

The Moslems adopted the creed of the Jewish Christians that Jesus was no more than a prophet at most. Yes there existed an immaculate conception . Jesus may have been resurrected after the crucifixion, He may have ascended to heaven . But so did Mohammad the last prophet according to Islam . But Jesus never was or is a son of G-d -ALLAH. THE Muslims adopted the pure monotheistic faith of the Jews.

Muslims also adopted many or most of the rituals of the Jew that they claim were independently revealed to Mohammad by G-d or by His angels. Muslim boys are circumcised at age 13 the same age that Ismael -the favorite son of Abraham was circumcised. Muslims eat only kosher animals - with the exception of the camel that Muslims eat. but not Jews. They slaughter the animals in a similar manner as Jews. Muslim married women seven days after they have a period dip in the ocean or a river or ritual bath before they can resume normal sexual relations with their husband . This is the same as Jews observe. . Other Muslim women will only shower which is not permitted for Jews.

In addition the Muslims have very similar laws as Jews in the following areas: marriage divorce and annulment civil as well as criminal laws . They used all these laws to govern all the vast territories that they conquered.

Over many centuries Muslims employed an army of Jewish scholars as advisers and administrators as well as accountants financiers and corporate chief executive officers to manage their empire. Even after Israel was created as a Jewish State many Arab countries who banished their Jewish citizens retained the services of their Jewish accountants financiers and corporate executive officers. Otherwise they would go kaput. So much faith they had with their Jewish help.

The presence of the Moslems called the Moors - in half of Spain before all Jews and Moors were expelled by Ferdinand and Isabella in 1492 had a salutary influence in the entire Iberian Peninsula. The arts culture philosophy and commerce flourished among Christians Moors and Jews. When Ferdinand married Isabella and united two separate Christian provinces in Spain he promised Isabella that after their marriage he would drive out the heretical Moors and Jews. Ferdinand made good on his promise on August 1492. when all the Moors and Jews were expelled after he won a war against the armies of the Moors. A quarter of a million Jews remained who elected to baptize.

However their fate as Christians proved to be a catastrophe. Thousands of them were falsely accused of Judaizing- of practicing Judaism secretly. Their punishment was swift. They were burned alive at the stake. Those individuals who accused them were rewarded with a percentage of their wealth. Hundreds of thousands of Christians -including former soldiers who participated in the Crusades and risked their lives for Christianity -the Templar Knights- that the inquisition claimed had adopted heretical positions were also burned at the stake.

If a percentage of Jews were killed by pogroms periodically; 100% of Moranos whom the inquisition accused of betrayal of Christianity were burned at the stake,. The inquisition followed the Moranos to the New world in Central and South America. Thousands of Jews were executed on suspicion of practicing Jewish customs or laws. If life was very hard as a Jew and Jews were treated worse than animals; then converting was suicide. The suspected Moranos were burned at the stake, after torture.

The Nazis were the executioners for European Jews who abandoned all their Judaism thinking that in that way they would endear themselves to their non -Jewish neighbors. Yes, they gained access to many fields closed to Jews. But because of their momentous contributions in all fields of the physical and social sciences and medicine Jews won many of the high positions in those fields in Europe. They thereby precipitated the envy and hatred of the rest of the gentile population. Hitler found a fertile field in 1933 when he came to power by democratic election in Germany to institute his program of making Europe and then the entire world if he wins the war - Juden rein by killing the Jews. He had the blessings of Great Britain France and all the other Europeans, even though he was at war with them. A precedent existed that all these countries at one time or another also made their countries Juden rein. The Church also cooperated. They never saved all the Jews anyway. So what if 6 million Jews are killed. There still remained 12 million.

That is the reason why Jews must remain in control of their destiny in Eretz Yisroel..
ISRAEL.

One such tragedy stands out. The French anti Semites accused Dreyfus a French Jewish Officer falsely of betraying France and spying for Germany in the Franco - German war of 1870 . They accused him handing over to Germany secrets about French heavy guns. Dreyfus was tried and found guilty and imprisoned. It took decades to vindicate Dreyfus and prove him innocent. There existed many such incidents of blatant anti-Semitism . German anti-Semites accused Jews of selling Germany defective munitions in that vey war against France. Even Bismark the Chancellor of Prussia who united the German States exploited Anti-Semitism for his purposes.

In addition the Russian anti Semites in 1905 accused a Jew-Beilin - that he murdered a child in order to use his blood in Matzos for Passover . Beilen was found innocent after the involvement of the diplomats of many countries Western European and the USA . This was similar to another blood libel in Damascus Syria in 1845. In that case the accused Jew also was found innocent when the Turkish Sultan intervned.

However , a Jew by the name of Frank in the South of the USA in 1915 who was falsely accused of murdering a white girl after being having his guilty sentence

commuted by the governor was lynched and hung by an Anti-Semitic mob. One of the Anti-Semites who incited the mob against Frank and published a newspaper was elected to Congress. So poisonous was anti-Semitism even in the USA. The Jews in the USA organized themselves to combat Anti-Semitism -The Bnai Brith The Anti-Defamation League The Jewish Congress and the Jewish Committee. Jews from all ideological religious leanings must unite as a band of brothers for our common survival

However, thank G-d Anti-Semitism has not been an existential threat in the USA as it has been in Europe and is present in Israel. There were many instances that Jews were discriminated against in the admission to elite Universities. They were admitted in a quota. Until the 1950's it was rare for Jews to get appointments in the department of philosophy and history in many universities. The reason was because of the fear on the part of those Anti-Semites who funded the universities that the Jewish professors might introduce an interpretation of philosophy and history that did not vindicate Aryan supremacy. Jewish contributions and the position of Jews were ignored or deleted in the texts. The above discriminations were part of the reasons that Jews founded Brandeis University and Yeshiva University. of the Rav Yitzchok Elchonon Seminary as well as Touro College. Both Yeshiva University and Touro College have mushroomed into medical and law schools. Touro College has opened branches not only in the USA but also in Russia Israel and Germany.

