

The God of truth and equity punishes only the guilty ones not their neighbors family or co religionists .If two prophets are killed those individuals who are guilty were punished; no one else.

Further more the Church maintains since the temple in Jerusalem was destroyed the Jews can not bring animal sacrifices so the entire Judaism falls flat on its face and Jews must accept Jesus or never have salvation . Query. Why don't Christians bring animal sacrifices since the year 70 when the Jewish Temple was destroyed. If Christians will reply that their prayers substitutes for animal sacrifices; then Jews have the similar remedy. There exist in the Jewish religion other sacraments that we call Mitzvot that substitute when an act of God exists and it is no longer possible to bring animal sacrifices . **STUDY OF THE LAWS OF SACRIFICES AND THE SERVICE AT THE TEMPLE IN JERUSALEM AND PRAYERS THAT MENTION THE SACRIFICES THAT WERE BROUGHT SUBSTITUTES FOR ACTUAL ANIMAL SACRIFICES .See Talmud Bavali Menochot 110 A**

CHRISTIANS HAVE NO RIGHT TO DICTATE TO JEWS OR TO ANY ONE ELSE HOW TO SERVE GOD OR SPELL OUT WHAT THEY ARE TO DO OR NOT DO IN THE CONTINGENCY THEY ARE NOT ABLE TO BRING SACRIFICES BECAUSE THE TEMPLE WAS DESTROYED.

JEWS DO NOT DICTATE TO CHRISTIANS HOW THEY ARE TO SERVE GOD WHAT SACRAMENTS THEY ARE TO HAVE AND THE CONTENTS OF THEIR SACRAMENTS.

See Maimonides - his introduction to Guide to the Perplexed , who discusses the ART OF PROPAGANDA USED BY THE CLERGY OF THE MYSTERY RELIGIONS . The Christian clergy stepped into their shoes and succeeded to sell their religion to billions over 1700 years. A major work of psychology can be written as to the techniques employed by the popes and monks to sell Christianity.

A cardinal principle is to convince their votaries that the Pope is the temporal representative of God and Jesus himself. The Pope is holy and all his pronouncements are infallible.

This technique was like wise used by all dictators starting with the Greek and Roman emperors who assumed the mantle that they were the sons of the mystery religion gods. The Japanese emperors assumed that they are deities the sons of the sun god. The Popes embellished this claim in order to get obedience by claiming that they inherited the mantle of Jesus and are his vicars on earth .

Everything that they declare is infallible. This form of mass hypnosis is employed by all dictators- Hitler Stalin and the Khumenis . The people who obey them are the victims of mass hypnosis who fall under their spell. They are the jihad terrorists and suicide bombers who follow blindly the godly orders of the cult leaders - Osama bin Laden or Al Qaeda . Obedience is rewarded and questioning is severely punished. Thus is the tragedy of the 21st century- that the dark ages have never really disappeared. Erich From a great psycho analyst wrote 75 years ago that many individuals are afraid to think and make decisions . They prefer to follow orders and not have to take responsibility of facing the consequences of thinking and following their conscience and do the right and moral thing. That is how we

can explain -though certainly not justify the behavior of many Europeans who abandoned the Jews during the Nazi era. This pseudo psychology that explains human behavior is why Jews must possess the land of Israel so Jews can and will fight to ensure that another holocaust does not occur again - God forbid.

