

Stage 2 The Palestinians will
destroy the Jew's state.

Thus replacement theology will
be proven true.

Judaism on the other hand
has no fears.

Judaism recognizes that non
Jews are permitted to believe
in God the father Jesus the Son
and the Holy Ghost.

Judaism recognizes that
Trinitarians inherit heaven

merit eternity providing they
also observes the Seven
Nohadic Principles :

[1]Belief in God[one is free to
view God according to his
creed]

[2] not to
Steal

[3]not to commit adultery or
rape

[4] not to murder

A subset of all three is not to
commit perjury

[5] Enacting legislation

[6] Enforcing the laws with
police and army.

[7] not to be cruel to animals

All these principles are
translated

being a law abiding citizen.

Thus Judaism in words, as well as, deeds emphasizes as critical the observance of the Ten Commandments.

There does not exist any divide between

Words and Deeds with the practitioners and leaders of Judaism as exist for the past 1500 years in the ranks of the Europeans leaders who are backed by leaders of the

Roman Catholic and Protestant Churches. The Church preaches the Divine rights of kings. For themselves they are the vicars of Christ. They are the only ones who possess the oracle of truth. Every word they utter is infallible.

Since 1965 after 1500 years the Roman Catholic Church under the influence of Jews who converted and become

Bishops and Cardinals- rescind the blood libel that all Jews who do not accept Jesus are guilty of Deicide.

In 2019 under the guidance of Pope Benedict the Catholic Church no longer supports missionary work to convert Jews. Although they still fail to recognize that one whose faith is Judaism merits eternity. They still maintain that God in His

good time will decide when to force all Jews to convert to the Trinity.

Judaism never maintains that they are the only channel to attain eternity and merit life beyond the grave. Judaism recognizes that there exist multiple ladders to the truth and to God.

In many centuries during the last 1500 years the majority of Jews are forced to settle in Muslim controlled countries. Jews are forbidden to compete with Christians in all trades crafts and farming. They are only permitted to be money lenders and charge interest.

This means that only Jews possessing great wealth -having sufficient money to trade in

currency can make a living. All others are forced to leave. Otherwise they will starve.

Thus with out officially exiling Jews , they are forced to leave otherwise they will starve.

That is one way to keep the number of Jews and Jewish influence low.

Muslim countries had no such laws. They did not fear Jewish influence since Islam and

Judaism are very close in theology as well as many rituals civil marriage and criminal laws.

As a matter of fact when the Muslims conquer North Africa and half of Spain the native Christians thought the Muslim conquerors were Jews. They cried that the Jews returned to take vengeance for all the

crimes perpetrated against their Jewish residents .

The honest observer can see that the Hand of Providence exits in history.

[1] Constantine the Roman Emperor empowers the Roman Catholic Church in 325 ACE as the official religion of the Roman empire.

[2] The Roman Catholic Church becomes all powerful

and relegates to itself imperial designs. She sets her sights in conquering the whole world .

[3] She uses all the power of the Roman State to crush any opposition.

Jews are threatened with extinction.

[4] At that instant God steps in.

What does He do?

[5] God plants ideas in the heads of the Barbarians to

attack and cripple the Roman Empire.

[6] God plants ideas in the heads of the Eastern part of the Empire to split from the western.

[7] God plants ideas in the heads the Greek Orthodox Church to split from The Roman Catholic Church.

[8] God has Mohammad appear on the scene 625 ACE and create Islam.

[9] God places ideas in Mohammad Muslim theologians and other leaders to accept many of Jewish laws in the Talmud.

Islam is vey close to Judaism . Both share similar concept of Monotheism the laws of

marriage divorce business
criminal laws .

[10] God plants ideas in
Mohammad Musilm
theologians and leaders to
accept the theology of the
Ebyonim .

The Ebyonim are a Jewish sect
that deny all the basic creed of
the Trinity. They deny that
Jesus is the Son and God is the
father and the Holy Ghost.

They deny the immaculate conception.

Jesus' mission is to raise an army to defeat the Romans and liberate the Jews from the Romans . Jesus fails as did

the Jews who rise up to revolt against Rome . They lose and the Second Temple is burned 96 years before Jesus is born.