Those incidents together with the pogroms in Russia were the turning point. Jews organized Zionist societies and even assimilated Jews realized that Jews had no future in Europe. Jews must flock to Eretz Yisroel- Israel -and establish an independent Jewish homeland. All Jews united religious not religious agnostics and atheists to realize this dream. In 1920 the victorious allies under the League of Nations - accepted the Balfour Declaration and instructed Great Britain that was appointed as the supervising power to establish a Jewish homeland in Palestine. Even though the USA was not a member of the League of Nations, President Wilson fully supported the plan of establishing a Jewish Homeland in Eretz Yisroel.

However, Great Britain misused this appointment. Instead of establishing a Jewish homeland in the area later occupied by Jordan and Israel today, the British established an Arab State - Jordan using over 80% of the allotted territory that was supposed to be for a Jewish State. To add insult to injury, the British did everything in their power to prevent Jews from settling in Eretz Yisroel. At first they limited the number of Jews who were allowed to immigrate. Then the British in 1939 issued the

White Paper stopping all immigration of Jews. In that manner the British sealed the fate of all European Jews and prevented them from escaping death in the crematoriums from Hitler.

However, Great Britain was at war with the Nazis. Tens of millions of British, American and Russian and other allied soldiers and civilians were killed and wounded from 1939-1945. The Allies by focusing on the war effort rescued 6-7 million Jews in the Americas; 3 million Jews in Russia; half a million in Palestine now Israel; another million and a half Jews in the Middle East; 300,000 Jews in Great Britain, another 300,000-500,000 in South Africa and Australia and New Zealand from annihilation would the Nazis have won the war.

True the Allies did not save the Jews in Nazi Occupied Europe, but they did save the Jews all over the world. They prevented the Jews from reaching Palestine from 1939-1945 because they were at war with the Nazis and could not afford to have one million Arabs and one billion Moslems create another front against the Allies and side with the Nazis. These same issues and considerations dictated British policy before the Balfour Declaration and after. Even the Balfour Declaration explicitly stated that a national home for the Jews was to be created without prejudicing Arab rights.

THE British kept upper most British interests that favored the Arabs since the Arabs had one billion Moslems supporting them. Was such a policy against Jewish interests? Of course. Did such a policy contribute toward the murder of 6 million Jews? Of course. But we must understand British thinking from 1900-2007. British and European interests and Jewish interests have clashed violently during this period of time.

THE EUROPEANS DID NOT CONSIDER SAVING JEWISH LIVES AS A PRIORITY. THE ANTI-SEMITISM THAT POISONED EUROPEAN MINDS WERE INHERITED FROM GENERATION TO GENERATION. THE CHURCH IN MANY CASES FOMENTED THE HATRED WITH BLOOD LIBELS FOUND IN THE NEW TESTAMENT AND THE WRITINGS OF THE EARLY AND LATER CHURCH FATHERS. There always existed a dichotomy in the attitude of the Church regarding Jews. On the one hand they were under the order of Paul not to kill Jews, but at the same time to hold all JEWS IN CONTEMPT BECAUSE 2000 YEARS AGO THE NEW TESTAMENT ACCOUNTS HOLDS THE Jews responsible for the crucifixion. Therefore a curse exists on all Jews. Plus the fact that Jews do not accept Jesus

WHY DO THE THE VERY ENLIGHTENED MINDS OF CHRISTIANS OVER THE CENTURIES NOT HOLD ALL OTHER HUMANS IN CONTEMPT AND TREAT THEM AS JEWS ARE TREATED ? SINCE ONE BILLION MOSLEMS AND ONE BILLION HINDUS AND ONE BILLION BUDDHISTS ALSO DO NOT ACCEPT CHRIST.

**Could it be that the Jews were easy targets and defenseless?
Would the Christians have treated the other people who do not accept Christianity the way they treat the Jews Christian blood would have flown in all the streets where Christians are a minority.**

Once the State of Israel came into existence a different attitude surfaced toward Jews in the entire world. Now the State of Israel became the target of Anti Semites. The hatred was shifted to a larger target. The State of Israel was perceived as the shield and refuge for the Jewish people against Anti-Semitism. The State of Israel emancipated the Jews from their status as a sub human who could be killed and certainly enslaved . The State of Israel emancipated the Jew and elevated him/her to the status of a human even if he/she does not live in Israel. This status the Anti-Semites do not want to accept. Thus the war against the State of Israel is another attempt to drag the Jew back to his former status of a sub human . The war against Israel in all the spheres - diplomatic economic propaganda and on the battle field. It is a crusade to extinguish Jewish existence that has been raging since 325 ACE. The Torah's prescription is crystal clear. *habo lehorgecho hashkem vehorgo* .One who comes to kill you pre-empt and kill him. However Israel's policy must be more sophisticated. We must use a diplomatic means and revert to our power when all means have failed. The creativity of world Jews must be employed to safe guard Israel.

