

In brief we can not write about God SINCE NO ONE TODAY EVER SAW HIM OR HEARD HIM IN PERSON. ALL THAT WE CAN WRITE ABOUT IS WHAT MAN TODAY AND OVER THE CENTURIES THOUGHT AND BELIEVED ABOUT THE DIVINE.

BRIEFLY WE HAVE EMBARKED ON A JOURNEY OF EXPLORING MAN HIS WEAKNESSES HIS FEARS HIS GREATNESS AND HIS DECEPTIONS. WE HAVE EXPLORED HOW MAN HAS PROJECTED HIMSELF /HERSELF INTO THE IMAGE HE CREATED OF GOD AND GODESSES.

All we can honestly report is historically what man wrote about other men and how he /she behaved toward others who were or were not part of his group. How did men behave toward humans and non humans.

It is the purpose of this volume as well as other books I have written to report historically the relation of our non Jewish neighbors with Jews. The saga of the Jew and the misrepresentations about the Jew and his beliefs are documented. In the following chapters I have attempted to correct and disprove the prejudices and lies written and practiced about Jews Judaism and the State of Israel. This is not a book that

considers all opinions equal and relative. Murder is not relative. There exists evil . The murderers are evil. Those individuals who are suicide bombers are evil. All people who sponsor and aid and abet the suicide bombers should all be exterminated. We should pre empt the murderers and exterminate all people who aid and abet in the killings WE DO NOT GIVE EQUAL TREATMENT TO ONE WHO ADVOCATES THE DESTRUCTION OF Jews and Judaism and the State of Israel. WE ARE NOT INTIMIDATED TO CALL THEM ASSASSINS AND DESECRATE RS OF GOD'S WILL. WE DO NOT KNOW THE ESSENCE OF GOD. BUT WE DO KNOW THAT GOD CREATED A WORLD COMPOSED

OF A MULTITUDE OF RACES
RELIGIONS AND MALES AND
FEMALES. GOD DOES NOT WANT
ONE GROUP OF HIS CREATIONS TO
ANNIHILATE ANOTHER GROUP OF
HIS CREATIONS.

Historically, each group of humans

sees God through their own eyes. Each person wears colored glasses and sees God the way he/ she sees himself/herself.

The ancient Romans used to crucify the prisoners they captured. Or else the prisoners became gladiators. They were forced to fight starved lions and tigers or other gladiators. Either they killed or got killed. The fortunate prisoners were sold into slavery.

The ancient Greeks exposed their newborn infants to the elements . If they survived then they possessed strong constitutions, and could provide powerful soldiers in future wars. The old and infirm they would throw to starved dogs who would tear them apart. Thus they solved their social security and old age and disability problem . The ancient Eskimos would also throw out of the igloos the old and unproductive members of their society into the freezing weather . They then would perish. and solve their problem of old age and disability

The ancient Greeks killed one or many prisoners by tying each arm and leg to the branches of parallel trees . The branches were pulled to tie the arm and legs of the prisoner. . When the branches were let go the prisoner was torn apart. Thus the branches acted as the scaffold in a hanging when the place where the victim is standing is released the victim falls to his death. The victim can have his head severed in the fall as occurred when the Iraqis hanged Saddam Hussein's henchmen who were found guilty by the present Iraqi government. The fortunate prisoners were sold into slavery. Thus the Greeks and Romans obtained inexpensive labor, while they idled their time in fornication over eating -gluttony and plotting murders . . Murder and fornication and lust was the normal life style . They justified their life style since their gods also did the same. The clones their gods always copied in the celestial and spiritual realm all the vices weaknesses of men.

As a matter of fact in many Middle Eastern and Eastern mystery religions, one of the gods always was killed in the winter and was resurrected in the spring. The event was marked by bringing human sacrifices in the winter and indulging in sexual orgies in the spring in order to encourage nature to be plentiful. Temple prostitutes offered free sex . No virgin was permitted to get married before she offered herself for a period of time as a Temple prostitute. The Europeans copied this custom that the lord of the mansion would first have sex with any bride. This provided a legal challenge for Judaism, since every bride was first taken to bed by the lord of the mansion. Since a married woman is forbidden to her husband if she has sex with an other man. The rabbis solved this problem excusing the bride since the sex was forced. Only when a married woman has sex by her own choice is she forbidden. Even if she gets pregnant the child is not considered illegitimate under the circumstances. I describe this matter more elaborately in my Responsa volume 3 .