Bar Kochvo's uprising against Rome also fails 60 year after

the destruction of the second Temple 36 years before the birth of Jesus .

The Muslims adopt the faith of the Ebyonim who observe all Jewish laws. Thus Islam and Judaism are very close.

[11]The Muslims conquer the Middle East North Africa half of Spain and parts of Greece .

[12] Rome does not control the Kingdoms of Russia and

Poland. These kingdoms extend freedom of religion and equal rights to all citizens non Jews ,as well as. Jews

[13] Thus the above historical events weaken if not cripple the missionary imperial designs of the Roman Catholic Church.

[14] The Muslim empire opens up a safe haven for all especially the Jews who are

persecuted by the Roman Catholic Church .

[15] In the year s 800-900 the Franks in France embrace Roman Catholicism .

For a period of 100 years Jews are protected by the Kings to practice Judaism .

New Kings arise who give the Church a free hand. Jews are persecuted . Their children are snatched and forced to attend

Church and violate all Jewish rituals. The Jews find refuge in Muslim controlled land as well as in Russia Poland. Thus the hand of God Providence is clearly visible for one honestly searching.

[16] In 1185 Greek Orthodox slaughter tens if not hundreds of thousands Roman Catholic men women old people infants.

[17] In 1210 Roman Catholics repay in kind and murder equal number Greek Orthodox men women aged children.

[18] In all these wars not one Jew is harmed. Jews were exiled a long time before. The Christians feared their influence. The Jews went to Muslim controlled lands .

The Hand of God is visible for one who is honest and looks.

[19] The Jew is exiled and
driven out from England 1290

France and Germany 1300

Spain 1492

Portugal 1497

[20] When Protestants and
Catholics butcher hundreds of
thousands if not millions of
fellow Christians Jews escape
harm. Why?

Reason

Europe is Juden rein free of
Jews .

Jews are driven out before.
They find refuge in Muslim
controlled lands and in Russia
Poland.

AGAIN ONE NOT BLIND AND
HONEST WILL NOT ATTRIBUTE
THE SALVATION TO FREAK
CHANCE BUT TO PROVIDENCE
OF GOD.

[21] In 1492 Columbus sets out to find a new route to India.

Instead he discovers the Americas.

[22] When persecution of Jews begins in Russia Poland in 1700 1800 Jews find sanctuary in the New World- North Central and South America as well in Australia and New Zealand as well as in Muslim

Countries . Again the discovery of the Americas Australia New Zealand is the Providence of God in order to enable the future salvation of the Jew.

[23] Czar Nicholas II is a bitter anti Semite He vowed to have the 5 million Jews in Russia 1/3 convert 1/3 killed 1/3 exiled. Over 2 million Jews emigrated to North Central

South America South Africa
Australia Eretz Yisroel.

[24] Czar Nicholas II enters the First World War. He suspects that the Jews of Poland - that belonged to Russia - who reside near Germany are betraying Russia since both speak a similar language Yiddish and German. He orders entire Jewish communities to be forcefully exiled to Siberia. 25

years later 1940 when the Nazis invade Poland these Jews are saved from extermination at the hands of the Nazis. Again we see the Hand of God . Only one blind can not sense this.

[25] In 1934 Hitler rescinds the citizenships of all German Jews. All professionals are kicked out. German Jews are thus forced to go to other countries otherwise they will starve.

When the Germans begin the holocaust the majority of German Jews escape getting killed. One not blind can see clearly the Hand of God. This is not blind chance.

[26] God makes Hitler be blinded by his own hatred and believes his own propaganda. Hitler Kicks out all Jewish Scientists They go to the USA. They help discover the atom

neutron and hydrogen bomb and other discoveries that help the Allies win the war.

[27] God Blinds Hitler. He invades Russia in August 1941. He wants to destroy Jewish communism. Hitler instead of focusing defeating England and then take on Russia has no patience. Hitler now fights on two fronts. Against Russia and against England in Africa .

[28] God plants ideas in the heads of the Japanese to attack Pearl Harbor

December 7, 1941. The USA enters declares War against Japan and Germany. Would the Japanese not attack Pearl harbor the USA would not have entered the war. There possibly could have been an other outcome. We will never know. Would Hitler have won

all 18 million Jews not 6 million and 1 million children would have been killed.