If Jews are to succeed and Israel is to remain a Jewish State we can not write of all our antagonists as Anti- Semites. This applies to the Europeans as well as our Arab neighbors. We must understand what motivates them and devise a strategy to realize our interests having all options on the table - preferably political economic and also not removing the military option from the table.

The British during the entire time frame since Jews returned to Great Britain in the 1600s and especially in the 19th century to today have treated their Jewish subjects with the same rights and dignity as any other denomination. Jews have enjoyed the same privileges as any other citizens. Jews have been elected to the highest offices of the land. The same goes for France post Nazi Germany and the rest of Europe. Even though anti-Semitism does exist in Europe today, but the official policy of all the Europeans is equality for Jews. I wished I could say the same the way they relate toward the State of Israel. But the State of Israel brings up the clash with their national interests regarding the one billion Moslems and 100 million Arabs and their interests in the Arab world.

Jews are thankful to the Europeans for all their friendship and rights the British and other Europeans have bestowed on their Jewish citizens. We are grateful for all the help- diplomatic political economic and financial Europeans have given to Israel, even though they tend to favor the Arabs most of the time. Jews recognize the monumental sacrifices of all the Europeans especially during all the wars they fought - the first and second World Wars. Millions of Jews served in the armed forces of the allies in all the wars. My own father served in the Polish army during the first world war.

After the holocaust in 1947 the United Nations by a miracle declared their support for two States an Arab and Jewish State.. The Jews accepted and established Israel the Arabs refused and launched a war to destroy the nascent Jewish State. The rest is history.

However the cause of anti-Semitism is hatred of Jews and non Jews who are different that turns to mass murder.

We can not control the hatred of anyone

However if Jews are empowered with a country and army of their own then they can retaliate massively against our enemies. Those who hate us will then think a million times before murdering us because they will receive in return 1000 times. Jewish blood is not cheap.

For 2000 years we were at the mercy of many nations and the Christian Church to protect us. We appreciate what they did. However when push came to shove during the holocaust no one wanted to help Jews with the exception of a few brave souls.

However by a miracle Hitler did not develop the atomic bomb first and win the war, Then all the Jews would have been killed all over the world. Never again are Jews permitted to place their destiny in the hands of any one else than G-d and Jews. Jews must be in control of protecting themselves. Having a country of our own Israel enables us to control our destiny and not be at the mercy of anyone else than G-d and ourselves.

Even Ferdinand and Isabella the monarchs of Spain in 1492 when they forced all the Jews to either convert to Christianity or leave Spain spared the Abarbanell family who were the financiers and chief corporate officers of Spain . They would have been able to practice Judaism and remain in Spain . Abarbanell declined the dispensation and also left with all the other Jews .

The Muslim Sultans employed regularly Jewish physicians. The Catholic clergy and the popes also used Jewish physicians. Many Christian kings employed Jewish accountants and financiers whom they trusted.

When the Muslims swept through North Africa and half of Spain the Christians identified the Muslims as Jews since the Muslim were so similar. The Christians feared that the Muslims would avenge the injustices meted out to the Jews by the Christians. The similar behavior of Muslims and Jews goes a long way to explain why Jews were welcome in Moslem countries in most periods of history. Muslims trusted Jews to whom they were related as distant cousins. Biologically they all were Semites and all shared a common background- all were children of Abraham. The Muslims being the offspring of Ismael and the Jews being the offspring of Isaac both sons of Abraham having two different mothers.

It is of great interest to note that Muslims never required Jews or any one else serve as witnesses of the truth of their religion as Christians required Jews. Muslims never accused Jews as killing their religious leaders.

Since Muslims were divorced from Christianity they likewise were not influenced and did not adopt their tactics nor their strategy of using the subdued nations as witnesses and did not need to have a curse upon the conquered nations. Muslims through out most of their history were very tolerant of different creeds and religions especially Judaism and Christianity.

Moslems claim that the entire religion of Islam and all its laws rituals marriage divorce civil laws criminal laws were all revealed to Mohammad by G-d or by angels. Judaism respects their claim We respect the 1400 year old traditions of Islam. We respect the one billion Muslims in the world..

It is because of the wonderful history of tolerance and mutual respect of Muslims and Jews for the last 2400 years -before Mohammad and after his coming - that I honestly believe that a genuine peace can be achieved between Arabs and Jews today in Israel I leave it up to the people living in Israel to weigh all the options and consequences and proceed to attain peace between the Arabs and the Jews.

No matter how humiliating the misfortunes suffered by the Romans who were now Christians, the Church succeeded to convince their believers of the truth of Christianity and the Pauline doctrine that the Jews were witnesses to the truth of Christianity The words of the clergy prevailed and held the loyalty of the masses to the Church. This doctrine at once injected contempt for the Jew gave a licence to abuse and discriminate against the Jew ; and at the same breath protected the Jew from extinction. Yes, there were pogroms fomented many times by officials of the church ; but Jews as a whole as a people survived. The percentages of the survivors varied ; but the people as a whole the species of Jews did not become extinct thanks to the ambivalent nature of Paul's formula as explained in the earlier paragraphs.

The Jews did not have an alternative . Those who did emigrated to Muslim countries or else went to Christian countries who behaved more humanely toward Jews.

That is the saga of the Jew for 2000 years until the holocaust and the renaissance of the Jew in the reborn state of the Jew Israel. The Christian Church played a major role in the saga of the survival of the Jew . With all the short comings as we have enumerated Jews must be thankful to the Church for those Jews who did survive. Would the Church never have existed it is conceivable that in this anti Semitic world there would not remain any Jews in countries controlled by Christians.