The pagan Christians highjacked the movement from the Ebyonim and injected all the concepts of the Middle Eastern and Far Eastern Mystery Religions that became an integral part of Christianity. Christianity mirrored the theology philosophy ethics psychology and character traits and Roman and Greek judicial system of the pagans whom the Church converted. The judicial system and laws of Greece and Rome were incorporated into Roman Catholic ecclesiastic law . There was no break at all with the past. . What ever was accepted and legal in the past was used as a precedent for the future. The same hatreds and prejudices against Jews that existed before Christianity took over was embellished and Jesus was substituted as the victim of Jewish wickedness and evil. See Edward Flannery The Anguish of the Jew chapter 1

The editors of the Popes were totally illiterate of Hebrew and Jewish concepts and thinking thought they could corrupt Jewish thinking and the Jewish Bible to their newly concocted version of the Middle Eastern Mystery religions. What they did not realize is that by introducing the Jewish connection to Jesus they unraveled their entire story and proved that they fabricated the entire passion of Christ. Once you admit that Jesus was Jewish, which he was, and observed Judaism and Jewish Law was truth and willed by God during his life time, the entire Christian story turns into a fairy tale. Jesus preached the basic tenets of the Jewish

faith that Torah and Mitzvot are eternal. The Jewish law once given by GOD TO MOSES - both the written and Oral -are eternal and can never be changed in part or entirely by heavenly decree. Lo bashomaim hi. For Torah decisions must be interpreted and administered only by humans. That is why the Rabbinical Court is referred to as Elokim. The humans mortals who act like God .

Jesus preached that considering any man as a god was idolatry for Jews .This was the crime that was committed by the murder of the prophet Zecharia whom the editors of the Popes in the New Testament charge was the reason for the Jews being displaced by the Christians. The editors apparently failed to research what was the prophet Zecharia admonishing King Yoash in the Holy

Temple on the most sacred day of the Jewish calendar on Yom Kippur?
Chronicles 2 chapter 24 verse 20 ,21,22 and Lamentations chapter 2 verse 20 relates the reason . King Yoash held himself out as a god and was so recognized by many of his nobles. This was the greatest danger for the survival of Judaism as was proven by the last 1700 years of history. Prophet Zecharia was addressing the future danger for Judaism by Christianity. King Yoash was punish immediately by God for killing the prophet Zechariah losing a war launched by Aram -modern Syria and being wounded . While he was recuperating in his bed , he was murdered by two trusted aids . Chronicles 2 chapter 24:23-26. Thus Divine Providence- God -punished him immediately for his crime. His son Amatzyohu after he was installed King and secured his position killed the assassins who murdered his father, but did not harm their children . The reason given in Chronicles 2 chapter 25:4 is because in the Torah of Moses it is stated that children are not to die for the sins of their fathers. Each man shall die and be punished only for his sins.

Thus these two events refute the position of the Church that holds all Jews hostage for the thumped and manufactured fabrication by the editors of the pope in the New Testament that the Jews abated in the crucifixion of Jesus. Therefore all Jews to eternity are damned even though they were not even born . .

The Jews were exiled after the destruction of the first Temple because they worshiped idols committed murder and adultery. Jews during the first 1000 years that they were in the Land of Israel lapsed into the worship of idols in conjunction with the worship of God. They may have held a loose federation of God and the idols. This was the reason Elijah rebuked them “ How much longer are you going to worship God and the idols? Choose either worship God or the idols. You can not have both.”

When the Jews returned from Babylonia and built the second Temple Jews no longer worshiped any idols and did not worship any man as a god. That is why the Roman Empire Exempted the Jews from worshipping their religion that had a man god born from a virgin - the carbon copy what Christianity later developed. The Jews sacrificed their lives in the story of Chanukah rather than accept the Greek gods and also the belief in a man god. Channah and her seven children chose death rather than surrender their belief in ONE God.

Thus to state that Jesus is a man god and only one who accepts him as such can have salvation and that the Jews were replaced because they refused to accept this belief , is placing facts on their head. A Jew is mandated to sacrifice his life the same as the prophet Zecharia did rather than accept such a belief. The very acceptance is considered for a Jew idolatry . Never in a zillion years would Jesus who was a scholar and saint and observed meticulously all Jewish laws have ever agreed or accepted such a belief. Yes, Jesus would have agreed to be crucified if he was given a choice of baptism to the Christian concept of salvation or death. Rambam Mada Yesodei Hatorah chapter 5:3,4 Talmud Bavali Avodah Zorah 27 Talmud Bavali Kesubot 19a ;Shulchan Aruch Yoreh Dayoh 157:1

