
Jesus.

The setting was
substituted to
Jerusalem.

The New Testament is a mixture of the moral ethical teachings of the Jewish Talmud with the pagan tenets of the Mid Eastern Mystery religions.

What I am writing is the position of people

who do not accept the Trinitarian beliefs.

For one who is born a Christian there exists centuries since 500 ACE of belief in the theology of the Trinity. For the believer It is a sacred belief and no

one can question its authenticity.

To the believing Christian all the doctrines of the Trinity are real.

It is not my desire to be disrespectful of the cherished beliefs of

Christians. I apologize if
in my discussion and
presenting the Jewish
viewpoint I may have
hurt the feelings of
believing Christians.
The Jewish position is
one of accepting the

right of any one not
Jewish

TO BELIEVE IN
ACCORDANCE
WITH HIS/HER
ELECTION.

WE BELIEVE THAT AS
LONG AS AN
INDIVIDUAL IS A GOOD

CITIZEN AND OBSERVES
ALL LAWS OF HIS/HER
COUNTRY STATE CITY
CIVIL
BUSINESS
MARRIAGE DIVORCE
ANNULMENTS
CRIMINAL AND ALL

OTHER LAWS THEY
WILL GO TO HEAVEN.

Non Jews whose
parents did not
experience Revelation
at Mount Sinai 3500
years ago are
blameless if they accept
a compound theology

of God Father Son and
Holy Ghost. OR ANY
OTHER THEOLOGY

Jews whose fore
parents stood at Mount
Sinai 3500 years ago
received Revelation .
Jews must believe in
pure Monotheism of

God AND OBSERVE ALL
THE LAWS OF THE
TORAH.

SEQUEL ROMAN
CATHOLIC AND
PROTESTANT
CHURCHES MUST BE
JUDGED BY AMERICAN
CONSTITUTION
JUDGING THEM BY
STANDARDS OK IN

THEIR MILEAU IS
MORALLY CORRUPT.

THERE EXISTS NO
REASON THAT THEY
SHULD BE GIVEN A
FREE PASS.

ACCORDING TO USA
LAW ALL CONTRACTS
ENTERED IN WITH THE

CHURCHES ARE NULL
AND VOID.

BECAUSE OF THE 1000
YEARS DARK AGES THE
PARTIES WHO

entered into the
contracts were not
aware of the contents.

They were kept in the dark.

They were forcefully kept away from investigating the contents if it was good or bad for them. Therefore all contracts are void.

Reason fraud and coercion exists.

All the leaders are guilty of felony murder.

In an American court they would have been tried on murder and felony murder.

Contrary what they

practiced their 5th and
14th constitution rights
would be guaranteed.

The moral to all my
writing is that there
must be enforced with
all vigor the separation
of religion and state.

We will never see
religion change its
thousands of years
prejudices and biases.
Only if religion does not
have coercive powers
can all men remain
free.

Only when there exists a separation as the Atlantic Ocean separates America from Europe can democracy and freedom of religion- the First Amendment remain alive.

Separation of religion
and State is an
existential battle of life
and death.

They were the only humans on the planet.

They had sex . so what is the big deal if they were naked?

This is great wisdom?

Why would God want Adam and Eve not to have wisdom?

Did God want to institute the dark ages later instituted by the Church for 1000 years ?

Jesus during his time on earth as a practicing Jew. Only later does the Church claim that

Jewish law was
abrogated.

Jewish law prohibits
under penalty of ever
lasting damnation one
to sacrifice his life to
save another. Sons
/daughters are not to
die for the sins of their

fathers. Fathers are not to die for the sins of their sons/daughters.

So why would Jesus die for the sins of Adam and Eve? This was against Jewish Law.

From all of the above it is clear that the whole

crucifixion story is alien to anything Jewish.

It is an adaptation from the Eastern Mystery religions.

This story is grafted on a Jew by the name of Jesus who was crucified by the Romans. His

crime written by the
Roman on his forehead
that he represented
himself as the king of
the Jews. He was a
rebel rouser
threatening to revolt
against Rome.

This is precisely
what the Ebyonim
claimed all along .
Furthermore, the
Torah mountains in the
Medrish on Beraishis
that God first created
the Torah . The Torah

served as the blue print
to create the world.

God observes what is
written in the Torah .

In the Torah it is
written” lifnei iver lo
siten michshol. Before
a blind person one is
forbidden to place an

obstacle that the blind person can fall.”

God was very well aware that the tree of wisdom was a safety hazard. As such God should have fenced off the tree of wisdom that

Adam and Eve should not get hurt.

God contributed to the sin of Adam and Eve. This is an other defense.

Furthermore, Jewish law mandates that a sinner be warned at the

time that one is
committing a sin.