Paul established the foundation for the Christian Church regarding the

defenseless Jews. He termed his edict the will of G-d known only to G-d . This was part of the mysteries of G-d. No Jew was to be killed. Only at the end of time the Jews would accept Jesus-according to Paul. **G-D HIMSELF WILL DEAL WITH THE JEW. NO MAN HAS THE RIGHT TO TOUCH OR HARM A JEW. THAT IS THE WILL OF G-D.** Once a promise is made by G-d to Abraham that the Jews are to remain to eternity G-d does not revoke his promise . See *The Anguish of the Jews* by Edward H. Flannery [-a Catholic priest] citing the Epistles to the Romans 9:11 and Romans 11;28-29. Page 27.

See also *Faith and Fratricide the theological Roots of Anti- Semitism* by Rosemary Ruether pages 106-107 for the same.

The survival of the Jew , albeit, even if treated worse than animals, nevertheless a percentage survived is to be credited to the Church, who followed the orders of Paul.

Paul was a saint and a genius. He convinced Christians for 2000 years to save Jewish lives. Regardless of our cardinal areas of differences ; but he is the one man who gets all the credit , in addition, to the thousands of other church fathers and officials in the church who heeded his orders. Even in the holocaust thousands of Catholics put their lives in danger to save Jews. Pope Pius quietly gave orders to his priests to save Jews . The man who was to become Pope John in Poland saved Jews.

The contempt for the Jew came to an end with the creation and the continuation of the miraculous rebirth and renaissance of the Jew in the State of Israel. The Catholic Church in 1965 found the creativity to reconcile the anti Semitism and blood libel against the Jew and abolish the 2000 year old blood libel that all Jews to eternity are guilty for deicide -for Jesus' crucifixion. The church reconciled itself to the reality of a Jewish State. The Vatican has an ambassador in Israel. Israel has an ambassador at the Vatican. Likewise many Protestants

theologians have adopted the thesis of Dual Covenants by G-d-one for ISRAEL THAT IS FULFILLED BY JEWS OBSERVING THE Torah; and one for Gentiles in their belief and acceptance of Jesus. This platform is very close to the Jewish concept that all Gentiles have a Covenant from the time of Noah . A gentile who observes the Seven Nohadite LAWS OF HUMANITY-EACH NATION'S OWN CIVIL AND CRIMINAL LAWS even though his concept of One G-d is not pure monotheism -he believes that G-d has a partner or many partners - such a man merits heaven and is perfect . THE Jewish Concept leaves space for all other religions who believe in One G-d but G-d has one or more partners in the Godhead. who together manage the universe. How G-d can be together with one or more partners is part of the mystery of G-d that each religion interprets. Thus the Zoroastrians , Hindus and Buddhist are also included. SEE Ramo Orech Chaim 156:1.

The First amendment to the USA Constitution is the instrument that insures freedom of religion. The civil government must adopt a neutral position divorcing church temple mosque and synagogue from state. Otherwise the world will cease to exist. IF THE PEOPLE WHO ESPOUSE ONE RELIGION WILL TRY TO FORCE OTHERS TO EMBRACE THEIR CONCEPT OF G-D under one Universal religion at the edge of the atom bomb , no man will survive. Now Christians Moslems Hindus Buddhist and Jews -all possess the atom bomb. Now no one religion can claim numerical superiority. The atom bomb is the great equalizer of all numbers.

No longer is the Jew and Judaism the whipping boy and scapegoat. That is why if the Arabs and Palestinians refuse to recognize a Jewish Israel then Israel will revert to the existing default situation and the Palestinians will never have an independent Palestinian state. If they kill Jews - Israel should throw out all the Palestinians . Israel should not hesitate to use all its power including atomic power to ensure its existence. Hakom legorgecho hashkem vehorgo. If anyone comes to kill you preempt and destroy him. This applies to one person or a million or a billion people. THOSE INDIVIDUALS WHO BLESS THE JEWS WILL BE BLESSED. THIS IS THE BLESSING OF G-D . This is the will of G-d to protect the Jew's life from assault and murder. It is not only permitted but it is mandatory to kill one , a thousand , a million, or a billion of your enemies.

The time that Jewish blood could be spilled with impunity is dead.

Billions of Moslems Budhists Hindus ancient Romans and Greeks all have their own belief in the Diety that is different than the Trinitarian creed.

IF G-D would really mandate under punishment of death in this world and eternal damnation that all men accept Jesus -a Jew - as his partner and sharing the godhead wouldn't He have explicitly revealed the same daily to all of mankind? Nothing is beyond the ability of G-d.

Not a word of this doctrine is explicitly spelled out in the ten commandments heard by millions of Jews and non Jews at Mount Sinai . The family of Jesus did not accept this doctrine. Neither did the Jewish Christians. Neither do the one billion Moslems nor the one billion Buddhist nor the one billion Hindus.

IN order that there not be a war of civilizations and religions -mankind must adopt the American vision of the first amendment of the bill of rights guaranteeing freedom of religion . It is not our job to be G-D'S policemen and pontificate what is G-d. All the pontificating for a trillion years on the part of

**mankind will not create one dent on the
true nature of G-d.**

Let mankind become more humble and focus on G-d's creations. Let us leave man to be happy with his own vision of what is G-d and what G-d wants from him. As long as the state takes a neutral position on religion -the state is divorced from the church mosque and synagogue then mankind will remain to eternity. Such a vision is the Jewish Torah vision and Messianic vision as I discuss in this paper.