The editors of the Popes in the New Testament corrupted the basic tenets of Judaism that Elokim refers TO THE JUDICIAL SYSTEM THE COURT OR COURTS AS A WHOLE AND NOT TO ANY INDIVIDUAL AND CONVERTED THE MEANING THAT IT REFERRED TO JESUS THAT HE WAS A DEITY. SIMILARLY OUT OF PURE IGNORANCE THEY CORRUPTED OTHER CONCEPTS AND GAVE THEM PAGAN MEANINGS. AND COLORINGS.

All the mystery religions claim that they replace all prior existing religions. However the Christians do not mention all these confederate mystery religions . They CLAIM THAT THEY REPLACE Judaism. Since Jews will not of course accept that God is to be compartmentalized, they replace Jews as the chosen people and they the Christians replace the Jews for all the blessings made to Abraham. This is the most ridiculous and preposterous theology ever enunciated. Abraham was prepared to have himself killed because he revolted against paganism that was another form of compartmentalizing God. He was thrown into a fiery stove because of his stand and crusade for his belief in One God and Unitarian belief in One God . Now the Christians claim to do the will of God by embracing another form of Compartmentalized theology that is forbidden for Jews. They now preach that Jews are mandated to accept their version of this theology!!!!

And all the Jews who embrace the Unitarian belief in One God are to be abandoned!!!! This contradicts the Biblical statements that states “for G-d is not man that He should lie or the son of man that he changes His mind. God when He makes a statement or promises such promise is eternal and can never be with drawn.” Bamidbar parshes Balak Numbers 23:19 ; “The Eternal God of Israel does not lie nor doe He change His mind for He is not a man who changes His mind.” Samuel I 15:29 Thus the entire script of the passion of Christ prepared by the editors of the Four Gospels is a fabrication and lifted from the other pre existing mystery religions . Therefore blaming Jews for forcing Pilate to crucify Jesus, other wise they would riot- is a blood libel that was responsible for the deaths of millions of Jews and was the driving force that nurtured the Nazi holocaust of six million Jews and millions of non Jews.

This is a topsy turvy situation of putting religion on its head. the God of the Jewish Bible does not get married virgins pregnant. Would God have wanted to create another man in his image He could have created a man the same way he created Adam. The God of the Jewish Bible does not need human sacrifices or the sacrifices of man gods. The story of Abraham being stopped by God from sacrificing Isaac suffices. Christianity borrowed all its theology from its pagan confederates. It did not depart one iota lest the pagan votaries it was trying to enroll would elect to stay with their own pagan religion rather than elect the new version presented by the editors of the New Testament.

However the election of Christianity was short lived. Within 100 years Christianity was replaced by -Islam in 625. By 750 half of the Iberian Peninsula Spain all of Northern Africa and Asia Minor including Judea was under the control of the Moslems. . By 1445 all of Turkey was in the control of the Moslems and the Eastern part of the Roman Empire was destroyed. The Barbarians destroyed the Western half by the year 600. The Renaissance , the industrial revolution followed by the American and French revolutions and the supremacy of science and atheism and separation of Church and state dealt a death blow to the hegemony and control of the Church on the minds of man. WITH ALL THE DOWN SIDES OF A SECULAR SOCIETY AND ALL THE CHALLENGES IT POSES FOR THE FUTURE IT IS THE GARDEN OF Edan.

PROOF THAT THERE EXISTS God is brought from the fact that God endowed all man's minds to be different and elect to belong to different religions. Some religions do not give the votaries the right to make his/her own decision. Thanks to the fact that there exist close to 200 different denominations of Christianity and thousands of denominations of other beliefs man can exist .

