CURES- Ego:

anti-semitism

dementia

Alzheimer

addictions

Jews as a people exist for over 3400 years since Abraham 1848 from Creation or 3840 years ago -ACE After Common Era .

Jewish history is marked with Anti-Semitism. What enables Jews to survive is their great knowledge of the Torah Talmud Codes of Jewish laws that in turn develops gigantic super egos.

All Jews –some more some less - have knowledge of the Torah Talmud aggadas –moral ethical writings- mysticism and codes of Jewish law. Such study help develop their super egos.

Study of Torah is enshrined as the most critical and important part of Judaism.

In all centuries the vernacular used by Jews is used to teach

Torah. In Eretz Yisroel ancient Palestine Aramiac as the Jerusalem Talmud .

In ancient Babylonia Hebrew as the Babylonian Talmud.

In Egypt and other Muslim countries Arabic . In Greece Greek. In Rome -Latin. Books written by Jewish scholars are written not in Hebrew but in the tongue of the Jews who are the intended readers. See

Babylonian Talmud Brochos
Tospos 3a d”h “ononen yehai
hai shmai hagodol mevoruch” -
-last line left side of page -
that the Kaddish -memorial
prayer -recited following the
study of Torah in the
synagogue is composed in
Aramaic and not Hebrew. The
reason is because the Jews
spoke and understood Aramaic
and not Hebrew. Rambam

wrote his books on philosophy and commentary on the Mishna in Arabic because the Jews did not know Hebrew only Arabic. Scholars in later generations translate his works to Hebrew.

The Talmud contains many words from different countries where Jews lived.

It is the super ego that Jews acquire as the result of the

study of the Torah that enables them to withstand all the persecutions visited upon them by an Anti-Semitic world.

They are robbed raped exiled and murdered but they persevere.

Jews can not afford the pleasure of addictions.

They will not last and survive long if they also have addictions.

Jews survive for the last 2000 years since Jewish independence in Israel is crushed by Rome 2000 years ago thanks to their love of the Torah. Anti Semites discover the secret for Jewish survival- the study of the Torah.

In many centuries they outlaw such study at the pain of death . They burn the Talmud together with the

Jews . They do the same to all books and the votaries of all competing religions . Popes in many centuries decree to burn the Talmud and commentaries . Hitler in 1936 burns all books authored by Jews. He dubb them Jewish math Jewish physics Jewish music Jewish medicine Jewish psychiatry Jewish psychology.

The new school of 3400 years psychotherapy analyzes historically the means that boosted the Jew's ego for the last 3400 years. It increases their ego and may help them escape dementia alzheimer and addictions . For some it helps in all areas. For others it may help in one area and not in an other. Others are

not helped at all. What ever it helps one has won.

It is my contention that the methods described in my book “Fountain of Youth” - not the study of the Talmud Aggaddah Responsa and Jewish Codes - but other means of boosting one’s ego – **may possibly** attain all or some of the goals- escape and immunity from dementia alzheimer and

addictions for Jews and non Jews.

As long as one continues with all medicine and therapy and does not abandon the medicine and procedures one is presently taking perhaps what I am proposing may help you. You have nothing to lose. Try it you may be happily surprised.

All my books are dedicated to Nira- my wife -the crown and jewel of my life. I owe all my learning to her dedication to my health and welfare. She is the greatest gift ever given to me-by G-d. May she and I together

with all our children and all our grandchildren and all of Israel and all humans all over the world regardless of race, religion, creed color or sex be blessed by G-d with life , peace and freedom from fear of any crime or terrorism with excellent health, make sufficient money to cover all their needs and live to the coming of the Messiah and then live for ever- as tradition teaches. As the ancient sage-the Tana Rav Akiva stated regarding his wife Rachael “all my learning I owe to her all my achievement is hers if it was not for her I would not have been here teaching and sharing my knowledge of Torah . All honors of Torah should be given to her” .