**. According to Judaism any Christian accepting the Trinitarian concept does merit salvation -eternal life providing he also observes all the humanitarian laws-
Seven Noahite laws.**

According to Judaism every nation has a right to establish their own codes of civil and criminal laws that will govern the relations of their citizens. Jews must be governed by the Written Law given by G-d to Moses at Sinai 3400 years ago in front of millions of Jews and Non Jews. The written Law appears in the Jewish Bible -the five books of Moses the Pentateuch. The Written Law is interpreted by the Oral Law that was written on manuscripts from the time that the Jews wandered in the desert 40 years and passed on to their descendants until it was edited and reduced to the books of the Talmud the Mishne 200 years before the common era and the Gemorah 400 years after the common era. All new questions for the past 2000 years are resolved in responsa based on the precedents in the Talmud. The summary of the Talmud in the commentaries on the Talmud of the Geonim 400 -1000 AD and Rishonim 1000 -1400 AD . Codes of Law also

exist .the Riff the Rambam and the Shulchan Aruch. Over the last 2000 years millions of these books have been written .

A non Jew who observes the Seen Noahite laws even if interpreted by his own group merits heaven salvation and eternal life. THAT MEANS THAT ALL Christians and Moslems who observe their religion - but do not force others to adopt their religion- will all go to heaven. G-d has made a Covenant with Noah and all his descendants to eternity . . THEY ARE CHOSEN AND ARE THE SONS AND DAUGHTERS OF G-d together with the Jews who must observe all the other rituals as recorded in the Written and Oral Laws in order to reach perfection and go to

heaven.

The souls of non Jews never required the observance of the Jewish rituals in order to reach perfection and go to heaven. That is why Jews do not convert non Jews to become Jews.

Non Jews already have a Covenant with G-d. They are perfect human beings if they observe the Seven Nohadite Mitzvos - Commandments.

That is why Jews are not missionaries other than inspire mankind -by example by deeds and not by word alone- to be humane. That is the reason G-d has dispersed Israel through out the world. See Talmud Pesochim. Such is G-d's decree since He created the world.

Consequently , it was easier for Paul and all the other disciples to convert the heathens . **Non Jews are not require to observe the Jewish rituals in the Torah. Non Jews , also. are not mandated to believe in a strict monotheism as are Jews. They all go to heaven anyway. See Ramo on Shulchan Aruch Orech Chaim 156;1**

Thus all Christians according to Judaism will go to heaven -providing they also observe all the other Seven Nohadite Mitzvohs -Principles of humane laws.-the civil and criminal laws of each country . They observe the laws of their society and are good citizens.

Judaism considers Islam and Christianity as monotheistic religious who have succeeded in banishing paganism from the world. That is the wonderful accomplishment of Christianity and Islam. Rambam end of Laws of Melochim 11:1 -Yemenite edition laws of the coming of the Messiah.

The Jewish Concept according to Maimonides is that The Messiah will establish an Independent Jewish State in Israel . All the Jews will be gathered from all the world. He will rebuild the third Temple on the Temple Mount. Universal peace will reign.

According to Maimonides no man knows how these events will play out nor the order that they will take until they actually happen

NON Jews will not convert; but will retain their own religion as they have practiced all these thousands of years. ALL OF THEM WILL OBSERVE THE SEVEN MITZVOHS - Principles of humanity.

G-d is quite happy with the status quo.

See Rambam Melochim 8: 10;11. Such individuals merit Heaven Salvation and are deemed perfect today , there will be no difference when the Messiah comes. Only there will be no wars. All Jews will be gathered from all parts of the world . There will be an independent Jewish State and the Third temple will be built on the Temple Mount in Jerusalem the undivided capital of present day Israel.

That will be the Messianic era.

No revolutionary changes will exist , otherwise . See Rambam Melochim 11:1,,3,4. Therefore , it is safe to assume that all men will practice their own faith as they have done the past thousands of years. All humans will however observe the Seven Mitzvohs of Humanity. That is the meaning that a sheep will dwell in peace with a lion and will not fear that he will be killed.

Thus there is no room according to Judaism for any conflicts that have their roots in religious differences. ALL PEOPLE IN THE MESSIANIC ERA WILL ENJOY THE SAME FREEDOM AS GRANTED IN THE FIRST AMENDMENT TO THE USA BILL OF RIGHTS IN THE CONSTITUTION. POSSIBLY THE GENTILE FOREFATHERS USHERED IN THE MESSIANIC ERA . They possibly were the first step in G-d's MASTER PLAN for the coming of the Messiah. They thus serve in a similar role as the Persian emperor -Cyrus- son of Queen Esther and Ahchasverut cited in the Biblical book of Ezra as the Messiah because he gave permission to 42,00 Jews together with Ezra and Nechemia to return to Israel and rebuild the second Temple 70 years after the destruction of the first Temple by Nebuchadnetzer emperor of Babylonia.

Cyrus is cited by Will Durant in his monumental works The History of Civilization in the Oriental Heritage on the Chapter about Persia chapter 13 pages 352-353 as one of the most generous of conquerors. He instituted freedom of religion and gave his subjects the freedom to practice their faith with out State interference. He also contributed to the building of houses of worship for his subjects. I can speculate that since according to Jewish tradition his mother was Queen Esther from the Purim story recorded in the Biblical Book of Esther, Cyrus was according to Jewish tradition and Law a Jew . This is so , since one's religious affiliation follows the mother. Since Esther was Jewish , Cyrus was also Jewish. I do not know what faith Cyrus practiced. However he had a Jewish mother and an uncle like Mordecai who was the prime minister in Persia. Even if he did not practice the Jewish faith he was greatly influenced by Jewish ideas. He therefore practiced tolerance and granted his subjects religious freedom -Jewish ideas.