GOD -ELOKIM- IS THE SYMBOL AND ULTIMATE AUTHORITY OF JUSTICE LAW ORDER AND EQUITY. .REVEALED RELIGION IS WONDERFUL FOR ALL PEOPLE -EACH ACCORDING TO THEIR OWN FAITH; PROVIDING THE PEOPLE AND RELIGIOUS LEADERS HONESTLY ADMINISTER JUSTICE LAW ORDER AND EQUITY.

The following citations from the Bible substantiate this fundamental principle.

Micha 6:8 states " I will tell you man what is good and what God seeks from you -only to do justice love kindness and walk privately with out fanfare with God ". See Zecharia 7: 8. 9 "And God spoke to Zecharia and stated With justice and truth you shall judge with kindness and mercy you shall behave each man with his brother. Widows orphans and stranger and poor people you shall not rob. . You shall not even think evil in your hearts how to hurt another

human being.” See Isaiah 1:16, 17 “Cease your evil ways from my [God’s] eyes” .
“ Learn Torah - the truth well pursue justice judge the orphan and plead the case
for the widow.” See Melachi 3:22 " Remember The Torah of Moses my servant
that I commanded him at Sinai for all the Jews to eternity both ritual laws and laws
between man and man”. There will never be any other laws. Melachi was the last
prophet. There existed thousands of Prophets. Only 48 prophets males and 8
prophetesses were recorded because their message has relevance for all future
generations. All of them call to do justice and act with mercy and kindness to all
humans regardless of race sex color national origin or religion.

Christianity has been accepted by 1 billion Catholics and 1 billion other
Christians all over the world. Regardless what non Christians believe and elect not
to accept the basis of the Christian faith of the crucifixion; nevertheless, for
Christians such negation is sacrilegious and insulting. The reality exists that 2 billion
people in the world today accept such concept as the word of God. I THEREFORE
AGAIN APOLOGIZE TO ALL MY READERS . I RESPECT FROM THE
DEPTHS OF MY HEART ALL THEIR RELIGIOUS BELIEFS AND HAVE
NEVER MEANT TO DISPARAGE THEM; EVEN IF I DO NOT SHARE THEIR
CONVICTION OF THEIR TRUTH. .

I am not writing to offend Christians but to protect Jews who are
unlearned and are bombarded by missionaries to convert and abandon Judaism. I
was faced with a choice of protecting these Jews or not possibly offending
Christians . I chose to protect the unlearned Jews. I apologize if I have offended any
Christian. It was not my intention to offend any one. As I have mentioned numerous
times Judaism has no quarrel with Christianity and preaches that all Christians will
have salvation if they also are good citizens and follow the laws of their state and
country. Judaism only takes offense when Judaism for Jews is assailed and the right
of the Jew to elect to remain alive physically and live his or her life as a Jew is put
in question.

When the legitimacy of Judaism is challenged then Jews must respond.

THE Jewish Bible Kings I chapter 19 verse 11-12 describes how God appears to man. . Elijah was told by God that there would appear a thundering storm but God is not in that thundering storm . There would appear great illumination of fire but God is not in that fire . After the fire there would appear a low voice hardly audible. God appears in this hardly audible voice.

REALITY

Living in the year 2008 in the United States , we are living in a democratic country that is blessed with 300 million citizens. I do not know the statistics how many people in the USA who identify themselves as Christians actually subscribe to all the dogmas of the Catholic or Protestant faith or even believe in the Trinity. The same is true worldwide. It is assumed that 1 billion people identify themselves as Catholic and 1 billion people identify themselves as Protestant. Again I do not know how many people actually subscribe to all the dogma of these faiths and even believe in the Trinity. Even though it is almost 2000 years since the birth of Jesus and millions or billions of people in the world either deny or are skeptical about the entire concept ; nevertheless to the believers in the Trinity it is real .

The same is true regarding the other religions . There are supposed to be 1 billion people who identify as Hindus and 1 billion people who identify as Buddhist and 1 billion 400 million people who identify as Moslems . However how many of these individuals actually subscribe to all the tenets and dogmas of their religion?