18 IN HEBREW -CHET AND YUD - OR CHAI -STANDS FOR LIFE

Life is the over riding and prime concern for Jews SINCE DAY 1 - 4000 YEARS AGO AND LIFE IS THE NUMBER 1 CONCERN FOR Jews today. Consequently we have to declare that all Jews regardless of their degree of observance or non observance are family. We are responsible for each other. WE MUST LOOK OUT FOR EACH OTHER’S WELFARE. We will leave it to G-d to judge each Jew’s religiosity. Our concern in this world must be primarily the physical well being of every Jew in the diaspora and in Israel. It is our sacred duty to ensure and guarantee Jewish unity. Only by banding together as a band of brothers and sisters will we be able to survive the anti Semitism that keep cropping up from every corner each year a new face and a new threat to our existence.

Life is the over riding and prime concern for Jews SINCE DAY 1 - 4000 YEARS AGO AND LIFE IS THE NUMBER 1 CONCERN FOR Jews today. Consequently we have to declare that all Jews regardless of their degree of observance or non observance are family. We are responsible for each other. WE MUST LOOK OUT FOR EACH OTHER'S WELFARE. We will leave it to G-d to judge each Jew's religiosity. Our concern in this world must be primarily the physical well being of every Jew in the diaspora and in Israel. It is our sacred duty to ensure and guarantee Jewish unity. Only by banding together as a band of brothers and sisters will we be able to survive the anti Semitism that keep cropping up from every corner each year a new face and a new threat to our existence. This task of survival is not a job for a lone ranger. We must enlist the combined efforts of the entire Jewish community. That means every Jew of what ever ideological bend and commitment he or she have.; or does not have. Lets face it the non Orthodox Reform and Conservatives or secular organizations like Bnai Brith , Anti Defamation , Jewish Committee and Jewish Congress or out reach organizations as Hillel Lubavitz Esh Daat- are all different expressions of Jews organizing among like minded individuals who share their religious degree of observance or lack of it. Many observant Jews have recognized this basic truth, that it is necessary to go to the grass roots of Jewish society- the individual Jew. Tsuvah movements have found a new frontier to spread Torah and Jewish identity. Lubavitz and other out reach programs have flown into this new frontier to help save Jews. However those Jews who belong to the Reform Conservatives and other non Orthodox groups can not be condemned and written off. WE MUST BEHAVE WITH COMPASSION UNDERSTANDING AND COMMON SENSES AND INTEGRITY TOWARD EVERY ONE. Let us appreciate and compliment every Jew or Jewess for the positive behavior and observance of even one MITZVOH BETWEEN MAN AND MAN AND MAN AND G-D . Let us encourage them to be more committed regarding the laws between man and man and man and G-d. Let us focus on what Jews do observe , rather than what they do not observe. Let us focus on the part of the cup that is full rather than the part of the cup that is empty. Yes, let us aim for the stars for ourselves , but appreciate the accomplishments of others even if they be only one inch. Let us behave toward each other as the gentle breeze in a warm

spring day and speak with a soft voice as G-d Revealed Himself to the prophets. Both the laws between man and man and man and G-d were given by G-d at Sinai 3400 years ago. See the prayer of Yiogdol at the beginning of the daily morning services and the 13 articles of faith-the anni mamins- recited at the end of the morning daily services. See Rambam Yesodei Hatorah 9,10,11 . See Rambam Mamrim 3:3 Chazon Ish Yoreh Dayoh 13:16 as cited by Rav Eliezer Waldenberg Hilchot Medinah 9 :4.

Loose and irresponsible talk and especially the written word in newspapers or in books or on the internet or on films- in documentaries that are slander and especially if they are inaccurate are libel that can not only cause monetary damages , but can cost the lives of many people. Thus a documentary was shown on Israeli television in 2007 that falsely claims that a certain unit of the Israeli army killed Egyptian prisoners of war in the 1967 war. This was false. The soldiers who were killed were engaged in battle all the time. They were Palestinian terrorists trained by Egypt. As a result of this documentary showing members of the Egyptian parliament screamed and demanded that Egypt end its peace treaty with Israel and declare war. The same was heard as Israel is excavating near the Western wall to discover archeological proof that the first and second temple existed to counter Arab lies that the Temples never existed and that Jews have no rights to the old city of Jerusalem. The Egyptian parliamentarians again threatened to declare war if Israel persist in their archeological digs. The Muslims claim that the Jews want to destroy the Muslim mosques and build the temple of their own that never existed before. . We show in Vol 3 chapter 19 that we do not possess any kohanim who can trace their ancestry to the Biblical Aaron and therefore we can never rebuild the temple before Elijah the prophet will return from heaven and the Messiah will come. At that time all mankind will acknowledge the right of Jews to rebuild the third temple. Not before the advent of the Messiah and the coming of Elijah the prophet can the temple be built since we do not know who are the real priests. -the kohanim Thus the running of such libelous documentary can cause war and cost the lives of thousands of Jews. .