. Interestingly , in pagan Rome the Roman deity Dionysus son of Jupiter and the Greeks consider Dionysus as the son of Zeus were crucified in order to forgive the sin of Adam and Eve who ate from the fruit of the tree of wisdom. Thus the life style of the pagan Romans and Greeks projected and created a clone of themselves in their deities.

The Hindus burned alive the widows of the deceased. This cruel barbarian custom was reenacted and a clone was created in the Hindu belief that Krishna the son or alter ego of one of the Hindu gods Vishnu was also crucified to forgive the sins of Adam and Eve who ate from the fruit of the tree of wisdom. .

Mithraism originally a Persian belief was later adopted by the Romans claims that the sun is god. They also have a similar story of a Messiah a son born from the union of a mortal virgin and a god who appears in human form for 30 years then is

crucified or is buried alive. He dies to forgive the sins of men. He then is resurrected and joins the father god in heaven in a trinity or other union.

The ancient Egyptians believed that Isis -Meri a virgin goddess becomes pregnant by saving the seed from Osiris another Egyptian god who had previously been killed by a rival god. Isis resurrects Osiris. . Isis then gives birth to Horus who assumes human form He preached to mankind to reform. He antagonizes the priests and is condemned to be killed . After his death he is resurrected by his mother Isis, and goes to heaven and becomes part of a pantheon of gods. In the Roman catacombs one can find paintings or statues of Isi -Meri holding the infant man god Horus. Some scholars believe that this painting of Isi Meri and the infant Horus is the original Maddona and child. Isis Meri according to Egyptian mythology is the mother of creation. Every spring the Nile rises and irrigates the fields and all vegetation and fruit grows which is the manifestation of Isis Meri. Isis Meri also gave birth to the sun and the moon whom the Egyptian also worshiped..

There exists among Catholics today a grass root movement to elevate Mary- the mother of Jesus to the status of another divinity . Thus the trinity would be expanded to four. Catholics today pray to Mary to beseech her son to forgive sin and also revere her statue in the Church . Nevertheless the Church is very decisive in their denial of conveying divinity to Mary. Of course Protestants are opposed to such deification. They even oppose Catholic's praying to Mary to beseech Jesus or to revere Mary. They label such action, as well as, praying to Saints and having their statues in the Catholic Church as idolatry .as clearly prohibited in Exodus 20: 2, 3 and 4 the first of the Ten Commandments. They charge the Catholic Church of copying these rites as well as all the innovations passed by the various Catholic Popes and bishops in the synods from 500 -1500 as borrowing from the pagan mystery religions.

The Catholics counter that even the Jewish Bible permitted Moses to build a copper

snake so the Jews who were punished by God and were dying from being bitten by poisonous snakes could look at the copper snake and live. Furthermore, Cherubim were part of the ark where the tablets of the Ten Commandments were kept in the Temple built by Moses and ordered by God.

The Catholics also claim that since they believe in the incarnation of Jesus from a virgin it is also permitted to make statues to show how Jesus looked even if it may not be an exact likeness. They claim that they are not worshiping the image but their prayers are going beyond the image to Jesus himself.

Catholics maintain that it was necessary to make images in order not to offend the pagans whom they were converting. Catholics would incorporate their gods as Saints and the pagans would continue worshiping them however as subordinates to Jesus. They would confer upon them the same role as is given to Mary. Furthermore, since most people were illiterate by having an image it was easier for the people to understand what the priests were preaching.

Protestants do not accept the Catholic explanation. What the Jews had Cherubim on top of the Ark where the Ten commandments tablets were kept was a direct order by God. However any other statues especially at Church is a violation of Exodus 20:2,3, and 4 and is idolatry. Likewise, the copper snake built by Moses was also a direct order from God. Building statues and incorporating them at worship, however, is prohibited according to Protestants.