Therefore , I respect their beliefs even though I do not share their conviction .

There exist approximately 2 billion secular individuals in the world who espouse the theory of evolution. Many are atheists or skeptics and believe that the universe is millions or billion of years old . The universe may have been created from a first cause -God ; or may have originated from a freak accident the big bang

theory -all from random chance.

I BELIEVE THAT GOD CREATED THE UNIVERSE AND HIS PROVIDENCE EXISTS AND SUSTAINS THE UNIVERSE

Would the providence of God cease for a split second the universe would revert to *tohu* -nothingness a state also created by God.

In the next two chapters I will explore the position of two perspectives and perceptions regarding God. The Unitarian perspective that God can not be compartmentalized and the compartmentalized concept.

The Rambam in his introduction to the laws of *Avodah Zorah* 1:1 states that “Adam was instructed by God to believe in the Unitarian concept that God can not be compartmentalized. However in the days of Enosh the people lapsed and started to believe that the planets and stars and galaxies should also be worshipped; even though they realized that God created all of them. In the course of time people replaced God with paganism. They only believed that the planets moons stars forces of nature fire water wind all were gods. In the course of more time people made images of stone wood and metal of the gods and worshiped these images.”

For the Jew there exists no question that our perception about GOD IS ONE ZILLION % ACCURATE. OUR TRADITION HAS BEEN INDIVIDUALLY WITNESSED BY ALL OUR PARENTS- MILLIONS OF JEWS AND THOSE NON JEWS ACCOMPANIED THEM IN THE EXODUS FROM EGYPT- WHO STOOD AT MT. SINAI 3500 YEARS AGO AND HEARD FROM GOD THE TEN COMMANDMENTS . IN ADDITION, DURING THE 40 YEARS THEY WANDERED IN THE SINAI DESERT GOD TAUGHT THE JEWS ALL THE WRITTEN AND ORAL LAWS THAT EXIST TODAY IN THE TALMUD AND ARE SUMMARIZED IN THE SHULCHAN ARUCH. ALL THE JEWS TRANSCRIBED THESE LAWS ON PAPYRUS. ALL THE MANUSCRIPTS WERE LATER EDITED AND FORMED THE MISHNA TOSEFTA AND

TALMUD.

The above cited Rambam elaborates that the experience of Revelation that each Jew and Jewess witnessed is the greatest form of truth. Certainly, after witnessing revelation with their own eyes and ears their degree of certainty surpassed any truth about God and his teachings that they heard than if a million witnesses testified to these facts. All their experience was recorded on papyrus.

Each parent passed on the tradition that he/she experienced at Sinai to their children and close family. No parent will lie. Certainly it is a trillion times easier to convert and not be a Jew. The only reason a parent wants his/her children to suffer if there exists no other alternative and remain a Jew or Jewess is because Judaism is the truth that they themselves experienced.

Each day and Sabbath and holidays during prayer services the Jew wears a talit and tefilin only on the weekdays. On Shabbat he is prohibited from engaging in all active and creative "work". He/she must make kiddush at Shabbath eve and mourning and havdallah after the Sabbath ends. All these mitzvot are to remind the Jew of the Exodus from Egypt and Revelation. He/she must have a mezuzah on the door posts of each room in his residence. -All these mitzvot remind him of the miracles of the Exodus from Egypt and of Revelation that his fore parents experienced. Each holiday -Passover Shavuot Rosh Hashna Yom Kippur Succot the Jews are ordained with Mitzvot - eating matzohs on Passover blowing a shofar on Rosh Hashana fasting on Yom Kippur using a lulav and esrog and sitting in a Sukkah on Sukkot. The reason is again the Jew is reminded of the miracle of the Exodus of Egypt and Revelation.

See Rambam Mada Yesodei Hatora chapter 8, 9 Rashi talmud Bavali Bava Metziah 92a megillah storot and prologue to Mishneh Torah.