Certainly when a man screams fire in a crowded movie theater and causes a panic and people are stampeded such person is guilty. There is no defense of free speech. Certainly in the case of the false documentary that was shown on Israeli television all the people involved should be criminally prosecuted.

The same is true with the history professor from Bar Ilan University, who published in Italian a research paper that resurrects the libelous canard of the blood libel against Jews. Under the same umbrella of the distortion and abuse of free speech is the documentary that reveals a different burial place for Jesus than the place designated by Christians . They also found the names of Mary

the mother of Jesus and Mary Magdelana who is claimed to be the wife of Jesus and Judah who is claimed to be the son of Jesus. . .Such a documentary caused great upheaval in the Christian world. Such revelation is heresy for Christian doctrine as taught for the last 1700 years since the Roman emperor Constantine decreed in 315 AD that the Trinitarian creed be the accepted state religion of Rome 1700 years ago.

What the documentary fails to indicate is that for the first 300-400 years of Christianity there existed rival groups who had their own version of the New Testament that differs on many theological doctrines and denies the doctrine of the trinity. See Gibbons The Triumph of of Christianity page 8. These rival groups could have buried different individuals in the vaults discovered 25 years ago in Jerusalem and written the names of Jesus Mary Mary Magdelana Judah and Mathew. They also had different versions of the New Testament that vindicated their doctrinairian positions . The Muslims in the year 650 adopted the doctrinairian position of the rival Christian groups . All people merit Olem Habo -the world to come. As long as they do not coerce others to observe their faith and observe the seven Nohadite principles of belief in G-d and do not violate the rights of other humans and are not cruel to animals and establish courts of law to enforce these laws they will merit olem habo -the world to come. See vol 3 chapter 19 See Talmud Sanehdrin 59 and 105; Rambam Melochim 8:10, 11 ;Bais Yoseph in Tur Yoreh Dayoh 147 and Ramo Yoreh Dayoh 147:3 ; Ramo Orech Chaim 156:1 - citing Ran end of first chaper of Talmud Avodo Zoro ; Rabbenyu Yeruchem nesiv 17; Tosphos first chaper Bechorot; see Levush Orech Chaim 156:1

Jews however are forbidden to accept an other faith and must be prepared to become martyrs rather than accept any religion other than the Written and Oral Law revealed by

G-d at Sinai 3400 years ago in front of millions of Jews. This law is today summarized in the four parts of the Shulchan Aruch. See a little further on in this introduction where I go into greater detail. See vol 1 chapter 34 for proof of the authenticity of our religion and vol 3 chapter 19 .. See responsa Radvaz and Rambam Yesodei Hatorah chapters 4, 5,6,7, 8, 9, 10 ;Yoreh Dayoh chapter 157:1 .

Certainly there exists no DNA that was taken 2000 years ago from the individuals involved. DNA did not exist then . All that was discovered was a burial plot and names that are found in the New Testament. Only Christians are the sole

authority about their religion. It is forbidden to get involved and present any new discovery that can foment and provoke ill blood for Jews. It is not our business . See my volume 3 of Responsa on Four Parts of the Shulchan Aruch. chapter 19. The entire Torah can be violated to save a human life. No place does it state that we are obligated to be stupid and reveal information that can even remotely possibly endanger human life. Why was it necessary to show the documentary on Israeli TV . ? What was gained from this ? Why isn't there censorship that forbids the airing of any material before it passes the military censor? Why can't universities have a code -a red line that if any professor publishes anything with out permission he is automatically dismissed? Why can't Israel department of archeology have a strict code barring the revelation of anything that can cause bad blood toward Israel and foment anti -Semitism. When ever one is in doubt, one must abstain from publication. Period . This is the red line that must not be violated.