Furthermore, Protestants differ with Catholics on the interpretation of the New Testament scriptures. According to Catholics the New Testament vests the power in a centralized authority to make innovations regarding belief and practice. The Protestants deny such authority and interpret the scriptures to support their position.

There existed historically hundreds if not thousands of different sects of Christianity that were labeled by the Catholic Church as heretical. Hundreds of Thousands if not millions Christians were killed by other Christians to settle their different interpretations of the Bible beliefs and practices over the 1700 years since the beginning of Christianity. Today there exists over 33,000 different sects of Christianity each one interpreting the Bible differently. That includes Trinitarians as well as non

Trinitarians and Unitarians who believe that Jesus is an Angel created by God and is not the same substance as God. This figure does not include Islam that consider Jesus as a prophet and Judaism that either deny that Jesus existed or else state that he was a Rabbi who led a Rabbinical Court. The position of Judaism may be akin to the position of the Ebyonim who lived at the time of the beginning of Christianity whom we describe in detail in this book.

The Syrians and Babylonians had a man god - Tammuz born from a virgin -Malitta fathered by the father god- Shamash -the sun god. . . He also preached to reform mankind antagonized the priests and was killed. After death he was resurrected and joined a pantheon of gods in heaven .The Jewish prophet Ezekiel 8:14 admonishes the Jews who were led astray in his worship. Ezekiel describes the annual ceremony of the votaries of Tamuz to mourn his death that is then followed by the celebration of his resurrection. .

All the information regarding pagan man gods was gleaned from google on the internet-. that is public information.

Thus Jews even at the time of Ezekiel [Ezekiel 8:14] Jews were admonished that any belief in any of the man gods is idolatry.

The Persians in Zoroastrianism believe that the mother of the prophet Zoroastrian was conceived by the union of their god and a virgin. . She was a human and gave birth to Zoroastrian. He was a prophet who lived also no more than 30 years and preached to reform mankind. He was murdered at the alter where he preached.

The Buddhists also believe that Buddha was conceived from the union of the elephant god with a married virgin whose name is Maya. Buddha likewise preaches to reform the world. He however is not killed. However when he dies a natural death he is resurrected and joins the gods in heaven as a god in a trinity or other union.

Many of these religions appear to have boiler plate similarities.

The man gods at the end of days will return as the Messiah . The righteous dead will be resurrected and never die again. All of these religions have their man god before he is killed have a last supper. They have a rite similar to the Catholic Eucharist. The man gods are uniformly born December 25. They are crucified or buried alive in the Spring and after three days they uniformly are resurrected fly to heaven and become part of a trinity or other union with the father gods.. The cross or swastika is the emblem and flag of the believers.

All these religions claim to be 3000 -2500 years old. All of them preceded Christianity. Many of them placed in their homes cut evergreen trees to mark the birth of the man god. They celebrated the resurrection with colored eggs similar to an egg that is fertilized and gives birth to a child.. They also have a custom of having tricks or giving candy treats on Halloween in order to chase away evil spirits.. All the pagan religions believe in baptism in water in order to be reborn and accept the new faith. All of them consider the man god to be the word- the father god turned to flesh.- the man god. All of them call the man god the anointed or krrist in Greek. They call him the Messiah. They all have the virgin mother of the man god have a name that is close to Mary Miri or Maya. The man god has 12 disciples. The man gods conduct a Sermon on the Mount .and issue legislation and moral precepts

Thus the Jewish Bible story of the sin of Adam and Eve of partaking of the fruit of wisdom, rather than the fruit of the tree of life -the study of Torah and Jewish law created by God at the instant of creation of the universe was corrupted by the Hindus Greeks and Romans. They converted this event into an original sin requiring the crucifixion of their god's son. They corrupted the serpent who seduced Eve to eat from the tree of wisdom,

into Satan who tempts and seduces men . Women are automatically made into inferior and dangerous beings because of the sin of Eve. The Catholic Church opposed giving sedatives and pain killers to women at the instant of child birth , because all women to eternity must suffer because Eve seduced Adam and brought death to humanity.