Only the people living in Israel can make a decision what to do to ensure their future as a Jewish state. We can only give them moral financial and political support and repel the propaganda of the anti Semites who who may even be Jewish professors or other self hating Jews or Neturei Karte who seek the destruction of Israel as a Jewish state

Israel will survive to eternity. Tosphos Zevochim explicitly states that there will not be a third Churban -destruction and exile of Jews from Israel. Am yisroel chai leolom.
Israel will survive to eternity.

Jews from Palestine now Israel in 1944 negotiated with Eichman the Nazi empowered by Hitler to execute European Jews -to save a million Jews, Eichman agreed provided the Allies would supply him with 10,000 trucks with coffee for the German army

The dictator of Spain Francisco Franco agreed to permit all one million saved Jews to remain in Spain for the duration of the war. Franco claimed his fore parents were Morano Jews who agreed to be baptized and were permitted to remain in Spain in 1492 following the expulsion of all the Jews. His good intentions were stymied by two Anglo Saxons Roosevelt and Churchill. .

Hirohito the emperor of Japan in 1940 arranged with Russia for 50,000 Jews to travel through Russia in order to reach Shanghai, China that Japan controlled. The 50,000 Jews were thus saved from the Nazis. Thanks to him many of the students of the Mir Yeshiva in Lithuania were saved. Hirohito also believed that his ancestors 2700 years ago were Jews- one of the 10 lost tribes exiled by the Assyrian king -Nebuzareden. His ancestors over many years traveled through Asia and finally came to Japan. Some of the Jews succeeded to become emperor. The Japanese royal house practice to this day some Jewish rituals.

Interestingly, many Jews who baptized and remained in Spain joined the military and the church. Many rose to very high positions in both the military and the church.
Two Jews became Pope.

However Jewish competence precipitated the fear among Spaniards of the competition offered by the baptized Jews. They passed legislation that only Spaniards who possessed pure Spanish -Christian blood for 5 or 10 generations could compete for high positions in the army clergy or marry into influential families. The Spanish discriminatory laws were the fore runners and precedent for Hitler's Nuremberg Laws.

The liberal climate and emancipation of the Jews in the 19th Century in Europe following the Napoleons successes in Europe enabled Jews to enter all fields previously closed to them. The competition and competence of the Jews in all fields precipitated the

anti Semism in France Germany and Great Britain . When Hitler came to power in 1933 he found a ready and willing Europe to embrace his anti Semitic final solution for the Jews. First in Germany Jews were boycotted and not permitted to engage in the professions attend public school their wealth was confiscated. [This reminds one of the threatened boycott in 2007 against Israeli academics by British University Professors unless the Israeli intellectuals agree to adopt the British vision of destroying Israel and force their government to do the same.] Pogroms were initiated. These measures proved to be a blessing in disguise. Most of Germany's Jews left between 1933-1939 and thus saved their lives. When Hitler launched his attack on Poland September 01 1939 he swept through Poland . He then turned his furor and vanquished France Belgium and was prepared to conquer Great Britain.

Again it was an act of Providence that he turned his sights on Russia , not learning from Napoleon who also was buried in the vastness of Russia. Germany lost the war because of Hitler's unsatiable appetite and the German character of blindly following the orders of the Fuhrer.

However while his reign of terror existed , the Europeans welcomed all his plans for the final solution for the Jews. -the murder of all the Jews. Prior to their murder all their property was confiscated. Even though the allies were engaged in a bitter war for survival they all were on the same page with the Nazis regarding the destruction of the Jews and Judaism. Pope Pius did not raise his voice and threaten the German Polish , Hungaian, Slovak and Ukranian Catholics -all allies of the German's with excommunication if they persist in the murder of Jews. Even as late as 1944 and 1945 when the Germans had lost the war , the Pope's voice was silent.

One can wonder where was all the Christian charity and mercy from the Prince of the Church for the real victims- the Jews from 1940-1945 ? Pope John and the Vatican in 1965 absolved the Jews from the libel of Deicide . Why could not Pope Pius have done the same during 1940-1945 and thereby save millions of Jews?

One must however understand the fear of Pope Pius that an open attack on the Nazis would endanger all church officials. Quietly the Pope gave orders to save Jews. However it was not enough. He could have saved many more thousands if not millions.

WHERE WAS THE Red Cross? They did not bother to aid the starving Jews in Nazi occupied Europe. NOR DID THE ALLIES DROP ANY FOOD FOR THE STARVING JEWS . NOR DID THEY BOMB THE GAS CHAMBERS NOR THE RAIL LINES

CONNECTING THE CONCENTRATION CAMPS TO ALL THE CITIES IN EUROPE . WOULD THEY HAVE BOMBED THE RAIL LINES MILLIONS OF JEWS WOULD HAVE BEEN SAVED. NEITHER DID THEY THREATEN TO HANG THE NAZIS ONCE THE ALLIES WIN THE WAR FOR THEIR CRIMES .

THE VATICAN IS GUILTY FOR THEIR SILENCE AND NOT DOING ALL THAT THEY COULD HAVE DONE. THEY ABANDONED THE 2000 YEAR CHRISTIAN TRADITION OF SAVING JEWISH LIVES AT THE ORDERS OF ST. PAUL .THEIR GUILT IS IN NOT ACTING AS THE CHURCH ACTED FOR 2000 YEARS. THEY STAINED IRREPARABLY THE REPUTATION OF CHRISTIANITY.

