

destruction of the First Temple and the exile of the remaining two tribes to Babylonia. He showed Moses that He G-d already prepared a Messiah to deliver them from the Babylonian exile.

G-d prepared Cyrus the Persian emperor and Darius the son of Queen Esther and Achashvarus from the Purim Story. See Isaiah 45:1. Book of Esther Ezra and Nechemia .

G-d showed Moses that the second Temple will be destroyed by the Romans 410 years later after a failed revolution against Rome in the year 70 ACE. G-D showed Moses the failed revolution of Bar Kochbo against Rome. In the year 130ACE. One million Jews will be killed by the Romans. G-d then showed Moses that in the year 1948 ACE a new Jewish homeland will be established in Israel upon the ashes of the six million Jews killed by the Nazis with the full cooperation of all the Europeans. Jews from the four corners of the earth will stream to rebuild Israel Isaiah 11:12, Psalms 147:2; 13,14,15. ; Ezekiel 7:2; Jeremiah 15:9; Hoshea 2:17; Jeremiah 32 42,43,44

G-d showed Moses that the Christians will adopt the Jewish Bible and will believe in all the prophecies promised to the Jews- came from G-d. They will support a Jewish State. That is the reason that the Christian faith survived 2000 years even though it is a carbon copy a boiler plate duplicate in every respect of the Eastern and Middle Eastern mystery religions. They substituted a Jewish woman Mary the mother of Jesus and a Jew Jesus instead of Horus the half man half god the Egyptian son of Osiri Maria the Egyptian goddess . Jesus was substituted instead of Hercules or Adinois or Plato the Greek philosopher all deemed half man half god . All sons of a married virgin and Zues the Greek father god or Jupiter the Roman father god. All are born in an immaculate conception. Jesus is substituted for Chrishna the Hindu half man half god. Or Alexander the Great also half man half god conceived in an immaculate conception the son of a married virgin and an Egyptian god. Or Tamuz the Babylonian half man half god the

son of a married virgin and Shemesh the sun god. Or else Buddah the Indian half man half god the son of Mya a married virgin and the Indian elephant god . All these religions believe that the word of god turned to flesh and the half man half god is conceived and born after nine months in the womb of the virgin mortal woman. All of them have the man god born on December 25 , not on the 26 or 24 but only on the 25 of December . In all these religions the man god antagonizes the clergy in power. He is tried and condemned to be crucified or buried alive. In all these religions the half man half god is dead for three days. In all these religions he is resurrected after three days. He rises from the grave together with many other dead people. He then flies to heaven to join the father to form a trinity or other pantheon and federation of gods. In all these religions the half man half god is tried crucified and resurrected in the Spring that coincides with the Jewish holiday of Passover. All these religions celebrate the birth of the man god with evergreen trees and the resurrection with colored eggs. All of them celebrate Halloween when they dress up in customs and go door to door begging for candy. They believe that they are chasing away evil spirits. All of these religions claim that even though there exist individual gods all of them are united in some mysterious form and are really one. . All of them have a ceremony similar to the Catholic Eucharist. They distribute wine and biscuits to the faithful in good standing. They believe that when they consume the wine and biscuit the wine turns to the blood and the biscuit to the body of the deity. When they are drinking the wine and eating the biscuit they are consuming the blood and body of the deity and thus become united with the deity. The Catholics have the Eucharist in all their masses and sacraments -baptism confirmation marriage and when a person dies ,as well as , in all their congregational prayers.

When Paul went around to convert the gentiles he also introduced the Jewish Bible - the Pentateuch and the Tanach .with all the prophets that predict the eventual return of the Jews to Israel. This promise came to life in 1948 with the proclamation of the resurrected Jewish State -Israel Eretz Yisroel Gentiles who support the Jews will be blessed. Paul was cognizant

that non Jews are permitted according to Jewish Law to believe in Shutfos that the God- Head consists of more than one . That God has partners. As long as one not Jewish admits that G-d exists he/she can believe that There exists many units to G-d. So introducing Jesus as the immaculate born son of Mary for non Jews was ok as far as non Jews are concerned . Furthermore non Jews do not have to observe any of the Jewish rituals such as circumcision eating kosher observing the Sabbath laws holiday laws or Taharot Hamishpocho the laws of separating and not having conjugal relations with one's wife following her period until she immerses in a Mikvah after 12 days following her period .

Thus the burdens of Jewish laws were removed . The non Jews could retain all their basic beliefs. And the brand of religion Paul introduced had the legacy of 2000 years in the making with the Jewish Bible that beat all the other holy books of the Middle Eastern and Eastern Mystery religions . This new religion a fusion of all the concepts that the gentiles had for the past 2000 years and the Jewish Bible won the competition. Of course once Constantine endorsed Christianity as the official religion of Rome Christianity replaced all the other Middle Eastern religions. All the doctrines of the other Middle Eastern and Eastern religions remained the same except the son of the gods was changed to Jesus his mother's name was now Mary the site of the trial and crucifixion was now Jerusalem.

Paul was a super salesman . Paul did not I repeat did not go around converting the Jews. This is confirmed in the New Testament. He only went around converting the gentiles. Jews are mandated to believe in a pure concept of monotheism . Jews must observe all the Mitzvot all the rituals. THESE LAWS ARE NEVER ABROGATED FOR JEWS, THEY NEVER

EXISTED IN THE FIRST PLACE OR NON JEWS .

Paul himself and all early Christians who were Jewish for the first hundred years observed all the Jewish rituals. Many Christians today believe that there exists a dual Covenant one for Jews to observe their religion and one for Christians to believe in the religion preached by Paul.

Christianity has survived for 2000 years by Divine Providence in order to have Christians who believe in the bible support a Jewish Israel. All Christians who support a Jewish Israel in all of historical and new Jerusalem Yehudah Shomron Golan Heights Gaza will be blessed and will live for ever. G-d will grant them long life health an abundance of happiness and they will be financially independent and have more than enough money. They and all their off springs will survive as Jews have survived for the past 4000 years. There exists hundreds of millions of Christians who believe in the Jewish prophets and believe that the State of Israel is the blessings promised by G-d for all who help realize the return of the Jews to their ancestral home- the State of Israel. Under no circumstances will they agree to establish a Palestinian State in Yehudah Shomron Gaza and Golan. They will share in the Messianic glory and blessings promised by G-d, Then all Adams Man/Woman will return to Paradise and liver for ever death will be banished from the face of the earth.

THIS IS THE REASON Christianity survived 2000 years in order to have the Bible believing Christians help the Jews keep all of historical and new Israel- Yehudah Shomron Golan Gaza and all of Jerusalem.

Now Moses admitted that it all adds up and it all makes sense.