The Mexican Aztecs used to cut out and eat the hearts of the victims they killed in battle . A clone of themselves -their savage behavior was created in their religious rites. They used to sacrifice a human to their gods of the sun and moon and cut out his heart and offer it to their deity. They brought 20.000 humans as sacrifices each year. They claimed that if they did not bring human sacrifices the sun and moon gods would destroy the earth and universe. When the Spaniards conquered Mexico and forbade this practice it became apparent that the sun and moon gods would not destroy the world.

The African cannibals used to kill their victim and eat them. They believed that in that manner they would possess all the mystical powers that were latent and associated with their victim. They created a clone of themselves by offering humans as sacrifices to their deities.

Europeans for the last 1700 years have not differed in their behavior than the ancient Romans Greeks Hindus Aztecs or African cannibals. They were responsible in the killing of hundreds of millions of Africans North and South American and Australian natives other Christians Jews Muslims Hindus and any one weaker especially women- accusing them that they were witches and burning them. The inquisition and the holocaust was a natural out growth of European mis conduct.

At the instant of killing their victim Europeans used to shout **such is the will of God**. The Islam terrorist shout Allah Akhbar God is great Thus they projected to God the responsibility for the murder. It was God who was the one who did the killing; not they . At most they were merely carrying out the will of God-they were His agents. When they discriminated against Jews and treated them as 10th class citizens, if they did not kill them, it was the fault of the Jews that they do not accept Jesus and therefore are the wandering Jew. . God is punishing the Jews The Europeans committed in fact all the crimes, but covered their tracts by blaming God as the one responsible. They thus manipulated God as the one committing all the crimes. The Europeans thus covered their crimes , blaming God as the perpetrator of the crimes. When they killed Jews again it was God who was responsible. Freud in his theories of projection of blame and crimes took a lesson from 1700 years of European misconduct treachery and murder .

The Holocaust by Hitler and the Nazis and the Arab terrorist suicide bombings today is a natural outgrowth of such treachery the chickens-terrorism have returned to the coop from where they were hatched -the Europeans.

Europeans did not discriminate. . The only requirement was that their victim be weaker. Read any history book and one will discover the hundreds of millions of innocents massacred by Europeans. From all the nations that believed in a religion of incarnation the Europeans have corrupted the concept and used it as a launching pad for hatred and murder of hundreds of millions. It was the Europeans who made a unique contribution and upgraded the belief in the immaculate conception and interpolated into the story of the crucifixion- the scenes of the Jewish mob threatening to riot unless Pontis Pilate agrees to crucify Jesus.

The Popes capitulated to the demands of Constantine in the year 325 that the Catholic Church agree to have Jesus be of the same substance as God . Prior to that date The Arian thesis was standard theology that Jesus was an Angel created by God. Following the capitulation of the bishops and Pope at the synod in Nicea , the Popes commissioned editors to revised the New Testament to dove tail with the revised theology that placed Christianity in the same camp as all the religions mentioned previously that believed in an incarnation of a man god from a father god and a virgin. Competing versions that promulgated the Arian theology or the hundreds of other theologies that differed from those of the Catholic Church were burned and those who differed from the official line were labeled heretics and burned at the stake or massacred. Hundreds of thousands if not millions Christians perished at the hands of other Christians .

The Church fathers years later burned all copies of the Talmud and Jewish commentaries in all the Catholic countries of Europe. The Russian Orthodox Church did the same. They also executed heretics who questioned the official line of the Church. Unitarians and non Trinitarians as well as any one contemplating to convert to Judaism were burned alive at the stake. When the Spaniards conquered Central and South America they also set to the flames all the religious records and books of the Aztecs Incas and Mayas. They thus exterminated all traces of an other culture that was different than their own. The Serbs in 1990 when they conquered the Muslims raped all the women and impregnated them. The goal was to forcefully exterminate the Muslim

presence by having the women give birth to a new generation of Serb children. THIS was in addition to the mass murder of Muslim men.

The Christian faith once it adopted the Trinitarian creed was proclaimed the State religion of Rome . It was then that the anti Semitic passages were fabricated to coerce the Jews to convert or face death . .

The Popes did not hesitate to lie on a grand scale if it was to their advantage. For 1000 years the big lie was brazenly and piously repeated that Constantine donated the Roman empire to the Christian Church. It was called the donation of Constantine . Not until 1450 was this lie exploded and Catholics admit that the donation of Constantine is a fraud.