When one looks closely at the billions of dollars pounds and euros the Europeans spent over the last 60 years to keep the Palestinian refugees in the same status as refugees and subsidize their poisonous indoctrination of hate and murder of all Jews one can wonder if there is not a continuation of the European pattern of using proxies to murder Jews. The Nazis are gone so the Palestinians take their place.

It must be recorded for eternity that thousands of non Jews -Chasidei umos hoolem -the righteous among the nations risked their lives and the lives of their family to save Jews. Many non Jews were killed by the Nazis or Soviets. This happened to Wallensberg -the Swedish diplomat who saved thousands of Jews in Hingary. His fate at the hands of the Soviets remains a mystery even today 60 years after the World War Two.

Paul understood the Romans and all anti Semites . His genius was to devise the doctrines for the church that he promulgated that in effect saved the lives of Jews for 1700 years. Even though the Church came into power following the decision of Constantine in 325 long after the death of Paul ; the foundations established by Paul served to preserve many Jewish lives for 1700 years until the holocaust. The Jews as a people survived in Christian controlled countries thanks to PAUL AND THE CHURCH FOR THE LAST 1700 YEARS.

Jews are revered when dead. Memorials are built for their memory. Laws are passed against deniers of the Holocaust. It is a crime punishable in Austria and Germany by five years imprisonment. However again it is a mitzvah to kill living Jews. The European Union donated 50 million euros to assist a Polish cleric to spread his anti-Semitic poison on his network of radio shows. The European Union have and is continuing to donate billion of dollars pounds and now euros to keep alive the Palestinian refugees . . For the last 60 years the Europeans have competed among themselves for the fat oil and munition contracts to sell arms to the Arabs in their wars against Israel. They have supported the Arabs politically as well as economically.

Before Israel existed the Europeans were leading the world as the greatest oppressors of the Arabs and Africans. Millions of Africans Arabs and Asians were killed and maimed in order to realize the European dream of the sun never sets on European imperialism and colonianism. Two world wars caused over 200 million killed non Jews , in addition to the 6 million killed by the Nazis and the silence of the Europeans. The casualties were all Christians. Over 2000 years most of the casualties and victims were Christians killed by other Christians. Even the Muslims essentially believe in Jesus . Not as the son of G-D , but as a prophet. This fact was used as an excuse to kill them and wrest Palestine from them. Thousands and possibly millions died in the crusade wars over hundreds of years. Then the Christians killed each other over the conflicting interpretations of the New Testament that were initiated by Martin Luthern and his followers that resulted in the 30 year wars. Prior and later than Martin Luther's schism occurred the schism of the Anglican Church of England , the Greek and Russian Orthodox Churches from the Catholic Roman Church in Rome.

World History is full of pages of murder robbery rapes and inquisitions all in the name of G-d. Six million Indians were massacred by the Europeans as the new world North and South AMERICAS WERE DIVIDED UP AMONG THE EUROPEANS BY THE COMPROMISE AND BLESSING OF THE POPES. GENOCIDE OF THE NATIVE AMRICANS OR AUSTRALIANS OR NEW ZEALAND WHO REFUSED TO ACCEPT CHRISTIANITY WAS SANCTIONED BY ALL THE EUROPEAN LEADERS .

THERE DOES NOT EXIST ONE COUNTRY IN THE WORLD WHOSE BORDERS WERE NOT ACQUIRED BY WAR. However Israel and the Jews are not permitted to keep any territory they won in six wars that were waged by the Arabs or their proxies Hizbulla and Hamas. Today Syria and Iran are the largest existentialist threat to Israel. Again the Europeans are dragging their feet even though if Iran acquires the atom bomb and missiles from North Korea or Russia they will put every European and possibly American city within range of destruction.

The hatred however still burns in the hearts of Anti Semites who fraudulently exploit their professional stature as professors or physician or union officials in the workforce to use their influence to destroy the State of Israel and the Jews living there. They do not use the excuse of the Jews being Christ killers , but their excuse now is the injustices perpetrated on the Palestinians.

The disguises of anti Semitism has been ongoing . One can use Darwin's theory of evolution to explain how the face of blatant bigotry has changed and adapted throughout the generations. As the Jew recites on Passover eve at the reading of the Aggadah . In every generation anti Semites have conspired to kill Jews and later non Jews who are different. The hatred of the JEW IS SO OVER WHELMING AND POWERFUL that the academics of Great Britain have prostituted their integrity and professional reputation to advocate a boycott of Israeli educators . It took the collective efforts of the united worldwide Jewish community to enlist hundreds of college presidents and recipients of the nobel prize to publicize their outrage at this attempt to hijack reason and decency. As at September 30, 2007 the British academics announced that they were advised that their call for a boycott is unlawful. ONLY AFTER THE PUBLICIZING IN THE INTERNATIONAL PRESS THEIR BIGOTRY DID THEY REALIZE THAT THEY COULD NOT GET AWAY WITH THEIR ATTEMPTED CRUCIFIXION OF THE JEW AND THE STATE OF ISRAEL.

THE WORLD 60 YEARS AGO WAS SILENT AS 6 MILLION JEWS WERE KILLED AND OVER 150 MILLION NON JEWS DIED DURING THE SECOND WORLD WAR AND THE COMMUNIST REVOLUTIONS IN RUSSIA AND CHINA AND THE CONTINUOUS WARS INCLUDING THE ARAB WARS TO DESTROY ISRAEL AND ALL ITS JEWS .