True we still question where was God during the holocaust? Why did HE permit six million Jews and one million Jewish children to be killed?

Why did God permit almost 100 million humans not Jews to be killed with Hitler and before and after Hitler all

humans who starved to death
or were shot during the
Russian and Chinese
experiments with their
populations to establish
Communism ?

However one not blind can
sense and see the hand of
Providence.

Earlier in this book I indicated
“Perhaps ????? all plagues and
natural disasters are Divine
reckoning payback punishment
for the criminal behavior of
Europeans toward Jews.”

I want to elaborate and be
more accurate than what I
wrote earlier.

Certainly, after suffering for millenniums and being the punching bag those individuals and nations that perpetrated the crimes against other humans and Jews deserve punishment from God. Otherwise , where is God? Does God exist?

DEFINITELY TRUE

**God rewards good deeds and
punishes criminal behavior.**

However humans can not fathom the Essence of God. Humans can not fathom the mind of God or his schedule

First of all non Jewish humans who suffered and were victimized , as well as, Jews also die like the rest of the population. No human knows the mind of God.

Rambam Laws of Kings
Chapter 11 uncensored edition.

Rambam states that it is God's Will that Christianity and Islam succeed even though they differ from what Jews believe that Judaism is the true faith. The reason -no one can fathom God nor His thoughts. Neither can humans point a finger and state with definiteness that God is punishing or rewarding .

CERTAINLY God rewards and punishes all humans for their good deeds and crimes.

However no one can tell when or how????

It is because of what Rambam based on the Oral Law [the Talmud -later codified into the books of the Shulchan Aruch- given by God at Mount Sinai 3400 years ago] writes that Judaism believes there exist

many ladders to the Divine.

Neither Judaism nor any other religions have a monopoly to the truth.

Not that the truth is relative.

One can not preach that it is ok to rape rob kill commit perjury that they also have a right for their religion or philosophy of life.

No one has a right to force others to adopt or surrender

their own traditions religion
ideas or become a victim.

Just like one should not violate
an other; one is mandated to
fight to the death one seeking
to violate you. Only if the
aggressor knows that you will
knock out all their teeth ; or
they will end up six feet under
will they leave you alone. We
are living in a world where dog
eats dog. Only strength counts.

One must aim to be all powerful all smart in order to survive.

All must live in accordance with the Seven Noahic Principles.

[1] Belief in God .[according to ones creed]

[2] not to rob

[3] not to commit rape
adultery

[4] not to kill

Not to commit perjury is a subset in [2] [3] [4]

[5] establish legislation to put these principles into actual laws

[6] establish police and army to enforce these principles

[7] not cruel to animals

Each nation has the right to establish their laws in accordance with their culture

and needs. All laws must be equitable . They must not discriminate to any one on the basis of color of skin place of origin gender or religion or sexual orientation. This however does not mean approval of same sex marriages. Marriage is only between a born male and a born female. Trans genders can not disturb the above

definition. One can state that they are an angel or a demon as long as they do not impose their life style on others or disturb the social order.

We will grant them freedom to declare and live the life style they elect . However we will not create an other category of marriage to accommodate them.

Humans must seek natural remedies for every illness plague or natural calamity .

A cardinal doctrine in Judaism “PEKUACH NEFESH DOCHE KOL HATORAH Saving human life thrumts all laws”.One is forbidden to depend on miracles. Miracles rarely occur. One can not depend that they will happen. One must prepare for the

worst. One must trust no one but prepare what actions to take under the worst contingencies. Unless one does this they may not survive.

One reason that Talmudic scholars survive under the most oppressive Anti-Semitism is their GIGANTIC EGO.

THEY TAKE ALL PRECAUTIONS
TO COUNTER ALL
CONTINGENCIES .

NOT ALL ARE SUCCESSFUL.

IT BOILS DOWN TO SURVIVAL
OF THE FITTEST – THE
SMARTEST THE MOST FLEXIBLE
THE MOST PRAGMATIC.

THAT IS WHY JEWS HAVE THE
LARGEST NUMBER OF
WINNERS OF THE NOBEL PRIZE.
Jews living to day are the
descendants of the Jews who
are the

“ SURVIVAL OF THE FITTEST ”.