So too, are all the passages interpolated by the editors of the Popes in the New Testament condemning Jews as being responsible for the death of Jesus because they threatened to riot. Pontis Pilate the Roman governor at the time of Jesus was a tyrant and could easily have crucified all the Jews who were present. He certainly had the Roman soldiers to execute them. As a matter of fact the Romans crucified one million Jews captured in the revolt against Rome in the years 70 ACE and again in the revolt of the Jews in 130 ACE under Bar Kochba. We will discuss these events in future chapters and in my other book the War against the Jews and non Jews 325-2008.

Popes created the fabrication that Jews aided and abetted in the crucifixion of Jesus. . Consequently all Jews to eternity even if they were not born 2000 years ago are guilty and should be killed . According to these anti-Semites the Jews are responsible for all murders even the murder of Abel by Cain. However , if Jews convert to Christianity all would be forgiven and a magic wand is waved and all their sins disappear.

It were the Europeans who bought into this criminal thesis promulgated by the Church that was responsible for the murder of millions of Jews over the last 1700 years and was the power that inspired the holocaust of six million Jews by the Nazis in 1939-1945. The same Europeans corrupted the Christian concept of the passion of Christ on the cross and converted the passion story of a god dying for the sins of men to bring them salvation into a pretext of hatred and mass murder. Freud in his theories of projection did not invent any thing new. Freud observed 1700 years of European criminal misconduct. Further in this book I will elaborate in detail and show the accuracy of this accusation.

The Arab terrorists today who blow up thousands of humans in their suicide bombings are the disciples of the Europeans. Religion again is corrupted to murder. The gods of Molech when children were burned alive for the gods are again being served but the name Molech is changed.

Would the Europeans have elected another one of the religions discussed in this paper who believe in incarnation of a man god , the result of corrupting the concept and using it to murder hundreds of millions would have been the same. This book does not discuss religion per se ,but the people who use religion for their own criminal purposes.

Religion is used as a weapon of mass destruction. The proof is when religion was outlawed in the Soviet Union Anti Semitism almost disappeared. This weapon of mass destruction no longer was available to motivate the murder of Jews and non Jews who were different. Other problems of course took their place but murder of Jews as Christ killers no longer existed.

Once the Church was stripped of power in the 18 19 20 21 Centuries with the divorce of Church and state as is true in the Western democracies the evil head of the serpent of bigotry hate discrimination on the basis of sex religion race and national origin and Anti-Semitism started to self destruct. Even today this evil serpent is alive and well. It has metamorphosed into an existentialist war of survival between the civilized world of democracy versus the totalitarian world of Al queda Hamas Hizbullah Iran and Syria. These individuals want to force all mankind to accept them as their masters. The Muslim

faith has been skewed in a manner that the naive are made to believe that it is the will of Allah as interpreted by these terrorists to suicide bomb and destroy any one not sharing their ideology of death and enslavement.

Hitler and the Nazis was an other manifestation of European 1700 years of hatred inspired by the Church that metamorphosed into racial hatred and mass murder. The murder of one Jew was accompanied concurrently with the murder of 1001 non Jews. Over 100 million non Jews lost their lives along side 6 million Jews as a result of the Nazis.

Even today this evil serpent is alive and well. It has metamorphosed into an existentialist war of survival between the civilized world of democracy versus the totalitarian world of al quaeda Hamas Hizbullah Iran and Syria. These individuals want to force all mankind to accept them as their masters. The Muslim faith has been skewed in a manner that the naive are made to believe that it is the will of Allah as interpreted by these terrorists to suicide bomb and destroy any one not sharing their ideology of death and enslavement

The Arab terrorists today are another manifestation of the metamorphoses of totalitarianism and bigotry. Like a malignancy in the body of a human that spreads and effects different organs of the body ,so too, the malignancy of bigotry and hatred infects like a cancer different segments of the civilized world. The Muslims who have a history of open minded ness tolerance respect for different cultures and religions is presently facing an internal existentialist battle of survival. Unless it exterminates the malignancy of terrorism and jihadism within the Muslim world , the Muslim culture will self destruct.