THE JEW AND THE DECENT NON JEW IS NO LONGER SILENT

TODAY. THE JEW NOW POSSESS ISRAEL AND THE ABILITY TO RETALIATE .

VIGILANCE ON THE PART OF THE JEW AND DECENT NON JEW IS CRITICAL IN ORDER TO REMAIN ALIVE. IT IS OUR SO CALLED FRIENDS IN THE DEMOCRACIES -THE VENOM OF JEW HATRED BURNS STRONG EVEN AFTER THE HOLOCAUST.

Hitler had in his libraries over 300,000 anti -Semitic volumes containing all the forgeries lies distortions about Jews and Judaism penned over the last 1700 years since Emperor Constantine elected the Trinitarian creed of Christianity to become the State religion of Rome. Hitler when rebuked by a Christian delegation why he was killing Jews replied that he was only putting into operation what the Church preached for 1700 years. Thus the hate that the church was fomenting for 1700 years bore fruit in the European Anti -Semitism that became racial rather than Theological following the Renaissance in the 1600's and 1700's . There existed many anti-Semitic philosophers in the renaissance -Voltaire being one of them. Nietzsche Chamberlain and Rosenberg being the philosophers of the Nazi party However it was not these philosophers whose venom corrupted European thinking ; but rather the continuous reinforcement of hate in the novels passion plays and legislation of Europe for 1700 years that clearly made it normal and the thing to do to hate and even kill the Jew . The Europeans created a fictitious-stereo type- Jew who was the embodiment of the devil -not a human . It became a sacrament - a mitzvoh to hate and even kill this fictitious Jew that was projected to every Jew.

The Europeans in the 1800's required that Jews abandon their Judaism in order to be accepted into the normal mainstream of society. Many Jews did . . This argument was merely an excuse because once the Jew abandoned his rituals and assimilated and became a formidable competitor the hatred

toward the Jew geometrically multiplied. The hatred fostered by the Church for 1300-1400 years from 325- to 1600 or 1700 bore bitter fruit. The gentile after the renaissance discarded the fear of hell once he denied the

New Testament ;but he retained the scorn and hatred for the Jew. This hatred passed on from generation to generation assumed a life all to itself apart from the theological component that Jews are punished because they crucified Christ and do not believe in him. The renaissance and post renaissance gentile did or did not believe in Jesus himself ;but still hated the Jew . The hatred had become a cancerous growth a venom that was the foundation for the Holocaust. The foundation and roots of the holocaust can be traced to the year 325 ACE when Constantine crowned and helped shape the theology of the Church. Hitler took the role of G-d who would deal Himself with the Jews at the end of time according to Paul's theology . No man other than G-d is permitted to kill Jews. Hitler assumed the role of G-d. that was his reply to the Church delegation that he -Hitler was doing G-d's job of killing the Jews . Thus the teachings of the Church bore fruit in the murder \of six million Jews. He even killed Jews who converted. The hatred for the Jew became racial. This cancerous growth infected and still infects a large segment of European society today 60 years following the holocaust.

It is to the credit of the Catholic Church that in 1965 the Catholic Church absolved the Jews from the Libel of Decide that all Jews are responsible for the Crucifixion of Jesus. They also purged anti Semitic passages from their liturgy and reinterpreted the New Testament in their sermons and classes to purge the Anti-Semitic passages. . Many Protestants did the same. Many developed the dual Covenant and Election of G-d . Both Christians and Jews are Chosen and both have Covenants from G-d. We already elaborated regarding this matter previously. Similarly the Civil Governments have passed strict civil and criminal laws outlawing all racial assaults such as anti-Semitism and prejudice against Jews . IT IS NOW POSSIBLE TO BANKRUPT AN Anti -SEMITE AND IN THAT WAY DESTROY THIS POISON . THIS IS THE STRATEGY FOLLOWED IN THE USA TO UPROOT HOMEGROWN ANTI-SEMITES. IT MUST BE ADOPTED

WORLDWIDE. It is our hope that these measured will change the mind set of the general population.

I suggest that all interested readers read all the volumes of Will Durant's The Story of Civilization and Salo Baron's A Social and Religious History of the Jews. The readers will then have all the substantiation necessary for my thesis that hatred and murder of the Jew =hatred and murder of the non Jew.

That was true with the Nazis assault to enslave and murder all civilized countries after annihilating the Jews. This happened half a century ago 1939-1944 .

This was true for the last 1700 years when abuse and murder of Jews was accompanied by abuse hatred and murder of hundreds of million of non Jews. For me to list all the cases would be an intrusion into the tasks of historians and repetition of agreed historical facts that historians have spent all their lives writing and proving. It would be inventing the wheel again. However I am writing for the benefit of those individuals -many of them may not be Jewish . One must realize that those individuals who hate and murder Jews today will hate and murder none Jews tomorrow. The Jew hater is testing the waters if he can get away with the crime of Jew hating. Then he will target another minority who is non Jewish. He will not rest until he has destroyed everyone other than his group. In this respect his behavior is no different than the wild beasts in the animal kingdom who behave in the same manner.

G-d grants every human when they are born with a soul. Man or woman can elect to abandon his soul and behave like an animal . All men are chosen by G-d not only Jews. All men are given free will to abandon their soul and behave like the wild beasts. That is why there have been hundreds of millions of non Jews- humans -killed by the same animals who kill Jews over the last 1700 years. Go my son and daughter -read history and you will see that my thesis is accurate.