The Rambam Mada Yesodei Hatorah chapter 8,9 continues

The Jews in the time of Moses did not believe what he said because of miracles that he performed. Magicians using black magic could duplicate the miracles that Moses or any so called prophet real or false performs. The Jews accepted the teachings of Moses because all the Jews at that time shared the experience of revelation together with Moses. Moses was not preaching anything new to the

unconverted. Moses was preaching to the already converted. They were converted to Judaism as a result of the revelation that they also shared together with Moses. Therefore, if in the future a man arises who claims he/she is a prophet or prophetess and contradicts the Torah in our hands and claims that GOD sent him/her to abrogate even one Mitzvah we will not believe him/her. If the prophet/prophetess claims that any one Mitzvah is temporarily suspended , not abrogated and torn out - if the prophet /prophetess is a great Talmudic scholar we will accept his/her ruling. Every great Talmudic scholar who has mastered all the laws of the Shulchan Aruch would likewise be obeyed. However if the prophet or prophetess tells us that God sent him/her that Jews worship or accept idolatry EVEN ONCE -THAT THE PROHIBITION AGAINST ACCEPTING IDOLATRY IS SUSPENDED JEWS ARE PROHIBITED FROM ACCEPTING SUCH A RULING OR PROPHECY.

We then have circumstantial evidence that what this man/woman is preaching is false because all Jews saw and heard with their own eyes and ears , not heresy evidence from witnesses that God will never alter or amend and abrogate the smallest detail in any positive Mitzvah or negative prohibition. Worshiping or even acceptance of a man god is for Jews considered idolatry.

Further more no prophet /prophetess is permitted to add or subtract even an iota from the Torah in our possession. He/she can not even offer an opinion as to the interpretation of the existing laws if his /her authority is prophesy. For the Torah is not in heaven . Only accepted precedent is the Talmud itself.

the Rambam's authority is the Talmud B'v'li Sanedrin 89

Furthermore , God declared in the first two of the Ten Commandments :

“I am God your God who rescued you from the bondage of Egypt . You shall have no other gods beside God. For God will not tolerate if you worship any other gods from the heavens above or from the earth and oceans below. For God will punish any one who accepts or worships other gods. If their descendants worship other gods God will punish them to three or four generations . However God will reward all who honor and observe God's Torah for 1000 generations. ” Devorim -Parsha

Veaschanon Deuteronomy 5:6-11.

God further warned mankind not to lapse into any form of idolatry . GOD declared “ At revelation on Mount Sinai all that you witnessed was that you heard God’s voice reciting the Ten Commandments. You did not see any image [. God possesses no image] Therefore it is prohibited to worship any creature in the heavens above -sun moon stars galaxies angels or make any image of them and certainly it is prohibited to worship them. Likewise it is prohibited to worship any man god or woman goddess or make an image of them and certainly it is prohibited to worship the image. Likewise, it is prohibited to worship any animal reptile insect or bird or fish or ocean mammals or make an image of them. It certainly is prohibited to worship the image.” Deuteronomy 4:12.

Both the religions that believed that the planets moons stars fire water wind are other elements and forces in nature are god : as well as the religions that believed that the gods impregnated virgins and man gods were born who later ascend to heaven and share in ruling the universe believe that God is compartmentalized. Separate gods have different roles. All of the gods may be united under an umbrella of some loose federation and be united . They may very well qualify to be loosely defined as monotheism.

I am exploring all positions in the next two chapters. I am writing from the Jewish Torah perspective. I am not representing the position of those individuals and creeds that do not share the position of Unitarianism that God can not be compartmentalized. Over 1 billion 400 million Moslems share this position together with millions of Unitarians Deists and Jews.

