

Christian Churches for the last 1500 years have set as a primary goal the conversion of Jews. Only lately has the Roman Catholic Church under the guidance of Pope Benedict ceased officially to dedicate funds for the conversion of Jews. Yes, individuals on their own can enlighten Jews about Jesus but it no longer is Church policy to engage in converting

Jews. Protestant Churches on the other hand still maintain as primary policy the conversion of Jews.

Why?

Did the Churches for the last 1500 years exhibit such dedication in uprooting the violation of the Ten Commandments?

Will Durant the great author of history of Civilizations writes

There does not exist one year that “legal robbery rape and murder” translated as wars for conquest did not exist since the Christian Church won recognition by Constantine in the year 325 ACE.

Thou shall not kill

Thou shall not commit adultery

Thou shall not steal

Thou shall not commit perjury

If someone strikes you on one cheek give him the other cheek

Christianity is the religion of love

Peace on earth good will for all men

The State supported by the Church for 1500 years practice the direct opposite.

There exists a gigantic divide between preaching and practice.

The attitude and policy

vis a vis

Jews

represents what the Church
and the State the Civil
authorities practice toward
everyone else who is not their
immediate group.

They rape rob and murder
every one who is not part of
their group.

Why should they treat the Jew any better?

Furthermore, the Jew presents a threat to their

over riding mission of retaining power and wealth.

Missionary work is not the end but the means of the real mission of retaining power and wealth.

As long as the Jew maintains Judaism the Jew presents a threat to their status quo.

Others learn from the Jew to challenge the interpretation of God's word the Gospel.

Heresies arise because they learn from the Jew.

The Jew makes a better case to sell his theology than any representative of the Church.

What does one do when a competitor's product is better?

How do you get rid of the competition ?

Of course, you follow the example of the Biblical Cain.

You kill your competitor.

Or else you destroy his merchandise.

That is why the policy of the Church for the last 1500 years and even today in 2020

vis a vis Jews is to rape rob kill
Jews the messenger of Judaism.
You can not kill ideas but if you
kill the messenger there will
exist no ideas.

That is why for the last 1500
years the Christian Churches
are hell bound to convert Jews.
That is why they hate the state
of the Jew. That is why they
embrace the Palestinians.

The Palestinians are groomed to replace the State of the Jew. For 1500 years the Church preached that Jews lost their independence and the Temple was destroyed because they refuse to accept Jesus that to their mind they equate as tantamount of crucifying him. Now out of the clear blue sky a Jewish state is reestablished!!!

All their 1500 year theology goes down the tubes.

Yes there exists hope.

Create the Palestinian card.

The Palestinian card serves the same purpose as Christianity replaces Judaism. So too the Palestinians will replace the Jew and his state.

Stage 1 they advocate two states.