A concerted information campaign must be launched to counter the propaganda of anti Semites ,who have launched a crusade to destroy the State of Israel and destroy the legitimacy of the Jewish claim to Eretz Yisroel. They do not take to task Hamas Hizbullah and Iran who swear to wipe Israel off the map and destroy all of the six and a half millions Jews in Israel and in the other millions in the rest of the world. These deniers of the holocaust want to create an other holocaust themselves. It is this very threat to Israel's existence that should occupy all of us , not the stupidities committed by Jews that I have discussed earlier. I have hesitated to print my book in order not to be divisive. However it is our mission and it is necessary to help agunot and free them from their imprisonment that I have undertaken this task. Plus the fact that other individuals have written information in my name that is not accurate. Thus I must correct the distortions. I certainly have the right to defend myself from distortions and libel and present the facts and Jewish laws accurately. I have edited my book literally one thousand times reviewing all my sources and finding new sources and reviewing the writings of those rabbis who oppose me. I have changed and modified my position. But I do not depart from my original thesis. See my 5 volumes. One can not comprehend and know my full position before reading all 5 volumes. What I AM BRIEF IN ONE AREA I ELABORATE IN AN OTHER AREA. I FOLLOW THE FORMAT OF THE RAMBAM. I have read the book from the eyes of anti Semites . I have read the book from the perspective of those individuals who can distort what I write. Their motivation could be either because they want to

prevent any agunah to be helped because they believe that what I write is wrong or because of ulterior reasons. Or those individuals want to destroy the entire edifice of Halachic marriage .

UNFORTUNATELY MOST RABBIS INCLUDING THE ORTHODOX TODAY ARE NO MORE THAN SOCIAL WORKERS. LET THESE RABBIS CONSULT A RAV WHO HAS MASTERED AND OBSERVES THE FOUR PARTS OF THE SHULCHAN ARUCH FOR ALL ISSUES OF HALLAHA. LET THE Rabbi HAVE A PROFESSION OR BUSINESS OUTSIDE OF THE RABBINATE SO HE WILL BE INDEPENDENT AND HONESTLY AND WISELY ADVISE AND RULE ON ALL THE HALACHIC QUESTIONS.

Certainly . all rabbis must devote four hours a day to the study of the four parts of the Shulchan Aruch using the Aruch Hashulchon . After 10 years they will have mastered them. This is the only way to save Judaism. If they can not commit to four hours that is no excuse that they should not commit to at least one hour. Then they will have mastered the four parts of the Shulchan Aruch after 40 years.

18. 18- REPRESENTS LIFE

I devote a whole section of my book as my first segment of all my writings to the defense of Israel. See my introduction to volume 1 of the Responsa on the Four Parts of the Shulchan Aruch -to the legitimacy of the Jewish claim to Eretz Yisroel and the right of the free world to defend themselves against the terrorist war to conquer the world and convert everyone to their brand of Islam or else kill and destroy every human who differs from them. We must destroy the ability of Iran to develop atomic weapons .