I have stressed continuously the position of Judaism that Judaism incorporates tolerance and grants all faiths space to live . Judaism grants each faith the right to interpret G-d and the relationship of man /woman to G-d in any way they see fit . They can consider their faith as the only true religion in the world . They can consider themselves the chosen people of G-d. No human can attain perfection or achieve union with G-d unless that human pledges allegiance and adopts all the articles of their faith, Otherwise that human will burn in hell to eternity.

All this is fine as long as the State does not endorse and enforce with police and military power the articles of faith of any one or many faiths. What happens in a free society like we have in the USA when Christian groups earmark one billion dollars dedicated to convert Jews? These groups are operating with in their constitutional, grounds and exercising their right to freedom of speech. To

address the arguments of these groups I must unfortunately have to advance arguments that might offend my Christian friends. However if I hesitate , I will be abandoning the unlearned Jew to those individuals who view it as their mission to convert my fellow Jews. This situation must be addressed in view of the fact that there exists- many- 60- churches in the USA that call themselves Temples of Messianic Jews who adopt Jewish symbolisms like the star of David together with the Cross and claim that they observe Jewish holidays but convert them to a Christian theme and preach the Gospel.

What I am writing is not intended to win converts for Judaism. Judaism preaches that non Jews do not have to observe Jewish rituals or the Jewish concept of Unitarianism to achieve salvation .As long as they observe the laws of their country and state they will achieve salvation. Judaism however preaches that Jews however must observe all the laws of the state and country, in addition to all the Jewish rituals in order to achieve salvation.

Let us begin by reviewing the historical reality . Constantine, the Roman emperor in 325 convened 316 bishops at Nicaea and himself presided as the supreme bishop. He made it very clear that his wish was God's command. He forced all but 3 bishops to agree to the doctrine that Jesus was of the same substance as God. Until the synod of Nicaea the position of Christianity was that God and Jesus were not the same substance. After the conference Constantine issued a proclamation that the decision at the synod was the will of God . Constantine was a believer of the solar cult of Mithras believing the sun is god. In effect the Roman Catholic Church by adopting the decree of Constantine was ipso fact accepting the basic tenets of the far eastern and middle eastern mystery religions. All of them had as a cardinal belief that God impregnated a virgin who gave birth to a man god . This man god disturbs the status quo by preaching reform

. He becomes a threat to the priests who are corrupt . He is tried and is crucified. After three days the man god is resurrected and joins the father god in heaven. Together they govern the universe. The father god is the creator; while the man god who was crucified and died to forgive the sins of Adam and the rest of mankind serves the role of forgiving sinners. Also there exists a holy ghost whose role and function is wisdom and knowledge in the universe.

Ask every pope since 325 if he is a unitarian . He will deny that he is a Unitarians and exclaim that the only way one can achieve salvation is by believing in Jesus as the Son of God. As a matter of fact the American Heritage Dictionary defines a Unitarian as one not a Christian. Thus ipso facto the position of the Church for the last 1700 years has been the identical position as the middle and far eastern mystery religions. Yes, the name of the son has changed, but the basic framework and dynamics remain the same. Even the Eucharist in all the sacraments of the Catholic Church and many other Christian Churches are similar to the sacraments of the Roman middle eastern mystery religion. One eats the holy wafers and drinks the wine and in that way makes communion with the deity. Roman Catholics and other Christians substituted Jesus for the deity. They believe that the wafers represents the body and the wine represents the blood of the deity at the time of the crucifixion. . In both religions the believer recites three or seven times a prayer that the wafer and wine represent the body and blood of the deity. See Miracles of the Gods by Erich Von Daniken pages 54-106.

Erich Von Daniken cites numerous passages from the New Testament that are similar as those passages from the Bibles and other holy books of the middle and far eastern mystery religions.