Unless one is warned at
the point before
committing a sin or a
crime the defendant
can not be executed.

Neither Eve nor Adam
were warned. This

warning is mandated in
order that there exist

MENS REA

and

ACTUS REUS.

Since there was no
warning There lacked

the pre- conditions for conviction.

If that is the case there was no place for Adam and Eve to be punished. If that is the case there was lacking an essential element for the make up of a

sin. Therefore there was no need for any forgiveness and for Jesus to die on the cross.

I can go on and on.

**I WILL REST MY CASE
AT THIS POINT. I WILL**

LET THE JURY THE
READERS DECIDE

I have the greatest
respect for Christianity
Islam Hinduism a
Budhisim and all other
religions.

All my comments
what I have written are
not meant to find fault
with other religions.
They all are meant to
defend Judaism.
Theological issues
Christianity has been

dealing with for the last
1700 years.

[1] If Jesus is God how
come he was first born
2019 years ago? The
world is in existence
since 5719 years.

Where was Jesus all
these years?

[2] If He was in existence all the time for eternity before creation why was it necessary for Jesus to undergo the travail of having developed from a spiritual seed for nine months in Mary's

womb and then being born?

[3] God is capable of doing any thing. He could have transformed himself into a human being?

[4] If Jesus the Son God the Father and

the Holy Ghost are separate and distinct. Then it is possible that they should differ in many areas. If that is the case there would exist chaos in the universe.

[5] Also if Jesus while he was in Mary's womb was incapable of taking any action then the universe would revert to chaos . The Universe can not exist exist a fraction of a second without the total

providence of God . If there would exist any disfunction with God the Universe would be destroyed . Since the Universe once created by God never was destroyed, it follows that there

NEVER EXISTED A
FRCTION OF A SECOND
WITH OUT Providence.
Providence always
existed.

[6] When Jesus was
crucified He was dead
Three days. During the

time he was dead He
was unable to exercise
His role. Wouldn't then
the universe turn to
Chaos? The world
would cease existing if
God would not exist
FOR A FRACTION OF A
SECOND SINCE THE

WORLD NEVER CEASED
EXISTING IT FOLLOWS
THAT THE WHOLE
STORY OF JESUS BEING
IN MARY'S WOMB AND
WHEN CRUCIFIED
BEING DEAD FOR
THREE DAYS IS NO
MORE THAN A

CARBON COPY OF THE THEOLOGY OF THE MID EASTERN MYSTERY RELIGIONS.

[7] Jesus with His
crucifixion cured the sin
of Adam. Adam's
punishment was death.
The cure should have

been all votaries of
Christ should live for
ever in this world.

However no Christian
has lived for ever. Why
not?

[8]Not even Jesus
himself when
resurrected came back

to life in this world.

Why not?

[9] Judaism celebrates life. All laws are trumped to save any human life. Why does Christianity celebrate death-the Crucifixion?

[9] To avoid explaining Christianity hides under the mantle of a mystery of God. Why?

[10] Is it wrong to state that all the mysteries are really an excuse for the reality that

Christianity is a carbon copy of the

Mid Eastern Mystery religions ? Christianity copied from them every thing they espoused .

Then grafted this theology with the Old

Testament. In that way they conveniently claim they are a succession to Judaism.

In order to claim legitimacy they hide every difficult question that makes no common sense like God

is three and yet is One.
They claim this is a
mystery of God. Thus
avoiding to explain an
embarrassing
contradiction of terms.
If God is three then He
can never be One. All
embarrassing questions

that defy human
common sense are
placed under the
blanket of “ God’s
mystery”

This proved successful
for 1700 years . They
gave their theology
the protection of the

Gospel- the very Holy word of God Himself.

The Church is the vicar of Christ God . They are the only living channel for the transmission of the TRUTH. The Pope and Cardinals possess Divine inspiration.

They never err. They are error proof. One who questions their authority when the Church possessed power was condemned to be burned alive at the stake .

WOULD THE Church
ever gain power again
they would burn at the
stake any one who
questions their
authority.

For CATHOLICS LIVING
IN THE YEAR 2019

THE AUTHORITY OF
THE POPE AND
CARDINALS IS TRUE.

They do not question
the origin of the
theological positions of
the Church.

For Catholics the origin
and similarities with

pagan practices do not
make a difference.

Christians have a
right to believe what
ever they elect. It is not
our business.

*Jews believe
that our 4000*

*years tradition
and religion is
the truth.*

*Millions of our
fore parents
stood at Mount*

*Sinia 3400
years ago and
received all our
Torah from
God. Judaism is
not based on*

*here say
evidence like
Christianity
from one
person Paul or*

Islam from Mohammad.