The future of Judaism CAN BE ASSURED ONLY IF THERE EXISTS Rabbis who will commit themselves to master and observe the four parts of the Shulchan Aruch. ONLY SUCH RABBIS ARE AUTHORIZED TO RULE ON ANY LAW OF Judaism. Any representation of Judaism that lacks the laws of the four parts of the Shulchan Aruch applied to fit the cases presented is an other religion Radvaz in responsa and Rambam Yesodei Hatorah 9,10,11 and the 13 basic principles of faith. The Oral Law given by G-d at Sinai 3400 years ago was written in manuscripts and transmitted from one generation to the next. They were known as megilot nistorot Rashi Bava Metzia 92a. These manuscripts were edited and the conflicting laws voted upon and a common law and equitable law approved by the Rabbis of the Mishne and then the Rabbis of the Gemorah . The Mishne and the Talmud was written over a period of approximately 400 years and completed approximately in 400 ACE . Then followed the period of the Rabbonei Savroye , the Gaonim , the Rishonim and the Achronim. All the laws of the Talmud were summarized and codified by The Riff the Rambam the Rosh Tur Bais Yoseph and Ramo. . The codification of Bais Yoseph and Ramo is known as the Shulchan Aruch-. It is the summary of the Talmud and all the responsa -that answered all new questions that arose over thousands of years were responded based on precedents from previous accepted authorities. All are summarized in the four parts of the Shulchan Aruch. Commentaries arose like Bais Shmule Chelkos Mechokek Gro and Taz on Even Hoehzer ; Shach and Taz, Gro Bair Haitiv and Bair Hagolo Pri Chodosh and Pri Megodon on Yoreh Dayoh ; the Shach, Taz, Sma , Ktzos Hachoshen, Nesivot, Gro, Bair Hagolo Bair Haitiv on Choshen Mishpot; Taz and Mogen Avrohom on Orech Chaim. These are only a fraction of the commentaries that exist. Later authorities wrote additional summaries and codifications as the Lubavitzer Rebi the Tzemech Tzedek , the Levush, the Nodei Beyehudah , Rav Akiva Eiger, the Chsam Soffer. the Mishneh Brururah and the Aruch Hashulchon on all four parts of the Shulchan Aruch, as well as future laws that will become operational once Jews return to Israel , the laws of trumah maaser sheviot become

operational ; the holy temple will be built and the sacrifices will commence. Tens of thousands if not hundreds of thousands of Responsa and commentaries on the Talmud and Shulchan Aruch were penned over the last thousands of years. Many of these responsa are summarized in Otzer Haposkim on Even Hoehzer Pischei Tsuvah and Gilyonot of Rav Akiva Eiger Hasholom on four parts of the Shulchan Aruch . Some of the responsa penned over the last century are those by Rav Yitzchok Elchonon Spector, Rav Yudelevitz, Rav Henkin, Rav Moshe Feinstein , Rav Yitzchok Herzog, Rav Uziel , Rav Yeciel Yaakov Weinberg- the Shreidei Esh, Rav Mordecai Yaakov Breish- the Chelkos Yaakov and Rav Gorin the Mashiv Milchomo, and Rav Eliezer Berkovitz in Tnai Benesuin Ubeget. Let us mention the Israeli journals Torah She Bal Peh and Noam that have leading scholars express their Torah view on many contemporary burning issues in Israel and diaspora that relate to the very survival of Torah Jews and the State of Israel.

I have attempted to summarize some of these responsa in my five volumes called Responsa on the Four Parts of the Shulchan Aruch. I explore very controversial areas of Jewish law as the reader will discover once he or she reviews my table of contents . All my books except for one are in English. One volume is in Hebrew.

A kollel must be established and supported for such a purpose. A foundation exists for this purpose. It is Bais Meir Menachem Sender Latorah Vehoroah, Inc . I have endorsements to form a kollel for the study of the four parts of the Shulchan Aruch from Rav Moshe Feinstein Rav Yaakov Kminecki and Rav Yisroel Pikarski.

We plan to pay scholars the sum of 2,000 per month or 24,000 a year to devote 4 hours a day to the study of the four parts of the Shulchan Aruch ; all the talmudic references and references to other parts of the Shulchan Aruch; study in depth all the tractates of the talmud ; and all the responsa over the last 1500 years. It takes 10 years to master the 4 parts of the Shulchan Aruch. In that way we will ensure the survival of Klal Yisroel -the Jewish people.

We ask all Jews to contribute in the support of this mission .

MAY G-D bless you with eternal happiness success in all your endeavors health

and longevity.

I APPEAL TO ALL RABBIS TO DEVOTE FOUR HOURS A DAY TO THE STUDY OF THE FOUR PARTS OF THE SHULCHAN Aruch using the Aruch Hashulchon. After 10 years they will have mastered them. IF THEY CAN NOT COMMIT TO FOUR HOURS A DAY THAT IS NO EXCUSE NOT TO STUDY ONE HOUR A DAY. THEN IT WILL TAKE THEM 40 YEARS TO MASTER THIS MATERIAL. LET RABBIS MAKE A LIVING FROM ANY FIELD OTHER THAN THE RABBINATE. ONLY THEN CAN ONE BE SURE TO REMAIN HONEST AND COMMITTED.