Now let us focus as to the reasons that Jews for the past 4000 years have not accepted any of the far eastern and middle eastern mystery religions. Jews have a tradition starting with Adam that G-d is One. G-D can not be compartmentalized. There do not exist different entities to G-d who perform different functions -one is a creator , the other is the one who forgives sins and another is the mind of wisdom . The ancients believed in such gods. They separated the functions of god and brought sacrifices- many times human sacrifices- to appease the particular deity. Thus we read in the prophet Jonah that Jonah was tossed into the sea to appease Neptune the god of the sea when there was a storm and all aboard the ship thought the ship would sink. The Phoenicians- Carthagians used to bring human sacrifices regularly to appease their gods . Crucifixion used by Rome was also a religious ceremony to appease their gods. When the Christians adopted the cardinal principles of Constantine they also adopted the concept of crucifixion as an atonement for the sins of mankind.

Judaism never once accepted that God can be compartmentalized; nor that G-d has roles ; nor that it is necessary for anyone human or god to die for the sins that he himself/herself did not commit. Children are never punished for the sins of their parents. Each person is to be punished for his/her own sins. All these concepts are givens. They are the basic foundation for 4000 years of Judaism and have been the basic fabric for billions of Muslims since 625 when Mohammad preached Islam.

The basic creed of the Jew recited twice a day in the morning and night is shma yisroel hashem elokanu hashem echod. "Hear O Israel G-d is our G-d G-d is One"- Deuteronomy 6:4.; Deuteronomy 5:5-11 "I am your G-d who took you out from Egypt you shall not have any gods other than G-d. " Exodus 20:1,2 ; Deuteronomy 5:6-the Ten Commandments- "I am your G-d You

shall not have any G-d other than I. ”

Every time G-d is mentioned it always is written in the Hebrew in the singular - One; never in the plural or we .

See Isaiah 45:12,13 14,18 that discuss the Unitarian nature of G-d.

After the church fathers capitulated and accepted Constantine's concept of God they then commissioned a committee to edit every manuscripts they possessed of the New Testament to dove tail and echo their doctrine. As pointed out earlier no documents survive or exist from the New Testament other than what was found in a monastery found in 1845. All 1500 documents of the New Testament that were found contradict each other. Each document is written to propagate a particular theological position. The Roman Catholic Church burned all documents that espoused the gospels of the early Hebrew Christians the Ebyonim who included James the brother of Jesus that did not accept that Jesus is God. They also believed that it was mandatory for Jews to observe all the Mitzvot. As a matter of fact Jesus as related in the New Testament observed all the Mitzvot. It was the church fathers who decided on their own to declare all the Mitvot abrogated and superceded by the New Testament.

The Church fathers preached to an audience Romans and Greeks who believed in the middle eastern mysteries and of course never observed the Jewish rituals- the mitzvot. At the end of the day the church fathers substituted Jesus for the son of one of the Roman or Greek gods and told them that the Jewish rituals were no longer valid. However, the Jewish rituals were never valid or obligatory according to Jewish law for gentiles any way. So the gentiles at the end of the day were in the same position as they started. That is what Constantine wanted and that is what the church delivered. That is why the church was successful in winning

acceptance with the gentiles.

However , the Church for the last 1700 years was a total and dismal failure in converting Jews or Moslems. . The reason is because all Semites have a tradition dating to Abraham 4000 years ago about the unity of G-D. G-d can not be compartmentalized. That is why the Moslems have adopted in their religion almost all the rituals of Judaism. Because the Moslems claim the Mitzvot of the Jews are eternal.

The Christians have in vain attempted to manipulate and misinterpret the Hebrew Bible as predicting the birth of Jesus. All their references are erroneous. Isaiah 45 :1 is proof . Isaiah prophesied about the birth of Koresh king of Persia and calls him by his name Koresh -G-d's messiah . Koresh or Cyrus authorized the return of the Jews to Judea and gave them permission and money to rebuild the temple. Thus Isaiah calls hin by his name Koresh the messiah . Would any of the prophets have had Jesus in mind they would have mentioned the name Jesus explicitly and not hinted the way Christians misinterpret the Hebrew Bible.