THIS IS THE BREED OF RABBIS WHO WILL SAVE JUDAISM.

**OUR MISSION IS TO PRESERVE ALL MARRIAGES AND
ENCOURAGE JEWS TO HAVE LARGE FAMILIES.**

However when a marriage dies we will turn heaven and earth to save it. If it can not be saved we invite the couple to come to us so we can work out a mutually accepted agreement regarding all the marital assets custody visitation rights alimony and child support. We will then administer a Get and recommend a marriage attorney to get a civil divorce. In the contingency that one of the spouses does not cooperate. We will turn heaven and earth to find a halahic loophole to free the spouse who is held hostage.

These books present a pragmatic response to the problems that threaten the survival of the Jewish people as individuals and as a group by external forces of hatred and jealousy and internal dissensions. Millions of Jews have been killed and forced to convert over the past 2000 years as a result of anti-Semitism. The hatred of the Jew manifested itself to destroy the Jew spiritually as celebrated by Chanukah or physically as celebrated by Purim. In our day and age anti-Semitism

culminated in the holocaust and its new form of anti Zionism and not acceptance of the rights of Jews to an independent Jewish State -Israel.

We are equally destroyed by ignorance and apathy of Jewish Laws and practices and cease to identify as Jews. This leads to intermarriage and assimilation.

As though all these problems are not enough; our insides are torn out by internal dissension , non acceptance of other Jews , intolerance and short sighted polarization of positions without researching the Halachic loopholes available to post facto accommodate opposing viewpoints without accepting, necessarily , a position about Judaism that is a denial of the Divine character of Torah and Mitzvoahs. It is this monumental task that all my books attempt to address. I try to be the great reconciler and peace maker , a task that even King Solomon would have been challenged. Like Mordecai of the Purim story I pursue the truth. I cannot satisfy all the polarized positions of the left or right . Most honest Jews will agree with my conclusions and methods . I can be accused that I love all Jews and bend backwards-using Halachic loopholes to integrate all Jews and most converts into the body of the Jewish people. I do not claim that my books are infallible. Let those who disagree propose pragmatic means to achieve the same results.

However , I possess many years of Torah scholarship after having been ordained by Rav Moshe Feinstein head of Yeshiva Tifereth Yerushelayim and greatest decisor of the twentieth century. I also was ordained by Rav Kushelevitz and Rav Schorr at the Mesivta Torah Vodaath Rabbinical School , where I studied for over ten years. I have the approbation of Rav Piekarski on my books -Responsa -Four Parts of the Shulchan Aruch; Rav Steinberg from Rehovot Israel signed numerous responsa that I prepared regarding freeing Agunot. Rav Moshe Feinstein gave his approbation on two books that I wrote. I therefore am well qualified to address the burning issues that threaten Jewish survival and give pragmatic alternatives to insure the continuation of Jews as individuals and as a people. I also show that within the parameters of Halacha Jewish women can go free even though their husbands deny them a Get. I also show how to unite Jews and sponsor cooperation instead of dissension and polarization for the sake of Jewish survival.

My mother Sisel the daughter of Reb Moshe and Ieda was a very wise and idealistic woman. She sent me to learn Torah to my paternal grandparents home Rav Shaul Arie and Miril Morgenstern in upstate New York when I was seven

years old . She unfortunately was not able to see me for another seven years. She had no other alternative, there did not exist any yeshivot in Mexico. where I was born . The laws of immigration were so strict then that it took seven years until she got a visa to come to the USA. She was following my father's wish- Rav Menachem Sender at his death bed when he died and I was one year old.

I OWE ALL MY LEARNING TO MY MOTHER , OF BLESSED MEMORY. IF IT WAS NOT FOR HER SACRIFICE THAT VERY FEW WOMEN WOULD HAVE AGREED TO MAKE this book could never be written , since I would never have received the Torah education that only she enabled me to receive . All the books that I have written- she and my wife , may she live a very long time in health , both deserve full credit.

My mother said that people should not be like worms that find themselves in a turnip. The worm thinks that the vegetable is the entire universe, When the worm emerges from the turnip the worm discovers that there exists a whole world in addition to the turnip. Sometime one loses sight of the forest and thinks that there only exists one tree in the entire universe.
